FOREWORD

“FROM THE AGENCY ADMINISTRATOR”

Welcome to the first update to the 44th Edition of the Travel Agent's Handbook, which contains the current text of Passenger Agency Conference Resolutions that apply to IATA Accredited Agents. This Handbook will normally be updated annually and is legally required to be provided to each Approved Location of an IATA Accredited Agent.

[Section 1](#) of this Handbook contains useful information. Further General Information can be found on the dedicated Agenthome website (see below for details).

The Passenger Agency Conference Resolutions and locally established criteria, which together form part of the Passenger Sales Agency Agreement, can be found in [Sections 2](#) and [3](#) respectively of this Handbook. The rules and criteria contained in [Sections 2](#) and [3](#) are mandatory and must be adhered to by agents participating in the Programme in the country/area governed by these rules.

The Manager of each Approved Location is recommended to draw this Handbook to the attention of staff involved in selling international air transportation and issuing tickets. There are items of information in the handbook which will strengthen travel agents' knowledge of their trade and make them more effective in their work, to the advantage both of their employer and themselves.

The Agency Programme is constantly under review and is the subject of on-going dialogue between airlines and agents. As a result, adjustments and improvements are progressively introduced in order to keep the programme relevant to the industry's needs in the marketplace. The changes in this handbook incorporate all the amendments made in 2023, a summary of which is provided in the 'Salient Aspects' section below.

The Agenthome website (<https://www.iata.org/en/services/accreditation/travel-tourism/>) provides a wealth of information for IATA Accredited Agents. In addition to the individual Passenger Agency Conference resolutions, Agents will also be able to download copies of essential publications (Travel Agent's Handbook, BSP Manual for Agents) and other reference material.

ACCREDITATION AND APPOINTMENT PROCEDURE

The regulations concerning the approval, accreditation and retention of Agents are set forth in detail in IATA Resolutions and are reproduced in this handbook. The following brief outline thus serves merely as an introduction.

SALES AGENCY RULES

IATA Sales Agency Rules regulate the relationship between IATA Accredited Agents and Member Airlines. These rules set forth the rights and obligations of both parties as well as the basic procedures applicable to those seeking IATA accreditation for the sale of international air passenger travel.

STATUS OF IATA ACCREDITED AGENT

An IATA Accredited Agent is a passenger sales agent whose name has been entered on the Agency List in accordance with the Rules.

An Approved Location is a Head Office/Head Entity, or Branch Office/Associate Entity, Location appearing on the Agency List.

APPLICATION

Any person or organisation may become an Accredited Agent by submitting an application online, through the IATA Customer Portal: <http://www.iata.org/cs>.

This portal also provides a wealth of information related to the Agency Programme and the BSP, and customers may send an enquiry directly to our Customer Services team.

ACTION ON APPLICATIONS

An applicant will be granted recognition as an IATA Accredited Agent and consequently may be appointed to represent Member Airlines, by meeting the qualifications and criteria outlined in the Sales Agency Rules and executing a Passenger Sales Agency Agreement. A person whose application has been disapproved is told the reasons for such action. The disapproved applicant may request reconsideration or a review of the decision. There is no limit to the number of applications that can be made.

NUMERIC CODE

Each Approved Location of an Accredited Agent is allocated an individual IATA numeric code and is entered on the IATA Agency List. IATA Member Airlines are free to appoint Accredited Agents from that list by depositing a Statement of General Concurrence. Member Airlines participating in the Billing and Settlement Plan (BSP) may, if they wish, grant ticketing authority to individual agents to issue BSP Standard Traffic Documents (STDs).

QUALIFICATIONS AND CRITERIA

Certain minimum criteria must be met if an application is to be successful. IATA accreditation will not be given to an applicant who fails to meet these minimum criteria. The criteria must continue to be met in order to ensure retention on the IATA Agency List. The criteria fall into the following categories.

Registration/Licence

The business entity and/or its owners and managers must have the requisite official registration and/or licence to trade.

Staff

The applicant must have in its employment competent and qualified staff able to sell international air transportation and correctly issue electronic travel documents and report these to the BSP.

Finances

Only companies and firms that are financially sound will be approved.

The applicant must submit independently produced financial statements prepared in accordance with local accounting practices.

To obtain a satisfactory evaluation, the applicant may be required to provide further information or additional financial support in the form of bank or insurance bond or guarantee.

Further details of the financial and other criteria are detailed in [Section 3](#) of this Handbook.

Premises

The applicant must be identified as a place of business for a travel agency in accordance with applicable laws.

The Agency and/or place of business must not be identified, or represent itself, as an office of an airline or group of airlines, nor have a name the same as that of a Member of IATA, or of IATA.

The location where business is conducted must not be in office space jointly occupied with an airline or an airline's General Sales Agent.

Security

An applicant must undertake to provide sufficient protection for its business, and for the supply of industry Standard Traffic Documents in its possession, in accordance with the provisions detailed in Section 5 of Resolution 818g.

Anti-Money Laundering

IATA acts as a financial intermediary between Airlines, Agents and other aviation industry parties. It facilitates, through its financial systems, the remittance and settlement activities of the air transportation industry.

Remittance and settlement services are often used in money laundering schemes since the involvement of multiple stakeholders and the complexity of the transactions reduce the traceability of funds for regulators.

For this reason, Agents must provide any documentation required by IATA comply with Anti-money laundering requirements.

Payment Card Industry Data Security Standards (PCI DSS) Compliance

The Agent must ensure its full compliance with the Payment Card Industry (PCI) Data Security Standards, as provided by the Card companies and made available to agents through IATA, and that all sensitive card data obtained during the process of completing a card sales transaction is handled, stored, and transmitted with due regards to the security of the data.

Business Standards

The applicant, or any of its managers, principal shareholders (or persons for whom they act as nominees), directors or officers shall have no record of wilful violations of fiduciary obligations incurred in the course of business nor be undischarged bankrupts.

Trade History

No person who is a director of or who holds a financial interest or a position of management in the applicant shall have been a director of, or had a financial interest or held a position of management in, an Agent which has been removed from the Agency List or is under notice of default, and still has outstanding commercial debts, or in such an Agent whose commercial debts were met solely or in part by recourse to a financial bond or guarantee; provided that the applicant may nevertheless be approved if IATA is satisfied that such person did not participate in the acts or omissions that caused such removal or default or if he is satisfied that the applicant can be relied upon to comply with the terms of the Sales Agency Agreement and other Resolutions of the Conference.

An applicant may nevertheless be approved if IATA is satisfied that such person did not participate in the acts or omissions that caused such removal or default or if he is satisfied that the applicant can be relied upon to comply with the terms of the Sales Agency Agreement and other Resolutions of the Conference.

General Sales Agency

Applicants must not be appointed by an air carrier as a General Sales Agent for the country concerned or for any part thereof. (A General Sales Agent is one to whom an airline has delegated general authority to represent it for purposes of overseeing sales in a defined territory and who is remunerated accordingly.)

In respect of the issue of Traffic Documents after approval, an Agent shall comply with the provisions of [Resolution 822](#) to the extent that they affect the Agent's obligations or actions.

CHANGES WITHIN AN AGENCY REQUIRING PRIOR IATA APPROVAL

Under the terms of the Passenger Sales Agency Agreement entered into by each IATA Accredited Agent, an Agent proposing to effect certain changes within its agency must so notify the Agency Administrator. The details of the procedural requirements for cases of change of ownership, legal status, name or location are shown in the Sales Agency Rules.

The following brief summary of the provisions is given to assist Agents to understand the importance of advising IATA in advance of proposed changes in their agencies.

CHANGES OF OWNERSHIP/EQUITY OR LEGAL ENTITY

New owner(s) must be advised to IATA as soon as possible and at least seven days before the change is effected.

CHANGES OF NAME

If an Accredited Agent wishes to change its name, or the name under which any of its Approved Locations is operated, it must give prior notice of and make application for approval of the change.

CHANGES OF LOCATION

If an Accredited Agent wishes to change the place of any of its Approved Locations it must give prior notice of and make application for approval of the change.

When an Approved Location changes, the Agent must inform the IATA Office in writing before the change.

Note: *Failure to give timely notice to IATA of changes may jeopardize your status as an Accredited Agent or that of the Approved Location.*

MAINTAINING QUALIFICATIONS AND CRITERIA

It is essential for an IATA Accredited Agent to maintain the standards necessary for accreditation. A review of the Agent's qualifications and criteria can take place at any time and a full review of the Accredited Agent's financial standing is carried out on an annual basis. Failure to submit, by the specified date, financial documents requested by IATA to conduct a financial review of the Agent is in itself grounds for review of the Agent's eligibility to be retained on the Agency List.

3. AUTHORITY OF CONFERENCE

3.1 the authority to enact, amend or repeal any of the Rules, Resolutions or other provisions incorporated in the Passenger Sales Agency Agreement lies exclusively with the Conference. The Agency Administrator, IATA, the Carriers, the Airlines, the Agents and the Travel Agency Commissioners are all bound by the decisions of the Conference regarding the Agency Programme.

3.2 notwithstanding the above, the Conference may, from time to time, delegate by Resolution power to IATA, to the ISS Management, or to the Agency Administrator, (as well as delegate to the Agency Programme Joint Council the power to make recommendations to the Conference) including, without limitation, that the Conference has delegated to the Agency Administrator the responsibility and power to manage the Agency Programme in accordance with the Members' rules and resolutions, as well as the autonomy to act in extraordinary circumstances. Any such delegation of power shall be deemed to include such ancillary power as is reasonably necessary to enable the relevant person or entity to act. Where a

power is conferred to adopt rules or provisions or to set standards, the power shall be construed as including a power to repeal, amend or vary the rules, provisions or standards and the power to make others.

4. HIERARCHY OF SOURCES

4.1 the following hierarchy of sources of rights and obligations continues to apply in connection with the Agency Programme:

- 1st. any Applicable Law;
- 2nd. the form of Passenger Sales Agency Agreement embodied in [Resolution 824](#);
- 3rd. any contractual document specifically executed by the Agent and by IATA, acting on behalf of the Carriers;
- 4th. all other Resolutions of the Conference contained in the Travel Agent's Handbook;
- 5th. any Local Financial Criteria, as approved by the Conference; and
- 6th. any and all applicable rules and provisions included in the BSP Manual for Agents.

4.2 in the event of any inconsistency between two sources of rights and obligations with respect to any matter specifically dealt with by both, the provisions of the higher-ranking source governs. In such a case, the inferior-ranking source remains in force but simply does not apply to the extent of the inconsistency.

4.3 in case of inconsistency between two sources of equal ranking, the most recently-enacted instrument prevails.

4.4 the Conference may exceptionally provide that a source of inferior ranking, such as a Local Financial Criteria, will prevail, but such provision by the Conference must be explicit and it can never be inferred or presumed.

5. ENTRY INTO FORCE, AMENDMENTS AND REPEALS OF RESOLUTIONS

5.1 Resolutions come into force at the time that they are declared to be effective by the Conference and provided to the Agent in accordance with [Resolution 824](#). They remain in effect and apply to facts, circumstances and situations arising thereafter and shall not have retroactive effect.

5.2 every Resolution shall be so construed as to reserve to the Conference the power of rescinding or amending it. Where a Resolution is rescinded or amended in whole or in part, the rescission or amendment does not affect the previous operation of the Resolution so rescinded or anything duly done or suffered thereunder, or affect any right, privilege, obligation or liability acquired, accrued, accruing or incurred prior to the deemed effective date of such rescission or amendment. All rules and provisions adopted under the rescinded Resolution remain in force and are deemed to have been made under the new Resolution, in so far as they are not inconsistent with the

new Resolution or have not themselves been expressly rescinded, in which case the new Resolution shall prevail.

5.3 amendments to Resolutions can be declaratory or remedial, depending on circumstances and no inference one way or another can be drawn from the amendment, unless specified in the amendment.

6. RULES OF INTERPRETATION

6.1 subject to any governmental or other state approval as may be required, every Resolution applies globally wherever the Passenger Agency Programme is in effect, unless a contrary intention is expressed in the Resolution in which case the Resolution concerned applies only to the areas or countries mentioned as such.

6.2 a Resolution shall be considered as always applicable, and where a matter or thing is expressed in the present tense, it shall be applied to the circumstances as they arise, so that effect may be given to the enactment according to its true spirit, intent and meaning.

6.3 the preamble of a Resolution shall be read as a part of the Resolution intended to assist in explaining its purport and object.

6.4 any word contained in a Resolution in the singular number includes the plural; any word importing any gender includes the masculine, feminine and neuter genders; any word importing a person includes a corporation, a partnership and any other entity and vice-versa.

7. COMPUTATION OF TIME

7.1 where the time limit determined for the execution of a provision expires or falls on a bank holiday in the country of the Agent's Approved Location, the action may be executed on the immediate day following that is not a bank holiday.

7.2 where the time limit determined for the execution of a provision is expressed to begin after or to be from a specified day, the computation of such time period does not include that day. Where there is a reference to a number of days between two events, in calculating that number of days the day on which the first event happens is excluded and the day on which the second event happens is included.

4. AGENCY INVESTIGATION PANEL

The activities of the Agency Investigation Panel are contained in Section 3 of these Rules. For the purposes of these Rules, in any country where there is no Agency Investigation Panel in place, references to such group shall be replaced with the "Agency Administrator".

Section 1—Definitions

The definitions of terms and expressions used in this Resolution are contained in [Resolution 866](#).

