

## INFORMATION

# CARDCLEAR

## Credit card centralisation for airlines

### CardClear facts

CardClear was established in 1991 and now provides card centralisation for over 120 international airlines. CardClear collects data from over 100 BSP country locations world-wide.

### CardClear benefits

- Centralise funds quicker in the currency of your choice
- Use one acquirer for multiple locations and reduce fees
- All your BSP and Direct Sales handled through one location
- Eliminate your manual submissions
- Receive fully reconciled electronic reports
- Monthly Management Information Statistics

### Cardclear processing

- Daily processing
- Validation to card company requirements
- Exchange rates applied
- Airline on-line access to one year of card history on the CardClear database
- Dedicated customer service
- Dynamic billing

### Additional services coming soon

- Delivery and reconciliation of electronic payment advice

### Who to contact

CardClear processing and Customer Service are run from Accelya Clearing offices in the UK. For full information phone or email the CardClear team at:

Telephone: 00 44 1276 401\_256

Email : [cardclear@accelya.com](mailto:cardclear@accelya.com)

*Accelya is the Regional processor for IATA BSP in Southern Europe, Southern Africa, Latin America and, the Middle East & North Africa.*

*Accelya is the largest data processing provider to the airline industry outside the USA, handling over 121 million transactions per annum.*