The use of words and expressions in the singular shall, where the context so permits, be taken to include their use in the plural and vice versa.

Paragraph headings are for ease of reference only and do not form part of these Rules.

Section 2—Criteria for Accreditation and Retention

When, pursuant to the provisions of this Section, the Agency Investigation Panel is authorised to establish certain standards, application of such standards shall be subject to their prior endorsement by the Agency Administrator. Standards so endorsed shall be published in the Handbook.

2.1 any Person in possession of the appropriate official licences, where required, may be considered for inclusion in the Agency List and have a place of business entered as an Approved Location on the Agency List, or an Agent may have an application considered for an additional place of business entered as an Approved Location on the Agency List by meeting the following requirements which have been confirmed as met through investigation performed on behalf of the Agency Investigation Panel, and submitting an application to the Secretary of the appropriate Agency Investigation Panel in the form prescribed by the Conference;

2.2 when there are reasons to believe that an Accredited Agent or Approved Location does not continue to meet such requirements, the Agency Administrator shall on his own initiative, or may, at the request of the Agency Investigation Panel or of a Member, initiate a review of the Agent or Location. If the Agent is unable to demonstrate to the Agency Administrator by a specified date that it meets the qualifications, the Agency Administrator shall give the Agent notice of termination of the Sales Agency Agreement or, in the case of a Branch Office Location, of removal of such Location from the Agency List. Such termination shall not take effect if, prior to the date of termination or removal, the Agency Administrator determines that the Agent or Location meets the qualifications;

2.3 if at any time the Agency Administrator becomes aware that an application, which resulted in accreditation of the Applicant, contained a material statement that was inaccurate or incomplete in respect of the criteria set out in Subparagraphs 2.4.6 and 2.4.7 of this Paragraph, it shall be grounds for the Agency Administrator, if he considers that the circumstances so warrant, to give the Agent notice of termination of the Sales Agency Agreement or, in the case of a Branch Office Location, of removal of such Location from the Agency List; provided that such termination or removal shall not take effect if, prior to the date of termination or removal:

2.3.1 the Agent eliminates the grounds for such termination or removal to the satisfaction of the Agency Administrator or,

2.3.2 the Agency Administrator is satisfied that the Agent can be relied upon to comply with the terms of the Sales Agency Agreement, these Rules and other Resolutions of the Conference;

2.4.1(a) the applicant must provide accredited accounts showing satisfactory financial standing and ability to remain solvent and pay bills. The applicant shall submit independently produced financial statements prepared in accordance with local accounting practices as specified by the Agency Investigation Panel. Such statements shall

be evaluated and found satisfactory pursuant to the standards established from time to time by the Agency Investigation Panel. The standards shall be endorsed and published in the Travel Agent's Handbook by the Agency Administrator. The following will be taken into account when assessing the applicant's financial standing:

2.4.1(a)(i) availability of adequate liquid funds to meet normal trading commitments,

2.4.1(a)(ii) capital required to be commensurate with fixed assets,

2.4.1(a)(iii) the existence of preferential claims on the assets and the existence of contingent liabilities;

2.4.1(b) to obtain a satisfactory evaluation, the applicant may be required to provide further information or additional financial support in the form of bank or insurance bonds or guarantees. Failure on the part of an Agent to renew, by the expiry date, any such bank or insurance bonds or guarantees shall constitute grounds for the Agency Administrator to give the Agent notice of termination of the Sales Agency Agreement and notify all Members and, where applicable, Airlines and ISS Management. If, prior to the date of termination, the Agency Administrator receives evidence that such bank or insurance bonds or guarantees have been renewed as required, the termination shall not take effect and he shall reinstate credit facilities and so notify the Agent, all Members and, where applicable, ISS Management;

2.4.1(c) if so directed by the Agency Administrator, the Agency Investigation Panel shall conduct annual examinations of the financial standing of Agents. Its Secretary may request and the Agent concerned shall be under obligation to furnish, by the date specified in the Secretary's letter of request, the documents deemed necessary by the Agency Investigation Panel to conduct such examination. Failure by the Agent to submit such documents as prescribed shall be grounds for the Secretary to issue a Notice of Irregularity and to give the Agent 30 days to comply. Failure by the Agent to comply within 30 days shall be grounds for the Agency Investigation Panel to request the Agency Administrator to give the Agent notice of termination of the Sales Agency Agreement and notify all Members, Airlines and ISS Management accordingly, provided that if the Agent demonstrates to the Agency Administrator prior to the termination date that it meets the Local Financial Criteria incorporated in the Travel Agent's Handbook the termination shall not take effect;

2.4.1(d) when the Agency Investigation Panel determines that an Agent no longer satisfies the Local Financial Criteria, it may, if circumstances so warrant, prescribe in writing such conditions as are deemed appropriate to be complied with by the Agent within 60 days of the date of such written prescription. The Secretary shall determine if such conditions have been met. On finding that the Agent failed to comply, the Secretary shall request the Agency Administrator to issue a Notice of Irregularity, to withdraw all Traffic Documents, and require the Agent to comply within 30 days. If the Agent fails to comply within 30 days the Secretary shall request the Agency Administrator to give the Agent notice of termination of the Sales Agency

Agreement and notify all Members, Airlines and ISS Management accordingly;

2.4.1(e) if subsequent to the action taken under Subparagraph 2.4.1(d) above, but prior to the termination date, the Agent satisfies the Secretary that the prescribed conditions have been met, the termination shall not take effect and the Agency Administrator shall reinstate credit facilities and notify the Agent, all Members, Airlines and ISS Management accordingly;

2.4.1(f) if the termination takes effect pursuant to the provisions of Subparagraph 2.4.1(c) and 2.4.1(d) above, the Agent may, within 30 days of the termination, invoke the procedures for review of the Agency Administrator's action by the Travel Agency Commissioner;

2.4.1(g) when the financial position of an Agent is subject to examination by the Agency Administrator, and the Agent is unable to meet the Local Financial Criteria, the Agency Administrator shall take normal business fluctuations into account and provide the Agent with a reasonable period of time to meet those criteria;

In such event the Agent will be required to submit the financial documents of the Head Office legal entity. Where the Agent is unable to meet the applicable Local Financial Criteria of the market of the Branch Location, it shall be required to furnish additional security in the form of a bank or insurance bond or guarantee to cover the Sales at Risk for that location.

2.4.8(a) the Applicant must not be a General Sales Agent for a Member in the country (whether or not for the whole of that country) where the location for which approval is being sought is situated; provided that this shall not preclude consideration by the Agency Investigation Panel of such an applicant if the application contains evidence, to the satisfaction of the Agency Investigation Panel, that the applicant will have ceased to be such a General Sales Agent before the date of effectiveness of the decisions

taken by the Agency Investigation Panel at the meeting where the application is acted upon;

2.4.8(b) the Applicant must not act as a General Sales Agent for one or more non-IATA air carriers. A subset of such criteria forms various sections of this framework. The determination to fail a section of this framework is considered by failing to meet at least one Key criterion, or a number of Standard criteria as indicated in [Attachment 'C'](#) of this Resolution.

2.7.3 To pass the assessment, the Agent must pass all sections of the framework in accordance to [Attachment 'C'](#) of this Resolution.

4.4.4.2 Notwithstanding the foregoing or any other provisions of these Rules, the Agency Administrator, on receipt of the overdue annual agency fee from an Agent by 1 March following the 31 December due date shall reinstate the accreditation of such Agent provided he is satisfied that such late payment was caused by events beyond the Agent's control. Where payment is received after 1 March the Agency Administrator shall, provided he is satisfied that such late payment was caused by events beyond the Agent's control, refer the matter to the next meeting of the Agency Investigation Panel, which may at its discretion reinstate the accreditation of the Agent. In either case, the Agent's name shall be re-entered on the Agency List and a new Sales Agency Agreement executed with the Agent if necessary;

4.4.5 Use of agency fees

4.4.5.1 Agency fees collected by IATA will be expended by the Director General in accordance with directives given by the Board of Governors of IATA to administer the Agency Programme.

Such authority is within the Agency Administrator's responsibilities for the management of the Agency Programme and will normally be effective for all locations but a Member or BSP Airline may notify IATA that exclusions on a geographical basis for one or more markets are to be made. IATA will publish on the IATA website (www.iata.org) a list of Members and BSP Airlines with markets where the Agency Administrator is not authorised to effect Appointments,

Any Member or BSP Airlines may cancel such Appointment in respect of the Agent or any Approved Location of the Agent by so notifying the Agent in writing, with a copy simultaneously sent to the Agency Administrator, who shall amend his records accordingly.

5.3 TRAFFIC DOCUMENTS

5.3.1/5.3.1.1 Delivery By Member

the provision of Traffic Documents to an Agent shall be at the option of the Member; provided that no Member shall deliver to an Agent stocks of its Traffic Documents (and/or authorise an Agent to issue its own Transportation Orders) at Head or Branch Office Location situated in the area of a Billing and Settlement Plan unless and until the Member has appointed the Agent as above; provided also that Carrier ticketing authority supplied to an Approved Location shall also authorise the Agent, unless otherwise advised by the Member to the Agent in writing, to issue Standard Traffic Documents on any additional numeric codes assigned under the provisions of Section 4, Sub-paragraph 4.3.3(a) of the Sales Agency Rules to identify specific sales activities;

5.3.1.2 Removal By Member

the removal by a Member of its Traffic Documents/ticketing authority from an Agent's custody is governed by the Passenger Sales Agency Agreement;

5.3.1.3 Removal By Agency Administrator In Special Circumstances

in the event a Member ceases all of its scheduled international air service operations for reason of financial failure, the Agency Administrator shall on instruction from the disabled Member or from the Director General cause that Member's Traffic Documents to be removed from the possession of any or all Approved Locations known to be holding them;

5.3.1.4 Standard Traffic Documents

ISS Management shall provide Agents in Billing and Settlement Plan countries/areas with ranges of Standard Traffic Document numbers for use in the issue of Standard Traffic Documents.

5.4 ADDITIONAL RESPONSIBILITIES OF AGENT

5.4.2 an Agent shall not issue a Standard Traffic Document of or in the name of a Member or Airline for transportation solely on any other air carrier, unless the Agent has been so authorised by the Member or Airline whose Standard Traffic Document has been used;

5.4.3 an Agent that does not issue Standard Traffic Documents for a period in excess of twelve months shall have its Ticketing Authority removed by the Agency Administrator. If the Agent subsequently requests that its Ticketing Authority is reinstated, the BSP Airlines may, in their individual discretion, provide the Agent with Ticketing Authority.

5.5 CAPACITY AND INDEMNITY

Members or BSP Airlines appointing Agents undertake to indemnify IATA, its officers, employees and other appointees against liability (including liability for legal costs) for any action taken or omitted in good faith in the performance of their functions under these Rules and under other applicable Resolutions (other than under [Resolution 832, Section 1](#)). Members and BSP Airlines participating in a Billing and Settlement Plan undertake to indemnify IATA, its officers, employees and other appointees against liability (including liability for legal costs) for any action taken or omitted in good faith in the performance of their functions with respect to such Plan under Section 8 of these Rules and under [Resolution 850](#) and its Attachments.

Section 6—Application of Minimum Security Standards for Premises and Systems

6.1 An Agent shall take all reasonable precautions to secure its business and prevent access to its premises or usage of its systems by unauthorised parties.

6.2 REPORT BY AGENT OF BREACHES OF SECURITY

6.2.1 in the event that the premises of an Accredited Agent suffer any form of unlawful entry irrespective of whether any material loss is incurred, the Agent shall immediately notify the local police authorities, and IATA;

6.3 VERIFICATION ACTION

Upon receipt of advice from an Agent, IATA or a BSP Airline that an Agent has suffered loss as the consequence of robbery, theft, burglary, fraud or any other unlawful means, IATA shall immediately notify all BSP Airlines in the country with copy to the Agency Administrator.

6.4.1 any BSP Airline or the Agency Administrator in order to recover and prevent continuing loss of BSP Airlines' revenue as result of:

6.4.1(a) alteration of, or falsification of entries in Standard Traffic Documents

6.4.1(b) may request to have the matter reviewed by the Travel Agency Commissioner. BSP Airlines shall direct such requests to the Agency Administrator;

6.4.2 if such review is requested the Agency Administrator shall undertake an investigation into the circumstances surrounding the request;

6.4.2.1 if the conclusion of the Agency Administrator is that the Agent had fulfilled its contractual obligations related to the issuance of Standard Traffic Documents, he shall so inform the BSP Airline requesting the review and close the file,

6.4.2.2 if the conclusion of the Agency Administrator is that the Agent has not fulfilled its aforementioned obligations he shall within seven days send a written report to the Agent together with a notification that he intends to place the matter before the Travel Agency Commissioner and shall so notify the requesting BSP Airline and those BSP Airlines which the investigation revealed might be affected by the alleged failure. The Agency Administrator shall invite the Agent to submit a written answer together with such evidence as it wishes within 30 days from the date of notification,

6.4.2.3 upon timely receipt of the Agent's written answer and after consultation with such authorities as he deems appropriate, the Agency Administrator may either:

6.4.2.3(a) conclude that the matter warrants no further action in which case he shall notify the Agent and the party requesting the review accordingly and shall close the file and so notify concerned BSP Airlines, or

6.4.2.3(b) because the Agent does not contest its failure to fulfil its aforementioned obligations, the Agency Administrator may endeavour to settle the matter with the Agent without reference to the Travel Agency Commissioner by entering into an agreement with the Agent to appoint a sole arbitrator by mutual agreement and to stipulate a penalty to be imposed. In this event the said agreement together with all other relevant documents shall be submitted to the sole arbitrator who shall make an appropriate award. If the Agency Administrator is unable to reach such agreement with the Agent then he shall refer the matter to the Travel Agency Commissioner, or

6.4.2.3(c) when the Agent denies its failure to fulfil its contractual obligations related to issuance of Standard Traffic Documents, or where after 30 days from the date of the notification the Agent has not submitted a written answer, the Agency Administrator shall refer the matter to the Travel Agency Commissioner.

It is recommended that notification of changes to such commission or other remuneration will be given well in advance. No commission or other remuneration shall be paid on Miscellaneous Charges Orders or Transportation Orders unless the air transportation for which they have been issued is specifically described therein. Taxes on commission or other remuneration, collectable by the Member on behalf of the competent fiscal authorities, shall be deducted from any commission or other remuneration paid to or claimed by the Agent.

10.2 AUTHORITY TO PAY COMMISSION AND OTHER REMUNERATION

10.2.1/10.2.1.1 Agents duly appointed by the Member shall be paid commission or other remuneration for the sale of international air passenger transportation;

10.2.1.2 an Accredited Agent shall retain the full amount of the commission or other remuneration paid by the Member and shall not rebate or promise to rebate directly or indirectly in any manner whatsoever such commission or other remuneration or portion thereof to any passenger or client or disburse such commission or other remuneration or portion thereof to any other person;

10.2.2 Commission for Applicant

10.2.2.1(a) upon receipt of a complete application, the Secretary of the Agency Investigation Panel shall promptly publish to the Members on the Panel in a periodic listing that such application has been received. Notwithstanding Subparagraph 10.2.1 of this Paragraph, Members may, on receipt of this listing, pay commission or other remuneration to the applicant for the sale of international air passenger transportation sold by the Member, which such applicant has referred to the Member during the pendency of the application, provided that:

10.2.2.1(a)(i) any Member which does not wish to pay such commission or other remuneration shall so notify the applicant in writing,

10.2.2.1(a)(ii) the applicant has paid, directly to the Member, the monies due for sales of Traffic Documents issued by the Member, at the time of issue,

10.2.2.1(a)(iii) the applicant has not been removed from the Agency List during the year preceding the date of the application involved;

10.2.2.1(b) furthermore, nothing in this Subparagraph shall be deemed to authorise any person to perform any

act as Agent for a Member before such person is approved and appointed in accordance with these Rules.

10.3 INTERLINE SALES

the amount of fare on which commission shall be computed may include, and the level of any other remuneration may take into account, interline passenger transportation over the services of other Members with which the Agent's principal has an interline traffic agreement. A Member may also pay commission or other remuneration to an Agent for passenger transportation sold on the services of an air carrier that is not a Member when the Member has been so authorised by such air carrier.

10.4 CONDITIONS FOR PAYING COMMISSION

10.4.1 where commission is payable to an Agent it shall be calculated only on the amount of the fares applicable to the air passenger transportation or charter prices paid over to the Member, or to the Clearing Bank under a Billing and Settlement Plan, and collected by the Agent; provided that this shall not prevent commission being paid where the sale is made:

10.4.1.1 pursuant to the Universal Air Travel Plan or a credit plan recognised by the Member (provided the Agent has procured and forwarded to the Member the Universal Credit Card Charge Form or other documents required under the credit plan, validated by an imprint of the date of issuance and Agent's name), or pursuant to an instalment plan of a Member made available to the public by the Member concerned; or with respect to bona fide immigrants to South Africa, pursuant to a government assisted passage loan or contribution plan wherein the government lends or contributes part or all of the cost of transportation to the passenger; or

10.4.1.2 on a prepaid ticket advice when the Agent issues the ticket or arranges for the issuance of the ticket and the fare is paid by the purchaser directly to the Member, the Member's Passenger General Sales Agent or to an air carrier with which the Member has an interline Traffic Agreement (or such carrier's General Sales Agent);

10.4.2 the 'fares applicable' are the fares (including fare surcharges) for the transportation in accordance with the Member's tariffs and shall exclude any charges for excess baggage or excess valuation of baggage as well as all taxes and other charges collected by the Agent.

10.5 RECALL OF COMMISSION OR OTHER REMUNERATION

where a refund is made of all or any part of the fare or charge for any transportation, the Agent's commission or other remuneration shall be recomputed on the unrefunded fare or charge. If the commission or other remuneration has already been paid, the Agent shall pay back any amount in excess of the recomputed

commission or other remuneration. Where there is an involuntary change of routing involving a substitution of surface transportation for confirmed air transportation a recall of commission or other remuneration shall not be deemed due. In case of involuntary change of routing to other air services, nothing shall prevent the Member from passing on to the Agent the commission or other remuneration received from the new carrying carrier.

Section 11—Change of Ownership, Legal Status, Name or Location

11.1 NOTIFICATION OF CHANGES

notification with respect to changes of ownership, legal status, name or location of the Agent shall be given to the Agency Administrator prior to the change, and processed in accordance with the provisions of this Section; provided that:

11.1.1 when an Agent with more than one Approved Location undergoes a change of ownership and/or status the application for approval of such change shall be submitted only in respect of the Head Office Location and shall apply to all Approved Locations if the Agent confirms on its own letterhead that except for such new ownership or status the information previously submitted in connection with the other Approved Locations remains unchanged;

11.1.2 when an Agent undergoes a change of ownership or status which also includes a change of name or location, all changes shall be notified by the Agent in a single notice of change and actioned by the Agency Administrator as one application.

11.1.3 The parties to the Change of Ownership may request IATA to be a party to a non-disclosure agreement.

11.2 PROCESSING OF CHANGES

11.2.1 Changes requiring a New Passenger Sales Agency Agreement

the following changes of ownership shall require the execution of a new Sales Agency Agreement and shall be processed in accordance with Paragraph 11.3 of this Section:

11.2.1(a) in the case of a sole owner, partnership or other unincorporated firm:

- (i) the disposal of an interest in the Agent which has the effect of transferring control of the Agent to a Person in whom it was not previously vested,

- (iii) any change which reduces the liability of any Person who was previously liable, directly or indirectly, for the debts of the corporation,
- (iv) any other change in the legal personality of the Agent such that after the change, pursuant to applicable national law the legal personality of the Agent is not that existing prior to the change of legal status;

11.2.2 Changes not Requiring a New Passenger Sales Agency Agreement

the following changes of ownership in a corporation shall not require the execution of a new Sales Agency Agreement, and shall be processed in accordance with Paragraph 10.4 of this Section:

- (a) a reduction of capital,
- (b) the disposal or acquisition by any Person of stock representing 30% or more of the total issued share capital of the Agent,
- (c) Unless the transfer of stock has the effect of vesting the control of the Agent in a Person in whom it was not previously vested, whether by means of a single transaction or as the result of a series of transactions, over a period of not more than three years;
- (d) the disposal or acquisition by any Person of stock representing 29% or less of the total issued share capital of the Agent, a current financial review shall not be required.

11.2.3 the following other changes shall be processed in accordance with the appropriate Paragraph of this Section as indicated:

11.2.3.5 sale of Location to another Accredited Agent; Paragraph 11.13;

11.2.3.6 sale of Branch Office Location to an outside party; Paragraph 11.15.

11.3 PROCEDURES FOR CHANGES REQUIRING A NEW PASSENGER SALES AGENCY AGREEMENT

when an Agent proposes to effect a change of ownership and/or status as described in Subparagraph 11.2.1 of this Section:

11.3.1 the Agent ('the transferor') and the proposed new owner ('the transferee') shall jointly give the Agency Administrator notice of the proposed change in the form as provided in Attachment 'A' to these Rules at least 60 days before the change is to be effected. The notice of change of ownership may be accepted and acted upon by the Agency Administrator at less than 60 days notice but not after change is effected, where he is satisfied with the transferor's and transferee's joint written statement of explanation for failure to give due notice. The transferor accepts the liability for any outstanding Billing which either has not yet been remitted to IATA, or where the related Remittance Date has still to be reached, whichever event occurs last, until IATA has been notified of the date that the Change of Ownership takes place, through the submission of a Notice of Change, shown as

Attachment A to this Resolution, and such Change of Ownership takes effect.

11.3.2 on receipt of a Notice of Change form and a duly completed application in time to enable the Agency Administrator to process the application, the Agency Administrator shall countersign the Notice of Change form unless the application reveals or the Agency Administrator has reason to believe that the application should be disapproved because it does not meet one or more of the criteria set out in Subparagraphs [2.4.1](#), [2.4.2](#), [2.4.5](#), [2.4.6](#), [2.4.7](#), [2.4.8](#), [2.4.11](#) or [2.4.12](#). Nevertheless if prior to the processing by the Agency Investigation Panel of the application the applicant eliminates the grounds of disapproval to the satisfaction of the Agency Administrator, the Agency Administrator shall countersign the Notice of Change form with the transferee;

11.3.3 the transferee's Notice of Change form countersigned by the Agency Administrator shall take effect from the date when the change of ownership and/or legal status takes place. The transferor's Sales Agency Agreement shall terminate or cease to apply to the Location concerned as of the date when the change of ownership and/or legal status takes place, without prejudice to the fulfilment of all obligations accrued prior to the date of termination;

11.3.4 a Notice of Change form will have the same effect as a Sales Agency Agreement. The Agency Administrator shall notify all Members of the execution of a Notice of Change form and on receipt of such notice Members may do business with the transferee as if he were an Accredited Agent. A Notice of Change form will remain in effect until the Agency Investigation Panel has processed the application; provided that, if at any time between the effective date of the Notice of Change form and the processing by the Agency Investigation Panel, information becomes available to the Agency Administrator which causes him to believe that the transferee fails to meet one or more of the criteria referred to in Subparagraph [11.3.2](#) of this Paragraph, the Agency Administrator shall notify all Members accordingly;

11.3.5 if the Agency Administrator is unable to execute a provisional Sales Agency Agreement either because the applicant does not meet the criteria for approval or because insufficient notice of the proposed change has been given to enable the Agency Administrator to process the application, the Agency Administrator shall notify all Members accordingly. If subsequent to the above action but prior to the next meeting of the Agency Investigation Panel the transferee has removed the grounds that prevented execution of a Sales Agency Agreement the Agency Administrator acting under Subparagraph [11.3.2](#) of this Paragraph may execute such agreement pending final processing at the next appropriate meeting of the Agency Investigation Panel.

11.3.6 the Agent will in all cases be required to provide a Financial Security in accordance with provisions of [Resolution 800f](#) which will be kept until the set of financial statements produced no earlier than 6 months following the date the change was communicated to IATA and reviewed as per applicable Local Financial Criteria and is found satisfactory. On finding that the Agent failed to

comply with the requirement to provide a Financial Security, such failure will be grounds for the Agency Administrator to serve a notice of termination in accordance with Resolution 800 Subparagraph [2.4.1](#).

11.4 PROCEDURES FOR CHANGES NOT REQUIRING A NEW PASSENGER SALES AGENCY AGREEMENT

11.4.1 when an Agent proposes to effect a change of ownership as described in Subparagraph [11.2.2](#) of this Section:

11.4.1.1 the Agent shall give the Agency Administrator notice of the proposed change in the form of [Attachment 'A'](#) at least 60 days before such change is to be effected. As soon as possible the Agent shall also provide a copy of current financial statements including balance sheet and profit and loss account certified by a chartered, certified public or certified general accountant. (Such certification requirement may be waived by the Agency Investigation Panel in the case of a reduction of capital.) In countries where the such chartered, certified public or certified general accountant has no legal standing, certification is not mandatory; provided a notice of change of ownership may be accepted and acted upon by the Agency Administrator at less than 60 days notice but not after the change is effected, where he is satisfied with the Agent's written statement of explanation for failure to give due notice. Upon receipt of such notice the Agency Administrator shall bill the Agent for an application fee as prescribed in Paragraph 4.5 of Section 4 of these Rules and initiate a review of the Agent by the Agency Investigation Panel in accordance with the provisions of Subparagraph [11.4.1.5\(a\)](#) of this Paragraph;

11.4.1.2 on receipt of a notice of change in time to enable the Agency Administrator to process the application, the Agency Administrator shall give provisional approval of the change unless the notice reveals or the Agency Administrator has reason to believe that the Agent should not be retained because it does not meet one or more of the criteria set out in Subparagraphs [2.4.1](#), [2.4.6](#), [2.4.7](#), [2.4.11](#) or [2.4.12](#). Nevertheless if prior to the review by the Agency Investigation Panel the Agent eliminates the grounds of disapproval to the satisfaction of the Agency Administrator, the Agency Administrator shall give provisional approval of the change;

11.4.1.3 the provisional approval of the change shall take effect from the date when the change of ownership takes place and remain in effect until the Agency Investigation Panel conducts the review; provided that, if at any time between the effective date of the provisional approval and the review by the Agency Investigation Panel, information becomes available which causes the Agency Administrator to believe that the Agent no longer meets the criteria referred to in Subparagraph [11.4.1.2](#) of this Paragraph the Agency Administrator shall immediately place the Agent on a Cash Basis until either the Agent has removed the grounds therefor, or the Agency Investigation Panel has conducted the review. The Agency Administrator shall notify the Agent and all Members accordingly;

11.4.1.4 if the Agency Administrator is unable to grant a provisional approval either because the applicant does not meet the criteria for approval of the application or because insufficient notice of the proposed change has been given to enable the Agency Administrator to process the application, the Agency Administrator shall notify all Members accordingly. If subsequent to the above action but prior to the next meeting of the Agency Investigation Panel the Agent has removed the grounds that prevented granting of provisional approval, the Agency Administrator acting under Subparagraph **11.4.1.2** of this Paragraph may give such approval pending review of the Agent at the next appropriate meeting of the Agency Investigation Panel;

11.4.1.5(a) upon referral from the Agency Administrator, pursuant to Subparagraph **11.4.1.1** of this Paragraph of an application for approval of a change of ownership not requiring the execution of a new Agreement, the Agency Investigation Panel shall determine whether the Agent or Approved Location shall be retained on the Agency List:

11.4.1.5(a)(i) if the Agency Investigation Panel determines by two-thirds majority vote that the Agent or Approved Location shall be retained, its Secretary shall immediately return the file to the Agency Administrator and notify him of the Agency Investigation Panel's decision:

11.4.1.5(a)(i)(aa) if the Agency Administrator finds the file to be complete and in accordance with these Rules, the provisions of Subparagraph **11.6.1** of this Section shall apply,

11.4.1.5(a)(i)(bb) if the Agency Administrator does not find the file to be complete and in accordance with these Rules, he shall refer the file to the Agency Investigation Panel for reconsideration and remedial action,

11.4.1.5(a)(ii) if the Agency Investigation Panel is unable to determine by two-thirds majority vote that the Agent or Approved Location shall be retained, it shall return the file to the Agency Administrator for a decision,

11.4.1.5(b) when an application is disapproved, the Agency Administrator shall notify the Agent in writing, giving full reasons.

11.5 EXPEDITED PROCEDURE

notwithstanding the provisions of Paragraph **11.4** of this Section, in case of a change of ownership as described in Subparagraphs **11.2.1.2(b)** and **11.2.1.2(c)** of this Section, the following expedited procedure may be followed:

11.5.1 on receipt of a notice of change of ownership the Agency Administrator shall, within 30 days of the date of receipt of such notice and application consult with the Secretary of the Agency Investigation Panel concerned. If the Agency Administrator determines that all of the criteria for approval set out in Subparagraphs **2.4.1**, **2.4.6**, **2.4.7** and **2.4.12** of Section 2 of these Rules are present, he shall approve the change;

11.5.2 if the Agency Administrator approves the change of ownership he will notify the Agent and all Members accordingly;

11.5.3 if a notice of change reveals or the Agency Administrator has reason to believe that the Agent should not be retained because he does not meet one or more of the criteria for approval set out in Subparagraphs **2.4.1**, **2.4.6**, **2.4.7** or **2.4.12** of Section 2 of these Rules, he shall notify the Agent and all Members accordingly and shall initiate a review of the Agent by the Agency Investigation Panel in accordance with the provisions of Subparagraph **11.4.1.5(a)** of this Section. If prior to the Agency Investigation Panel's review the Agent has removed the grounds that prevented granting of the approval the Agency Administrator may give approval and notify the Agent and all Members accordingly;

11.5.4 if the Agency Administrator is unable to approve a change of ownership he shall request the Secretary of the Agency Investigation Panel concerned to place the matter on the agenda of a meeting of the Agency Investigation Panel, which shall, as far as is practicable, be its next meeting after receipt of the notice of change. An Agent shall not be retained if it is found that any of the criteria for approval set out in Subparagraph **2.4.1** of Section 2 of these Rules are not met except as provided therein.

11.6 EFFECT OF APPROVAL

the Agency Administrator shall request the Secretary of the Agency Investigation Panel concerned to place all notification of changes (received prior to the actual date of the change of ownership and/or legal status) on the agenda of a meeting of the Agency Investigation Panel which shall, as far as practicable, be its next meeting after receipt of the notification. An application shall not be approved nor shall an Agent be retained if it is found that any of the criteria for approval set out in Subparagraph **2.4.1** of Section 2 of these Rules are not met except as provided therein:

11.6.1 in the case of a change processed under the provisions of Subparagraph **11.3.2** of this Section, if the application is approved, a Sales Agency Agreement with effect from the date of such approval will be signed by the transferee and by the Agency Administrator. The Agency Administrator shall notify the transferee and all Members accordingly and shall make any necessary amendment to the Agency List;

11.6.2 in the case of a change processed under the provisions of Subparagraph **11.4.1.2** of this Section, if the Agent is retained, the provisional approval of such change shall cease to be provisional and shall become a full approval with effect from the date of the decision to retain the Agent. The Agency Administrator shall notify the Agent and all Members accordingly.

11.7 EFFECT OF DISAPPROVAL

11.7.1(a) if the application is disapproved and the change of ownership has already taken place, the Agency Administrator shall notify the Agent (or transferor), the transferee and all Members accordingly, and shall simultaneously:

11.7.1(a)(i) in the case of changes described in Subparagraph 11.2.1 or in Paragraph 11.2.2 of this Section, by notice to the transferor confirm that its Sales Agency Agreement, or its application to the Location concerned, terminated at the date when the change of ownership took place, and by notice to the transferee the Notice of Change form will no longer have effect as a Sales Agency Agreement,

11.7.1(a)(ii) in the case of changes described in Subparagraph 11.2.1.2 of this Section, by notice to the Agent withdraw a provisional approval that has been given and terminate the Agent's Sales Agency Agreement, or its application to the Location concerned;

11.7.1(b) in all such notices the Agency Administrator shall give the reasons for his action. A disapproved transferee or Agent may within 30 days of the Agency Administrator's notice request reconsideration of the decision by the Agency Investigation Panel or invoke the procedures for review of the decision by the Travel Agency Commissioner;

11.7.2 upon request for reconsideration by the Agency Investigation Panel or for review by the Travel Agency Commissioner, the disapproval action shall be stayed and the status quo ante restored pending the result of the reconsideration or of the review. If the Travel Agency Commissioner confirms the disapproval, the transferee or Agent may request review of such decision by arbitration pursuant to Section 13 of these Rules in which case the disapproval action shall continue to be stayed until notification of the arbitration award;

11.7.3 if the transferor or the Agent as the case may be notifies the Agency Administrator that the change of ownership has been revoked and the Agent restored in all respects to its previous ownership, the Agency Administrator shall reinstate the Agent's Sales Agency Agreement or its application to the Location concerned and, when applicable, reinstate credit facilities and notify the Agent and all Members accordingly;

11.7.4 if an application is disapproved and the change of ownership and/or legal status has not yet taken place, the Agent shall be removed from the Agency List if the change of ownership is proceeded with.

11.8 UNDERTAKING BY TRANSFeree

11.8.1 every application for approval shall be accompanied by an undertaking by the transferee to accept joint and several liability with the transferor for any outstanding obligations of the transferor under its Sales Agency Agreement as of the date when the transfer of ownership takes place; and

11.8.2 in cases where the transferor is employed by or retains a financial or beneficial interest directly or indirectly in the agency after the change of ownership, the application shall be accompanied by an undertaking by the transferee to accept responsibility for any violation by the transferor of his Sales Agency Agreement which may have occurred within a period of two years immediately prior to the change of ownership as if such violation were a violation of the transferee's Sales Agency Agreement.

11.9 DEATH OF A SOLE OWNER OR OF MEMBER OF A PARTNERSHIP OR OTHER UNINCORPORATED FIRM

11.9.1 in the event of the death of the sole owner of an Accredited Agent, or of a member of a partnership or other unincorporated firm, the Agent shall promptly advise the Agency Administrator who shall place the Agent on a Cash Basis and notify the Agent and all Members. However, in order to preserve the goodwill of the Agent as far as possible, the Agency Administrator may, at the request of the person entitled to represent the decedent's estate (in the case of a sole ownership) or of the remaining member of the partnership or other unincorporated firm, enter into a temporary Sales Agency Agreement with the requesting party, reinstate credit facilities and advise Members accordingly. The temporary Sales Agency Agreement shall be in the same form and have the same effect as a Sales Agency Agreement except that:

11.9.1.1 if the Agency Administrator at any time has reason to believe that the financial situation of the estate, partnership or other unincorporated firm is unsatisfactory, he shall give the Agent notice of termination of the temporary Sales Agency Agreement and notify all Members accordingly,

11.9.1.2 if prior to the date of termination of the temporary Sales Agency Agreement the estate or partnership or other unincorporated firm submits evidence of a satisfactory financial situation, the termination shall not take effect and the Agency Administrator shall notify the Agent and all Members that credit facilities may be reinstated,

11.9.1.3 if the termination of the temporary Sales Agency Agreement takes effect, the Agency Administrator shall remove the Agent from the Agency List and notify the Agent and all Members accordingly. Upon receipt of such notice, Members shall take the same action as required on removal of an Agent from the Agency List;

11.9.2 if the person entitled to represent the estate of the decedent proposes to transfer or to confirm the transfer of the decedent's interest in the Agent to an heir, legatee or other person, or notifies that the decedent's interest is withdrawn from the partnership or other unincorporated firm, such transfer or withdrawal shall be deemed a change of ownership for purposes of this Section. The signatory of the temporary Sales Agency Agreement and the transferee shall jointly give notice to the Agency Administrator as required under Subparagraph 11.3.1 of this Section and thereafter the provisions of

Paragraphs 11.3, 11.6, 11.7 and 11.8 of this Section shall apply;

11.9.3 subject to earlier termination under the provisions of Subparagraph 11.9.1 or 11.9.2 of this Paragraph, a temporary Sales Agency Agreement with the representative of the estate of a deceased sole owner shall terminate if such representative ceases to carry on the Agent's business at the Location covered by the Agreement.

11.10 DEATH OF STOCKHOLDER

11.10.1 in the event of the death of a Stockholder holding 30% or more of the total issued Stock of a corporate body (or in whom control of the Agent is vested), the Agent shall promptly advise the Agency Administrator who shall notify all Members accordingly and request the Agent to submit current financial statements:

11.10.1.1 if the financial situation of the Agent is found to be satisfactory, the Agent may continue to do business with Members as an Accredited Agent,

11.10.1.2 if the financial situation of the Agent is found to be unsatisfactory, the Agency Administrator shall give the Agent notice of termination of the Sales Agency Agreement, provided that if the Agent demonstrates to the Agency Administrator prior to the termination date that it meets the Local Financial Criteria the termination shall not take effect;

11.10.2 if the person entitled to represent the decedent's estate proposes to transfer or to confirm the transfer of the decedent's interest in the Agent to an heir, legatee or other person, such transfer shall be deemed a change of ownership for purposes of this Section. The Agent shall give notice to the Agency Administrator as required under Subparagraph 11.4.1.1 of this Section and the provisions of Paragraphs 11.4, 11.6 and 11.7 of this Section shall apply.

11.11 CHANGE OF NAME

11.11.1 if an Agent proposes to change its name it shall, before effecting the change, notify the Agency Administrator of the proposed new name and request approval of the change. The Agency Administrator shall promptly direct the Secretary of the Agency Investigation Panel concerned to place the request on the agenda of the next meeting of the Panel. If the Agency Investigation Panel by two-thirds majority vote recommends approval of the change of name it shall so advise the Agency Administrator who shall approve the change, record the new name on the Agency List and in the Agent's Agreement and notify the Agent and all Members;

11.11.2 if the Agency Investigation Panel does not reach a two-thirds majority vote recommendation the Agency Administrator shall disapprove the request and give the Agent notice of termination of the Sales Agency Agreement, and notify all Members accordingly. Such termination shall not take effect if, prior to the date of termination, the Agent reverts to its approved name or the

Agency Administrator is able to approve the application for change of name.

11.12 MOVE OF APPROVED LOCATION TO A NEW LOCATION

11.12.1 when an Accredited Agent moves from an Approved Location to another location not so approved, in the same market, such Agent shall:

11.12.1(a) as far in advance as possible and in any case before effecting the move, notify the Agency Administrator,

11.12.1(b) submit as soon as practicable two photographs of the interior and exterior of the new location,

11.12.2 the Agency Administrator shall promptly direct the Secretary of the Agency Investigation Panel to place the matter on the agenda of the next meeting of the Panel. The authority to act as an Accredited Agent shall continue to apply to the new location provided that the move from the Approved Location to the new location is effected on, but in no event more than five working days later than, the date the Approved Location is closed, until the Agency Investigation Panel has determined by two-thirds majority vote that the new premises satisfy the criteria set out in Section 2 of these Rules. If the Agency Investigation Panel does so determine the Agency Administrator shall notify the Agent and all Members that the authority of the Agent to act as an Accredited Agent shall apply to the new location;

11.12.3 if the Agency Investigation Panel does not achieve such two-thirds majority determination, the authority of the Agent to act as an Accredited Agent shall not apply to the new location. The Agency Administrator shall give the Agent notice of termination of the Sales Agency Agreement or of removal from the Agency List and notify all Members accordingly. Such termination shall not take effect if prior to the date of termination, the Agency Administrator is able to approve the application for change of location.

11.12.4 Change of Head Office Location to another Market

In the event a Head Office Location changes from one market to another without prior notification, the Agency Administrator shall take action to remove the Agent's Electronic Ticketing Authority pending review of its changed circumstances and evidence confirming its principal place of business for the Head Office and compliance with the Local Financial Criteria applicable to the market concerned. Such removal of the Agent's Electronic Ticketing Authority may lead to removal from the Agency List and termination of the current Passenger Sales Agency Agreement until such time as a new application for accreditation, complying with all Local Financial Criteria in the other market, is reviewed and approved and a new Passenger Sales Agency Agreement has been signed with the Head Office legal and business entity in the new market.

11.13 SALE OF LOCATION TO ANOTHER ACCREDITED AGENT

in the event that an Agent sells a Location to another Agent the latter shall give notice to the Agency Administrator as required under Subparagraph 11.4.1.1 of this Section and thereafter the provisions of Paragraphs 11.4, 11.6 and 11.7 of this Section shall apply.

11.14 SALE OF BRANCH OFFICE LOCATION TO AN OUTSIDE PARTY

in the event the Agent ('the transferor') sells a Branch Office Location to another person who is not an Agent ('the transferee') the provisions of Paragraphs 11.3, 11.5, 11.7 and 11.8 of this Section shall apply.

11.15 LATE NOTIFICATION OR ABSENCE OF NOTIFICATION OF CHANGE

11.15.1 if the notification and, when required, the completed application in respect of a change of ownership or status is not received by the Agency Administrator or is received after the change has taken place, the Agency Administrator shall remove the Agent from the Agency List and notify the transferor (in the case of changes pursuant to Subparagraph 11.2.1 of this Section) or the Agent (in the case of changes pursuant to Subparagraph of 11.3 of this Section) that its Sales Agency Agreement is terminated as of the date of change. The Agency Administrator shall notify all Members accordingly and the provisions of Paragraph 14.4 of Section 14 of these Rules shall apply. The application from the transferee, if any, shall be processed in accordance with the provisions of Section 4 of these Rules;

11.15.2 failure to notify the Agency Administrator of a change of name within 30 days of it being made can result in a Notice of Irregularity being issued and a review to ensure such Agent continues to meet the Accreditation criteria. The notice of irregularity and the cost of undertaking the review, which shall be paid for by the Agent, will be confirmed in writing. If within 30 days the Agent does not revert to its Approved name or submit the required application for a change of name then the Agent shall be given notice of termination of the Sales Agency Agreement; provided that if prior to the date of termination the Agent reverts to its approved name or the Agent submits the requisite application for the change of name and the Agency Administrator is able to approve the application, the termination shall not take effect;

11.15.3 failure to notify the Agency Administrator of a change of location within 30 days of the change being made can result in a Notice of Irregularity being issued and a review to ensure such Agent continues to meet the accreditation criteria. The Notice of Irregularity and the cost of undertaking the review, which shall be paid for by the Agent, will be confirmed in writing. If the report is unfavourable the Agent shall be given notice of termination of the Sales Agency Agreement or of removal from the Agency List in the case of a Branch Office Location; provided that if prior to the date of termination or removal the Agency Administrator is able to approve the

application for change of location, the termination or removal shall not take effect.

11.16 AGENTS WITH APPROVED LOCATIONS IN A BILLING AND SETTLEMENT PLAN AREA

if any change pursuant to this Section is to be effected by an Agent with an Approved Location in the area of a Billing and Settlement Plan the Agency Administrator when giving any notice to Members required under the foregoing provisions of this Section shall give a copy of such notice to ISS Management and to all Airlines.

13.2.2 Unless otherwise agreed by the parties, the language of the arbitration shall be English, but at the request of a party, documents and testimony shall be translated into such party's native language.

13.2.3 The place of arbitration shall be in the country of the Approved Location concerned or the location under application, as the case may be, unless otherwise agreed by the parties. Notwithstanding the foregoing, in the event that the laws of such country are inconsistent with the effect of subparagraph [13.2.5](#) herein, then in the case of a Decision rendered with respect to Area 1, the place of arbitration shall be, at the election of the claimant, either Montreal, Quebec or Miami, Florida; in the case of a Decision rendered with respect to Area 2, the place of arbitration shall be Geneva, Switzerland; and in the case of a Decision rendered with respect to Area 3, the place of arbitration shall be, at the election of the claimant, either Singapore or Sydney, Australia.

13.3 COMMENCEMENT OF THE PROCEEDING

13.3.1 Arbitration proceedings pursuant to this [Section 13](#) shall be commenced no later than thirty (30) calendar days from the date of the Travel Agency Commissioner's award.

Section 14—Measures Affecting an IATA Agent's Standing

14.1 EFFECT OF REMOVAL

when an Agent or an Approved Location is to be removed from the Agency List in accordance with any of the provisions of these Rules:

14.1.1 the Director General shall by notice in writing to the Agent terminate the Agent's Sales Agency Agreement or exclude the Location from the application of the Agreement;

14.1.3 a new application for approval of the Agent or the Location shall not be accepted within six months from the date of removal from the Agency List.

14.2 VOLUNTARY RELINQUISHMENT

14.2.1 an Accredited Agent may voluntarily relinquish its accreditation in respect of all or any of its Approved Locations at any time by notifying in advance the Agency Administrator or the Secretary of the Agency Investigation Panel in writing. If the latter is notified the Secretary shall advise the Agency Administrator who shall in turn notify all Members;

14.3 OTHER MEASURES AFFECTING OPERATION OF AGENT

14.3.1 when an Agent is declared bankrupt, placed in receivership or judicial administration, goes into liquidation or becomes subject to any other similar legal procedure affecting its normal operation, the Agency Administrator shall, when allowed by the provisions of applicable law at the Agent's place of business, remove the Agent from the Agency List and notify all members of the action being taken;

14.3.2 notwithstanding the provisions contained in Paragraph 4 of Resolution 824, when evidence is produced that an Agent uses its IATA accreditation to engage in, and profit from, activities which, if associated with IATA, may prove detrimental to the good standing of IATA, the Agency Administrator may remove the Agent from the Agency List and notify all members of the action being taken. The Agency Administrator shall give notice to the Agent and such removal shall be without prejudice to fulfilment by the Agent and each of the Members having the Agent under appointment of all obligations accrued up to the date of removal from the Agency List.

14.4 EFFECT OF REMOVAL IN BILLING AND SETTLEMENT PLAN AREAS

The provisions of Paragraphs 14.1 or 14.2 of this Section, as the case may be, shall apply except that ISS Management shall withdraw all Standard Traffic Documents supplied by ISS Management to the Agent or the Approved Location concerned and in cases of removal or voluntary relinquishment ISS Management shall require an immediate accounting and settlement of all monies due under the Billing and Settlement Plan by the Agent or the Approved Location concerned.

14.5 LICENCE TO TRADE

in addition to actions affecting an Agent's IATA status which may be taken pursuant to these Rules, the application of the Sales Agency Agreement to any Location of an Agent and the capacity of such Agent to do business with Members may be affected by termination, suspension or other condition relating to the Agent's licence to trade (where this is officially required) imposed by the government authorities of the place where the Location is situated. In such case, the Agency Administrator shall promptly notify all Members, with copy to the Agent, of the effects of such government action.

14.6 REINSTATEMENT AFTER TERMINATION

14.6.1 In the event the Agent is removed from the Agency List in accordance with any of the provisions of these Rules, IATA may reinstate the Agent to the Agency List within the following 60 days of its termination, provided that the below conditions are met. In such event the BSP Airlines may, at their individual discretion, provide the Agent with Ticketing Authority and IATA will advise all System Providers that the Agent may have access to Standard Traffic Documents:

- (a) All Accountable Transactions for any current or future Billing Period(s) as well as any outstanding amount related to Charges, as specified in [Resolution 832, section 1.7.1](#) are settled; and
- (b) when applicable, the Financial Security held prior to the termination is re-issued and valid in accordance with [Resolution 850p](#).

14.7.1 An IATA Accredited Agent may use the logo on its letterhead and publicity materials exactly as illustrated in the Travel Agents Handbooks. No other forms of IATA logo are authorised for Agent use.

14.7.2 The use of the logo is permitted only in connection with activities of an IATA Accredited Agent's Approved Locations.

14.7.3 The IATA logo may not be used in any way to misrepresent an existing industry service such as the IATA Travel Agent Identity (ID) Card.

14.8 FORCE MAJEURE

The Agent shall not be liable for delay or failure to comply with the terms of the Passenger Sales Agency Agreement to the extent that such delay or failure (i) is caused by any act of God, war, natural disaster, strike, lockout, labor dispute, work stoppage, fire, third-party criminal act, quarantine restriction, act of government, or any other cause, whether similar or dissimilar, beyond the reasonable control of the Agent, and (ii) is not the result of the Agent's lack of reasonable diligence (an "excusable delay"). In the event an excusable delay continues for seven days or longer, the Agency Administrator may terminate this Agreement by giving the Agent whose performance has failed or been delayed by the excusable delay at least thirty days' prior written notice of such election to terminate.

Section 15—Indemnities and Waiver

15.1 the Agent agrees to indemnify and hold harmless the Member, its officers and employees from all damage, expense or loss on account of the loss, robbery, theft, burglary, fraudulent issue or misuse of Traffic Documents supplied to the Agent pursuant to these Rules, which Traffic Documents have not been duly issued by the Agent; provided that the Agent shall be relieved of liability in respect of any damage, expense or loss incurred or suffered by the Member resulting from such event if the Agent can demonstrate that at the material time it met minimum security standards as prescribed in [Section 6](#) of these Rules, and that such unlawful removal was immediately reported in accordance with the requirements of these Rules, or fraudulent issue or misuse of such Traffic Documents resulted solely from the action of persons other than the Agent, its officers or employees.

15.2 the Agent recognises that Members (whether acting individually or collectively), the Director General, the Agency Administrator and ISS Management are required to issue notices, give directions, and take other action pursuant to these Rules and other applicable Resolutions, including in the circumstances therein provided giving notices of irregularity and default, notices of alleged violations and notices of grounds for removing an Agent or any of its Locations from the Agency List. The Agent waives any and all claims and causes of action against any Member and IATA and any of their officers and employees for any loss, injury or damage (including damages for libel, slander or defamation of character) arising from any act done or omitted in good faith in connection with the performance of any of their duties or functions under these Rules and other applicable Resolutions, and indemnifies them against such claims by the Agent's officers, employees or any other person acting on the Agent's behalf.

6.5.2.2 Where the Agent receives Billings in more than one currency the Agent must remit in the currency of each relevant Billing.

6.5.2.3 Any transactions not processed in previous Reporting Periods will be included in the next Billing.

6.5.2.4 The Agent shall remit, by the Remittance Date the amount specified on the Billing for the Remittance Period under settlement. If, exceptionally, the Agent has not received such Billing by the Remittance Date the Agent shall:

- (a) on the Remittance Date, remit the amount its records indicate is owing in respect of such Remittance Period or, in a direct debit situation, the amount determined by ISS Management, and
- (b) immediately upon receipt of the delayed Billing, remit any shortage between the remittance made pursuant to Subparagraph 6.5.2.4(a) above and the amount of the Billing.
- (c) if the Agent fails to remit any such shortage immediately it shall be deemed to be an overdue remittance and Irregularity and Default procedures shall apply in accordance with Subparagraph 6.6.3.

6.5.3 Frequency of Remittance

6.5.3.1 The Conference will establish the standard Remittance Frequency and, if considered appropriate, any additional more frequent Remittance Frequencies for Agent remittances in each market. The relevant Remittance Date will be communicated to all Agents participating in each BSP.

6.5.3.2 The Remittance Frequencies and any exceptions as adopted by the Conference in accordance to 6.5.3.1 applicable to each market are reflected in Attachment 'I' of this Resolution.

6.5.3.3 The standard Remittance Frequency will not be less than twice each calendar month, and may be at such greater frequency as the Conference determines. Where applicable, the more frequent Remittance Frequency will not be the same or less than the standard Remittance Frequency of the relevant market, as determined by the Conference.

6.5.3.4 The Agent may remit at such greater frequency than the standard or more frequent Remittance Frequency which would otherwise be applicable to the Agent by providing IATA with a Notice of Change and the execution of a Voluntary More Frequent Remittance Request in the form set out in [Attachment 'D'](#). IATA will notify all BSP Airlines when such greater Remittance Frequency takes effect.

6.5.3.5 If the Remittance Frequency is twice monthly, remittances must be made by the Agent so as to reach the Clearing Bank no later than its close of business on the date which is:

- (a) the last day of the calendar month, in respect of Billings covering the first 15 days of the month; and
- (b) the 15th day of the following calendar month, in respect of Billings covering the period from the 16th to the last day of the calendar month.

6.5.3.6 If the Remittance Frequency is greater than twice monthly, remittances must be made by the Agent so as to reach the Clearing Bank no later than its close of business on:

- (a) the date which is the fifth working day following the Reporting Date; or
- (b) such date approved by the Conference for application in a specific market.

6.5.3.7 The Conference acknowledges that a BSP Airline may establish an individualised Remittance Frequency in accordance with:

- (a) a bilateral agreement between the BSP Airline and the Agent; or
- (b) applicable law;

which will:

- (c) override the Remittance Frequency approved for a market; and
- (d) be subject to all terms and conditions contained in this Resolution including sections [6.6](#) and [6.9](#). In the event of an overdue or dishonoured remittance under an individualised frequency, the Agent will be subject to a Notice of Adjusted Risk Event and, where applicable, Payment Default action.

△ **6.5.3.8** The Agent must, in all cases, use a method of remittance which ensures that Cleared Funds are received in the Clearing Bank account no later than the Remittance Date established under the provisions of this section [6.5.3](#).

△ **6.5.3.9** If the Clearing Bank is closed for all business (including business transacted through its online platform or Direct Debit) on the Remittance Date established under the provisions of this section [6.5.3](#), the remittance must be made by the Agent so that Cleared Funds are in the Clearing Bank account no later than the first

subsequent day that the Clearing Bank is open for any method of business.

6.5.3.10 Each APJC must evaluate the period between the Reporting Date and the Remittance Date in their market at least once per annum taking into account the best practice for financial transactions in that market and any local conditions that may apply and using as a best practice guideline the periods set out in section [6.5.3](#) for the applicable Remittance Frequency. This provision will not apply to markets where a best practice has been adopted.

6.6 RISK EVENTS AND PAYMENT DEFAULTS

6.6.1 General Procedures

6.6.1.1 This section sets out the provisions governing Adjusted Risk Events and Payment Defaults. The Agent will also be liable for any charges arising from Adjusted Risk Events and Payment Defaults.

6.6.1.2 The Conference may provide for variations from BSP to BSP in respect of charges applicable upon the occurrence of Adjusted Risk Events and Payment Defaults as set out in section [5](#).

6.6.1.3 For the purposes of this section [6](#), where IATA issues a demand for payment, including in the form of a Notice of Adjusted Risk Event, the Agent must remit monies due so that they are received in the Clearing Bank account as Cleared Funds by the end of the next day on which it is open for business. A demand for payment arising from a Notice of Payment Default is due immediately.

6.6.1.4 A Notice of Adjusted Risk Event or Notice of Payment Default will be sent to the Agent in writing via the IATA Customer Portal and will set out the specific circumstances causing the Adjusted Risk Event or Payment Default.

6.6.2 Charges

6.6.2.1 The Conference will establish any cost recovery charges to be levied on the Agent, including:

- (a) Administrative charges as set out in [Attachment 'H'](#) of this Resolution for:
 - (i) an excessive number of voided Standard Traffic Documents, as determined from time to time by IATA in consultation with airlines participating in the local BSP and the respective Agency Programme Joint Council; and/or
 - (ii) any other failures to comply with BSP procedures and instructions, which generate additional cost to IATA or airlines participating in the local BSP,

where the amount of these charges will be determined by the Conference and then notified by IATA to all Agents in the BSP; and

- (b) Clearing Bank charges for the amount debited to IATA by the Clearing Bank as a result of the Agent's

failure to remit in accordance with this Resolution and the BSP Manual for Agents.

6.6.2.2 All charges levied on the Agent in accordance with this section 6.6.2 must:

- (a) except as otherwise specified, be included by IATA in its first subsequent Billing to the Agent and will be due by the Agent by the Remittance Date; and
- (b) for the purpose of section 6.9.2.1(c), be deemed to be part of All Amounts Owing by the Agent.

6.6.2.3 IATA will publish in the Local Procedures the above charges and notify the Agent of any charges being included in its Billing.

6.6.3 Risk Event—Late or Short Payment

6.6.3.1 If:

- (a) the Clearing Bank does not receive the remittance due by the Remittance Date;
- (b) there is a shortage in respect of the remittance received by the Clearing Bank; or
- (c) the remittance received by the Clearing Bank is dishonoured on or after the Remittance Date,

IATA will demand immediate payment from the Agent, including any Clearing Bank charges incurred, by sending the Agent a Notice of Adjusted Risk Event in accordance with section 6.8.

6.6.3.2 If correct payment is not received by the Clearing Bank by the deadline referred to in section 6.6.1.3, IATA will immediately issue a Notice of Payment Default with respect to the Agent in accordance with section 6.9.

6.6.3.3 In addition to any action prescribed in this section 6.6.3, IATA will debit the Agent for costs incurred as a consequence of the late or dishonoured remittance.

6.6.3.4 If it is established that such non-payment was due to a bona fide bank error, as provided for in section 6.6.5, and remittance of All Amounts Owing is received by the Clearing Bank by the deadline referred to in section 6.6.1.3, the Risk Event of late or short payment will be withdrawn.

6.6.3.5 If it is established that such non-payment was due to a bona fide bank error, as provided for in section 6.6.5, and remittance of All Amounts Owing is received by the Clearing Bank after the issue of a Notice of Payment Default, the Risk Events of late or short payment and of Payment Default will be withdrawn.

6.6.4 Risk Event of Payment in the Wrong Currency

6.6.4.1 If the Clearing Bank does not receive the remittance, in the same currency as the Billing to the Agent in the correct amount by the Remittance Date, IATA will demand immediate payment from the Agent for the correct amount in the Billing currency, including any Clearing Bank charges incurred, by sending to the Agent a Notice of Adjusted Risk Event in accordance with section 6.8.

6.6.4.2 If the Clearing Bank does not receive the remittance for the correct amount in the Billing currency by the deadline referred to in section 6.6.1.3, IATA will immediately issue a Notice of Payment Default to the Agent in accordance with section 6.9.

6.6.4.3 In addition to any action prescribed in this section 6.6.4, IATA will debit the Agent for costs incurred as a consequence of the payment in the wrong currency.

6.6.4.4 If it is established that such payment in the wrong currency was due to a bona fide bank error, as provided for in section 6.6.5 and remittance of All Amounts Owing is received by the deadline referred to in section 6.6.1.3, the Risk Event of payment in the wrong currency will be withdrawn.

6.6.4.5 If it is established that such payment in the wrong currency was due to a bona fide bank error, as provided for in section 6.6.5, and remittance of All Amounts Owing is received by the Clearing Bank, but after the issue of a Notice of Payment Default, the Risk Events of payment in the wrong currency and of Payment Default will be withdrawn.

6.6.5 Bona Fide Bank Error

For a maximum of four times in a period of 12 consecutive months, the following bona fide bank error provisions may be invoked. This limit excludes instances where the Agent's bank has suffered from a disruption of service due to circumstances outside of its control and resulting in its inability to provide the required services to an Agent.

6.6.5.1 A bona fide bank error is when the Agent's bank fails to honour the availability of funds for remittance through a valid line of credit or other written arrangement, dated and executed between the bank and the Agent prior to the Remittance Date, or otherwise, fails to honour the availability of sufficient funds for immediate withdrawal in the Agent's account on the Remittance Date.

6.6.5.2 The bona fide bank error must be substantiated by evidence acceptable to IATA for the purposes of section 6.6.5.1 in the form of a bank letter provided to IATA from the Agent's bank meeting the following criteria:

- (a) the bank letter must be sent to IATA within 10 working days of the dishonoured Remittance by registered post, courier, fax, or as a scanned copy via email stating the nature of the error and reason for the delay in remittance;
- (b) the bank letter must be signed by a manager at the bank, including specification of name and job title or designation; and
- (c) the bank letter must confirm that the Agent had sufficient available funds on the Remittance Date in the stipulated bank account(s), stating the account name and the account number(s).

6.6.5.3 If IATA is satisfied that the non-receipt by the Clearing Bank of a remittance by the Remittance Date is due to bona fide bank error, then IATA will not invoke the provisions of this section 6.6.

6.6.6 Default due to Common Ownership

6.6.6.1 The Risk Event of a Default due to common ownership will occur when:

- (a) the Agent or any of its Associate Entities has an owner, director or person in a position of management in common with another Agent that has incurred a Payment Default in accordance with the provisions of this section 6.6; or
- (b) the Agent is also accredited as an IATA Cargo Agent and has been declared in Default.

6.6.6.1.2 If the Risk Event of a default due to common ownership occurs, IATA will apply the provisions of section 6.9.

6.6.7 Disputed Agency Debit Memo

The provisions of this paragraph should be read in conjunction with the provisions concerning ADMs as provided in [Resolution 850m](#).

6.6.7.1 an Agent may for reason dispute an ADM, except for an ADM issued as a means to collect credit card chargebacks in accordance to [Resolution 890 section 4.7](#),

6.6.7.2 an Agent shall have a maximum of 15 days in which to review and dispute an ADM prior to its submission to BSP for inclusion in the Billing,

6.6.7.3 when an ADM is disputed prior to it being submitted to the BSP for processing, it will be recorded as disputed, and will not be included in the Billing,

6.6.7.4 if an Agent disputes an ADM within the minimum dispute period it shall be suspended from the BSP process and settlement of the dispute will be for resolution between the Agent and Airline concerned:

- (a) in the event an Agent disputes an ADM and, after agreement between the Airline and the Agent, it is determined that the purpose of that ADM was correct, the Airline will advise the Agent and the BSP accordingly and the ADM as originally submitted will be processed. All subsequent disputes of such ADM must be dealt with according to the process as described in this [Resolution 812, Section 6.10](#),
- (b) if as a result of an Agent dispute it is determined after agreement between the Airline and the Agent that the ADM needs adjustment, the Airline will submit to the Agent and the BSP the adjusted ADM, in the form of a new ADM, in which case only the new ADM shall be processed,
- (c) all disputes are to be settled by the Airline within 60 days of receipt. Once the status of the ADM dispute has been set, notwithstanding if the 60 days have been reached or not, all subsequent disputes of such ADM must be dealt with according to the process as described in this [Resolution 812, Section 6.10](#),

6.6.7.5 an ADM that has been included in the BSP Billing will be processed for payment. All subsequent disputes of such ADM, must be dealt with according to the process as described in this [Resolution 812, Section 6.10](#),

6.6.7.6 If after 60 days of receipt of a disputed ADM by an Airline the dispute has not been settled, such ADM will no longer be suspended and will be withdrawn from the BSP process,

6.6.7.7 Such ADM dispute is now for bilateral resolution between the Airline and the Agent.

6.6.7.8 No more than one ADM must be raised in relation to one original ticket issuance. When more than one ADM is raised in relation to the same ticket it must be specified that it is for a different adjustment than previous.

6.7 PREJUDICED COLLECTION OF FUNDS

6.7.1 Where the Agency Administrator Believes that the Agent's Ability to Pay is Prejudiced

6.7.1.1 This section [6.7.1](#) governs the procedures for the protection of All Amounts Owing to all BSP Airlines by the Agent in situations where the Agency Administrator believes that the ability or intent of the Agent to remit All Amounts Owing to BSP Airlines is in doubt.

6.7.1.2 In the event that the Agency Administrator receives written information, which is substantiated to the satisfaction of the Agency Administrator, leading to the belief that the ability of any BSP Airline to collect All Amounts Owing from the Agent may be prejudiced, and/or an Agent's funds at risk are not covered by a Financial Security, or that any Financial Security provided does not sufficiently cover those funds taking into account reasonable variations in sales levels, the Agency Administrator may review the circumstances of the Agent and may take any of the following actions:

- (a) demand an immediate accounting and settlement of monies due by the Agent and/or require the Agent to restrict the issuance of Standard Traffic Documents to the Customer Card Payment Method and/or IEP only;

6.7.1.4 If requested to undertake a review in accordance with section [6.7.1.3](#), the Travel Agency Commissioner will commence a review under the terms of review by Travel Agency Commissioner of the applicable Passenger Sales Agency Rules within three working days from receipt of such a request. Pending the results of this review, the Agent may within 30 days of the date on which Ticketing Authority was removed or the date when the review was commenced, whichever is the later, apply for interlocutory relief to stay the removal of Ticketing Authority in accordance with [Resolution 820e](#). Before granting an interlocutory order under this section [6.7.1.4](#), the Travel Agency Commissioner will require the Agent to provide a Financial Security in accordance with [Resolution 820e](#).

6.7.1.5 If the review of the Travel Agency Commissioner confirms the basis of the prejudiced collection of funds, a Risk Event will be registered against the Agent in its Risk History for 12 months following the date of IATA's invocation of the prejudiced collection of funds action.

6.7.1.6 If payment under section [6.7.1.2](#) is not received on demand by the deadline referred to in section [6.6.1.3](#), the Agency Administrator will immediately notify the Agent and issue a Notice of Payment Default with respect to the Agent in accordance with the provisions of section [6.9](#).

6.7.1.7 IATA has the right to conduct a review or other investigation of the Agent's Customer Card Payment Method and Alternative Transfer Method transactions in the BSP to verify the Agent's compliance with the applicable Resolutions and consent(s) given by individual BSP Airline(s) for specific Alternative Transfer Methods. If a situation of potential non-compliance is detected by IATA, the Agency Administrator may notify individually the BSP Airline(s) concerned and make this information available to the Agent. This notice shall be unsubstantiated and no further details will be provided by IATA.

6.7.1.8 In the event a review or other investigation reveals a persistent failure by the Agent to comply with [Resolution 812a](#) and/or [Resolution 890](#), the Agency Administrator may restrict on an ad interim basis authorisation to use the Customer Card Payment Method and Alternative Transfer Methods and request in writing an immediate review by the Travel Agency Commissioner.

Pending the results of the review, the Agent may within 30 days of the date when the review was initiated apply pursuant to [Resolution 820e](#) for interlocutory relief staying the restriction of the Agent's use of Customer Card Payment or Alternative Transfer Method. Upon reinstatement, use of Alternative Transfer Methods will be subject to the individual consent of the BSP Airline(s) affected.

6.7.1.10 Upon completion of the review, the Travel Agency Commissioner will either (i) order the reinstatement of the Agent's authorisation to use the Customer Card Payment Method and/or Alternative Transfer Method(s), or (ii) maintain the restriction of the Customer Card Payment Method and/or Alternative Transfer Method(s) until the Agent has demonstrated to IATA's satisfaction that the non-compliance has been remedied.

6.7.2 Where an Individual BSP Airline Believes that the Agent's Ability to Pay is Prejudiced

6.7.2.1 This section [6.7.2](#) governs the procedures for the protection of amounts owed to an individual BSP Airline by the Agent in situations where the BSP Airline believes that the ability or intent of the Agent to pay All Amounts Owing to that BSP Airline is in doubt.

6.7.2.2 In circumstances where a BSP Airline, acting independently, determines that its ability to collect All Amounts Owing from the Agent to the BSP Airline may be prejudiced (such as where a Head or an Associate Entity is declared insolvent, bankrupt, is placed in receivership or judicial administration, goes into liquidation or becomes subject to any other similar legal process affecting its normal operation), the BSP Airline may, by written notice to the Agent, notify the Agent that it has concluded that its ability to collect is prejudiced and demand immediate payment of all such amounts provided that the BSP Airline first advises IATA in writing of its intention to issue such a notice.

6.7.2.3 Upon the issue of a notice in accordance with section [6.7.2](#), all amounts specified in the demand notice are immediately due and payable by the Agent to the BSP Airline.

6.8 PROCEDURES FOR ISSUE OF NOTICE OF ADJUSTED RISK EVENT

6.8.1.1 This section [6.8](#) establishes the procedures when IATA issues a Notice of Adjusted Risk Event to the Agent following the Risk Event of a late or short payment or a payment in the wrong currency, in accordance with the provisions of section [6.6.3](#) or [6.6.4](#).

6.8.1.2 IATA will immediately send a Notice of Adjusted Risk Event to the Agent in accordance with section [16](#) of Resolution 824. In addition, a copy of the Notice of Adjusted Risk Event will be sent to the Agent via the IATA Customer Portal.

6.8.1.3 The Agent may within 30 days of the date of the Notice of Adjusted Risk Event invoke the procedures set out in [Resolution 820e](#) for review of IATA's action by the Travel Agency Commissioner. The Agent may also invoke such review procedures in any case where a charge is applied to the Agent under section [6.6.2](#). Where a review under this section [6.8.1.3](#) is pending and the Risk Event of a Payment Default occurs, the Agent may apply to the Travel Agency Commissioner for interlocutory relief pursuant to section [6.9.2.2](#) and subject to the conditions contained in that section.

7.2.3 Any BSP Airline having issued a Ticketing Authority to an Agent, may cancel such authority in respect of the agent, or any Location of the Agent by so notifying the Agent in writing or by updating the relevant information online through the BSPlink system.

7.3 MEMBERS NOT PARTICIPATING IN THE BSP

7.3.1 A Member which does not participate in the BSP and wishes to conduct business with Accredited Agents, will do so in accordance with the provisions of the Passenger Sales Agency Agreement, in which case that agreement and the Travel Agent's Handbook will govern the relationship between the Member and the Agent.

If the Agent believes that the Reasons are unreasonable then the Agent may notify the BSP Airline in writing that the Agent requires further clarification and seek to resolve the issue with the BSP Airline. If the issue is not resolved within 30 days of such a notice being issued, the Agent may invoke [Resolution 820e](#) for a review of the BSP Airline's decision by the Travel Agency Commissioner.

7.6.2 If a BSP Airline's decision to withdraw its Ticketing Authority provided to the Agent was made in application of the collective provisions of this Resolution, the Agent's right to invoke a review by the Travel Agency Commissioner will not be exercised against the BSP Airline individually but as set forth in such collective provisions of this Resolution and pursuant to [Resolution 820e](#).

7.7 REVIEW OF CONFERENCE DECISION

7.7.1 Notwithstanding the provisions of Paragraph 2.3 of the Passenger Sales Agency Agreement, the Agent which considers itself aggrieved by the incorporation into its Agreement of amendments made to IATA Resolutions by the Conference, may, within 30 days' receipt of IATA's notification of such amendments, invoke [Resolution 820e](#) for a review of the Agent's grievance by the Travel Agency Commissioner pursuant to section 1.4.9 of Resolution 820e.

8.5.1 A BSP Airline which has incurred a loss due to unauthorised or improper issuance, alteration of original entries or falsification of entries made in Standard Traffic Documents issued in its name, where the issuance, alteration or falsification of entries may reasonably be attributed to the Agent, may request IATA to investigate the circumstances.

8.5.2 When such a request is received under section 8.5.1, IATA will immediately contact the Agent to investigate the circumstances.

8.5.3 If IATA, having carried out an investigation of the circumstances, including taking into account the Agent's explanation, concludes that the circumstances may reasonably be attributed to the fault of the Agent, whether intentional, or negligent, or through the unauthorised act of an employee, or otherwise, the Agent will be accountable to the BSP Airline for the amount of the attributable loss.

8.5.4 If the Agent demonstrates to the satisfaction of IATA that the circumstances were attributable to an employee who acted without the knowledge or complicity of the Agent, IATA will require the Agent to make good the loss of revenue to the BSP Airline within a period prescribed by IATA. If the Agent fails to make good the loss of revenue to the BSP Airline within the prescribed period, IATA will refer the matter to the Travel Agency Commissioner with a request for review and action.

9.4 CONDITIONS FOR PAYING COMMISSION

9.4.1 Where commission is payable to the Agent by a BSP Airline the amount of the commission shall be calculated on the amount of the fares applicable to the air passenger transportation.

9.4.2 The 'fares applicable' are the fares (including fare surcharges) for the transportation in accordance with the BSP Airline's tariffs and will exclude any charges for excess baggage or excess valuation of baggage as well as all taxes, fees and charges collected by the Agent.

10.1.4.2 Change of Shareholding

10.2.1 Minor Change of Shareholding for Corporations and Limited Liability Companies

10.2.1.1 An Agent structured as a corporation or limited liability company must notify IATA when there is a disposal or acquisition of shares, even when such disposal or acquisition does not result in a change in control, as defined in section 10.1.4.2. This change does not require execution of a new Passenger Sales Agency Agreement, provided that the change does not alter the Agent's legal nature with respect to its responsibilities and obligations under applicable law.

10.2.1.2 An Agent structured in a way other than as a corporation or a limited liability company must follow the provisions set out in section 10.3 for changes to their ownership structure.

IATA will determine if the Agent is in compliance with the Local Financial Criteria and any local legal requirements. The Agent will be required to submit a new application for accreditation and execute a new Passenger Sales Agency Agreement for its new market/region.

10.11 LATE NOTIFICATION OR ABSENCE OF NOTIFICATION OF CHANGE

Reference is made to the Passenger Sales Agency Agreement (PSAA) signed by the above-mentioned travel agent (the Agent) and, through IATA, each IATA Member and Airline participating in the Billing and Settlement Plan (BSP) which has appointed the Agent pursuant to the ‘Sales Agency Rules’ incorporated by reference in the PSAA.

RESOLUTION 812

Attachment 'E'

MULTI-COUNTRY FINANCIAL CRITERIA

1. GENERAL RULES

- △ 1.1 To be eligible for Multi-Country Accreditation, the Agent must apply for and maintain accredited locations in multiple countries governed by [Resolution 812](#) except for China.
- △ 1.2 The Agent may not include under its Multi-Country Accreditation locations in countries governed by [Resolution 800](#) or locations in the People's Republic of China.
- 1.3 The Agent holding Multi-Country Accreditation must comply with the provisions of [Resolution 812](#). In addition, the Agent must comply with all applicable local accreditation and legal requirements in those countries where it maintains accredited locations.

2. FINANCIAL EVALUATION

Annual Assessment

- 2.1 The Agent must undergo at least one complete assessment annually under the Assessment Framework ([Appendix A](#)).
- 2.2 To conduct this annual assessment, the Agent must, within six months of the Agent's financial year-end, provide to IATA, or the appointed by IATA:
 - △ (a) Consolidated financial statements that represent the overall financial activity of all the legal entities and locations that will be included under the Multi-Country Accreditations. The financial statements must be audited, and prepared in accordance with globally accepted accounting standards such as International Accounting Standards (IAS) or International Financial Reporting Standards (IFRS);
 - (b) Any internal documentation required to assess the criteria defined in the Assessment Framework, including the operational review section of the framework.
- 2.3 The Global Financial Assessor (GFA) will assess the financial standing of the Agent in accordance with the criteria established under each of the different sections in [Appendix A](#).
- 2.4 If the Agent is unable to provide the necessary documentation or evidence to enable the process for the GFA to sufficiently assess a criterion, the provisions and consequences set out in section [5.4.5](#) will apply.
- 2.5 Where the Agent is a publicly traded company or is otherwise unable to disclose specific information to the GFA, the GFA may propose an alternative measurement. In any case, the Agent may request IATA and/or GFA to be a party to a non-disclosure agreement.

2.6 With the agreement of the Agent, the GFA may arrange an on-site visit to gather any additional information or assess the documentation provided. Any costs incurred for the GFA to conduct such visit will be assumed by the Agent.

- △ 2.7 The ratios for the Financial Assessment are provided within [Appendix A](#). The ratios are split into sections, each of which must be passed by the Agent in order to have a satisfactory overall Financial Assessment. A failure of a single "key" ratio results in failure of the relevant section. Each section also provides a threshold for the number of failures of "standard" ratios, which if reached results in failure of the relevant section.

2.8 When the GFA determines that an Agent failed the Financial Assessment, IATA shall inform immediately the Agent in writing of conditions as are deemed appropriate to be complied by the Agent by a specified date including the provision of a Financial Security per section [3](#) below.

Quarterly Assessment

- △ 2.9 For all four quarters of the year, the Agent will be re-assessed by the GFA.
- 2.10 To undergo the quarterly assessment, the Agent must submit quarterly financial statements and any other documentation required to conduct the assessment. The quarterly financial statements provided must be managerial accounts or copies of financial statements submitted to the government or regulators and be duly certified by the CEO or CFO of the Agent. These financial statements must be compliant with globally accepted accounting standards, or in an otherwise acceptable format to the GFA.
- 2.11 The GFA will assess the finance statements under the Assessment Framework and determine whether the Agent passes or fails the assessment.
- 2.12 The Agent must validate the assessment result by:
 - (a) Verifying that the data on the Assessment Result is accurate and complete.
 - (b) Providing written confirmation signed by Senior Management that there has been no change to the Agent's internal processes so as to materially impact any criteria under the Assessment Framework.
- 2.13 If the Result is inaccurate or there has been a change to the Agent's internal processes, the Agent must provide the necessary information and/or documentation for the GFA to review any criteria affected and re-assess the Agent's grade.
- △ 2.14 To pass the quarterly assessment, the Agent must pass the assessment as per [Attachment 'E' Appendix A](#), section [2.7](#) of this Resolution.
- 2.15 An Agent failing the Financial Assessment, will be required to provide a Financial Security per section [3](#) below.

Assessment of New Applicants and Changes of Accreditation Type from Standard to Multi-Country Accreditation

2.16 The Applicant for Multi-Country Accreditation must provide the necessary financial documentation, including audited financial statements, to complete an annual assessment under the Assessment Framework ([Appendix A](#)) as defined in section 2 prior to approval under the Multi-Country Accreditation.

2.17 The audited financial statements must cover a period ending not more than four months prior to the date of submission of the statements by the Applicant.

3. FINANCIAL SECURITY

3.1 The Agent will not be accredited or will not continue to be accredited until a Financial Security required to be provided to IATA has been:

- (a) received by IATA; and
- (b) confirmed to IATA by way of written confirmation received directly from the third party supporting the Financial Security that the Financial Security was issued by that third party.

3.2 The Agent accredited for less than two consecutive years with a Cash Facility must provide a Financial Security.

3.3 If the Agent fails its financial assessment or its Risk History assessment, the Agent must provide a Financial Security. The Financial Security will be held by IATA until the Agent passes both Assessments.

3.4 The Agent must provide a Financial Security that covers the Sales at Risk of the Head Entity and all Associate Entities.

3.5 The Financial Security will be calculated as follows:

“Days’ Sales At Risk” × BSP Cash Turnover in Applicable 3 Month Period ÷ 90

3.6 The Financial Security calculation will take into account the BSP cash turnover of the Agent’s three months highest net cash sales in the previous twelve months.

3.7 The amount will be calculated for each BSP operation of the Agent using the applicable “Days’ Sales at Risk” of the BSP, and aggregated to determine the total Financial Security to cover all locations.

3.8 If the Agent is required to provide a financial security, such financial security may be provided in up to two denominations of the following acceptable currencies:

- US Dollar (USD);
- Euro (EUR);
- Pound Sterling (GBP);
- Australian Dollar (AUD);
- Singapore Dollar (SGD).

3.9 The Agent must provide a Financial Security issued by Financial Security Provider that complies with the criteria in Resolution 812, [Attachment ‘F’](#).

4. CHANGES OF OWNERSHIP

4.1 In the event of a major change of ownership or legal entity, requiring a new Passenger Agency Sales Agreement, the Agent must provide:

- Audited Financial Statements, no later than 90 days after the change of ownership. The Financial Statements must cover, at minimum, one month of operations following the date of change.
- If Audited Statements cannot be provided, the Agent must provide Financial Statements accompanied by a Compliance Certificate signed by a CEO, CFO or other equivalent executive.
- A Transition Plan, including updates for two years following the change.
- Any other documentation necessary for the GFA to conduct an assessment of the Agent post-change.

4.2 The GFA will assess the Financial Statements and conduct monitoring activities to assess the risks associated following:

- Viability of the business, including evolution of EBITDA and EBT
- Capital structure of the Agent, including levels of debt
- Agent Liquidity
- Credit Losses and Agent ability to collect receivables
- Potential operational disruptions following restructuring
- Cash levels and distributions to shareholders
- Efficiency of the Business Model post transition
- Occurrence of indemnified events
- Aggressiveness of expansion
- Restructuring of the organisation’s governance
- Risk Events with IATA

4.3 Based on the above, the GFA will assess the impact of the change on the financial standing of the Agent and assign a Risk Rating. If the GFA assesses a medium or high risk rating, the change will be recorded as a Risk Event in the Agent’s Risk History assessment and the Agent required to provide a Financial Security, subject to section 3.

- Evidence of unused portion of facilities as at the period end date (e.g. from audited financial statements; letter(s) from bank(s), or relevant bank statements to confirm the current balance of the unused portion)

Unless indicated with "Key", all other ratios are categorized as "Standard" ratios.

Definitions

2.4 In the case of the Agent wishing to use its own card, or a card issued in the name of a Person acting on behalf of the Agent, or in the name of the Agent's officer, partner or employee, the Agent must enrol the card with IATA as an Alternative Transfer Method prior to its use for the issuance of Standard Traffic Documents in accordance with Resolution 896 Attachment 'A', section 5, except in BSP countries where such functionality has not been made available by IATA. A failure to comply with the present paragraph 3.1 will be undertaken under the sole responsibility and liability of the Agent toward the BSP Airline concerned.

4. AIRLINE CONSENT TO USE AN ALTERNATIVE TRANSFER METHOD

4.1 A BSP Airline will notify IATA of its default consent policy by BSP market. If the Airline does not provide its default consent policy, IATA will set the BSP Airline's default consent policy to automatically not accept any new Alternative Transfer Method enrolled in that BSP market.

4.2 A BSP Airline may give its consent to the Agent for the usage of an Alternative Transfer Method in a BSP by notifying the Agent in writing or, where possible, by updating the relevant information through BSPlink (ASD in China).

4.3 A BSP Airline may remove its consent for the usage of an Alternative Transfer Method from an Agent by notifying the Agent in writing or, where possible, by updating the relevant information through BSPlink (ASD in China).

4.4 Nothing in the present Resolution shall be interpreted as systemic bias or a preference to the detriment of any Alternative Transfer Method, including in favour of any other Payment Method.

5. ISSUANCE AND REFUNDING OF STANDARD TRAFFIC DOCUMENTS USING ALTERNATIVE TRANSFER METHODS

5.1 When issuing a Standard Traffic Document using an Alternative Transfer Method, the Agent must issue and report the transaction in accordance with the instructions provided by IATA.

5.2 When applicable, the Agent must ensure to obtain the authorisation approval code from the relevant card company and include such code at the time of Standard Traffic Documents issuance.

1.14 cancelling or amending a customer booking and/or Electronic Ticket without the express permission of that customer,

RESOLUTION 830d**RESERVATIONS PROCEDURES FOR ACCREDITED AGENTS**

PAC(55)830d(except USA)

Expiry: Indefinite
Type: B

RESOLVED that,

1. when an Accredited Agent (hereinafter 'Agent') is effecting a booking through an automated reservations system, the Agent is acting on behalf of the Member(s) or BSP Airline(s) in using that system and, therefore, shall adhere to the appropriate reservations procedures contained in IATA Resolutions. These procedures shall be provided by the Member(s) or BSP Airline(s) to the Agent.

2. the Agent shall request or sell airline space and/or associated services of a passenger handling nature only when the Agent has a request to do so from a customer. The Agent shall make such transaction in accordance with his system provider agreement.

3. the Agent shall ensure that the reservations booking designator used in booking space corresponds to the applicable fare quoted to the customer.

4. To be able to advise passengers of irregular flight operations and disruptions Members and BSP Airlines need to have sufficient contact details available to proactively contact the passengers. Consequently, at or before the time of ticketing, the Agent must actively ask each passenger whether they wish to have their contact details (mobile number and/or email) provided to airlines participating in the itinerary for the purposes of contact in an operational disruption. The Agent must ensure that the Passenger's consent is obtained in compliance with any data protection directives or regulations. Where the passenger wishes to have their contact details provided to airlines participating in the itinerary, the Agent must enter it in the Passenger Name Record (PNR), while maintaining compliance with all applicable data protection directives and regulations. Contact details must be entered in the PNR in compliance with the Resolutions governing reservations procedures. Members and BSP Airlines shall use these contact details exclusively for the purpose of operational notifications, e.g. flight cancellation, schedule change, etc. and shall not use the contact details for sales & marketing purposes.

In the event the passenger exercises his or her right not to provide contact details it is incumbent on the Agent to indicate that the passenger has declined to provide such details, and to enter the refusal in the PNR to limit any statutory liability. In such a case, the Agent must actively advise the passenger that they may not receive information from the airline relating to flight cancellation or schedule changes (including delay in departure).

5. the Agent shall notify the customer of the reservations status of all segments and associated services and of any changes thereto.

6. all reservations for a specific itinerary and changes thereto shall, whenever possible, be processed through

one Member. When this is not possible, the Agent shall inform each Member involved that the reservation is in connection with an itinerary.

7. the Agent shall ensure that the ticket will be issued in accordance with the reservations status of each segment and in accordance with the applicable ticketing time limit.

8. except for Section 4, the Agent shall be solely liable for the consequences of its failure to comply with any Resolution governing reservations.

ATTACHMENT 'A'—FREQUENCY OF AGENT REMITTANCES

Section 1—Reporting and Remitting through the Billing and Settlement Plan (BSP)

△ This Section is applicable to all Approved Locations of an Agent, except those covered by [Resolution 812](#), with respect to all sales on behalf of Airlines and Members participating in the BSP. The BSP Manual for Agents contains the administrative and procedural rules to be followed by Agents and constitutes part of this Resolution.

1.1 MONIES DUE ON ISSUE OF STANDARD TRAFFIC DOCUMENTS

The provisions of this Paragraph govern monies due to BSP Airlines arising from Accountable Transactions.

In all instances the preferred method of remittance shall be by electronic funds transfer, or by Business-to-Business Direct Debit. In this context Business-to-Business Direct Debit is defined as a Direct Debit system and jurisdiction which imposes strict conditions and time limits not exceeding 2 banking days for revocation of the transfer by the payer or the payer's bank. When either of these systems are available in a market and unless required by applicable local law other methods of remittance are discouraged.

1.1.1(a) monies for sale against which an Agent issues Standard Traffic Documents shall be deemed due by the Agent to the BSP Airline whose ticketing authority is used when they are issued and shall be settled in accordance with the provisions of this section.

1.1.1(a)(i) monies for sales made by an Agent, where the ticket is issued by the BSP Airline on behalf of the Agent and reported using the facility of the BSP, shall be deemed due by the Agent to the BSP Airline and shall be settled in accordance with the provisions of this section in the same way as if the Agent had issued a Standard Traffic Document.

1.1.1(b) in the event that the Agent is declared insolvent, bankrupt, is placed in receivership or judicial administration, goes into liquidation or becomes subject to any other similar legal process affecting its normal operation, then notwithstanding the normal remittance procedures set out in this Section all such monies shall become immediately due and payable.

1.1.1(c) in circumstances where a BSP Airline determines that its ability to collect monies for Standard Traffic Documents may be prejudiced by the Agent's financial position such BSP Airline may demand immediate settlement of all such monies;

1.1.2 in circumstances where an Airline is suspended from the BSP ('BSP Airline') the monies due to the BSP Airline are handled according to the applicable procedures within Resolution 850, Attachment 'F'. While IATA's instruction to Agents under Resolution 850 Attachment F paragraph [1\(c\)\(ii\)\(b\)](#) to settle directly with the suspended BSP Airline does not relieve Agents of any payment obligations to the suspended BSP Airline, the Notice of irregularity and default action provisions of

paragraph 1.7 of this Attachment do not apply while such instruction is in place.

1.1.3 in circumstances where an Agent collects full or part payment for transportation in respect of which reservations have been made on the services of a BSP Airline, the Agent shall issue an appropriate Standard Traffic Document. Thereupon monies for such sale shall be deemed due and settlement shall be made in accordance with the provisions of Subparagraph 1.1.1(a);

1.1.4 Agents shall be required to remit in the currency reported on the ticket and billed to the Agent.

1.2 LENGTH OF REPORTING PERIOD: REPORTING DATE

The provisions of this Paragraph govern the reporting of Transactions within the Reporting Periods and Reporting Dates as determined for each BSP.

1.2.1 for each BSP, reporting shall be as frequent as possible and the Conference shall establish the length of the Reporting Period most suitable to the efficient operation of such Plan.

1.3 AGENCY SALES TRANSMITTALS

Agency sales are provided to the BSP Data Processing Centre in an automated report by the Ticketing System Providers.

1.4 FREQUENCY FOR SUBMISSION OF AGENCY SALES DATA

The frequency by which Agency Sales Data is transmitted to the Data Processing Centre is established by [Resolution 854](#) which requires the System Providers to report daily.

1.5 BILLING

1.5.1 the Data Processing Centre shall compute and prepare a Billing in respect of each Approved Location in accordance with the requirements of the Conference. Such Billings shall incorporate all Accountable Transactions reported by the System Provider with respect to each Approved Location of an Agent;

1.5.2 the frequency at which Billings shall be rendered to Agents shall be established by the Conference.

1.5.3 Where a BSP allows ticket issuance in more than one currency a billing will be produced for each currency used.

1.6 SETTLEMENT—THE REMITTANCE DATE

The provisions of this Paragraph govern the dates, and their frequencies, by which Billings will be settled by Agents.

1.6.1(a) Agents shall settle all amounts due in respect of Accountable Transactions and any applicable local charges directly with the Clearing Bank.

1.6.1(a)(i) Where an Agent receives a billing in more than one currency the Agent is obliged to remit in the currency of the billing.

1.6.1(b) ISS Management, following consultation, (which includes receiving comments from the local Joint Agency Liaison Working Group), may require the Agent to provide them with

- the necessary information and
- an authorisation form as may be prescribed by them, permitting the Clearing Bank to draw cheques on, or debit the Agent's trust account or other bank account, in favour of IATA, or the institution designated by ISS Management, in payment of all amounts due to BSP Airlines.

1.6.1(c) When the Agent intends to change its bank(s), or bank accounts(s), the Agent shall give ISS Management 30 days' advance notice by certified/registered mail, or certified letter with return receipt, or in countries where registered/certified mail is not available by use of regular postage and e-mail as appropriate;

1.6.2 Frequency of Remittance

The Conference shall establish the standard frequency of Agents' Remittances under such BSP, and these are as shown at [Attachment A](#). The Remittance Date will be communicated to all agents participating in each BSP.

1.6.2.1 the Agent shall remit, by the Remittance Date the amount specified on the Billing for the Remittance Period under settlement. If, exceptionally, the Agent has not received such Billing by the Remittance Date the Agent shall:

1.6.2.1(a) on the Remittance Date, remit the amount its records indicate is owing in respect of such Remittance Period or, in a direct debit situation, the amount determined by ISS Management, and

1.6.2.1(b) immediately upon receipt of the delayed Billing, remit any shortage between the remittance made pursuant to [Subparagraph 1.6.2.1\(a\)](#) above and the amount of the Billing.

1.6.2.1(c) if the Agent fails to remit any such shortage immediately it shall be deemed to be an overdue remittance and Irregularity and Default procedures shall apply in accordance with [Subparagraph 1.7.2](#).

1.6.2.1(d) if the extent of the shortage is such as to lead ISS Management to believe that the Agent attempted deliberately to circumvent the settlement requirements of this Section, ISS Management shall instruct the Clearing Bank to debit the Agent for Clearing Bank charges incurred as a result of the shortage. Such charges shall be included in the Clearing Bank's next Billing to the Agent and shall be due and payable by the Agent on the Remittance Date applicable to such Billing;

1.6.2.2 if the Clearing Bank is closed for all business (including business transacted through its online platform

or Direct Debit) on the day on which the remittance is required to reach the Clearing Bank under the provisions of Subparagraph 1.6.2, the remittance shall be made by the Agent so as to reach the Clearing Bank before its close of business on the first subsequent day when the Clearing Bank is open for any method of business;

1.6.2.3 an Agent having more than one Approved Location subject to the same BSP may apply to ISS Management for authorisation to remit monies due on behalf of all such Approved Locations through one designated office of the Agent to the Clearing Bank;

1.7 NOTICE OF IRREGULARITY AND DEFAULT

The provisions of this Paragraph govern failures by Agents to adhere to the reporting and remitting procedures set out in Paragraphs 1.2 to 1.6 inclusive, for which an Agency can be served with Notices of Irregularity, or be declared in Default, as appropriate. Agents may also be liable for charges arising from them. The circumstances for this may include:

- Overdue Remittance or Cheque
- Dishonoured Remittance or Cheque
- Failure to Remit in Billing Currency
- Accumulation of the above Irregularities

1.7(a) the Agency Administrator's actions described in this Paragraph, in respect of the non-receipt by the Clearing Bank of Remittances by the due date, shall not apply when the Agency Administrator can determine that the Agent had adequately undertaken all of the required remittance procedures, and that such non-receipt had been caused by extraneous factors.

1.7(b) Conference, or the Assembly where so delegated, may provide for variations from BSP to BSP in respect of the sanctions applicable to such failures, and any such variations shall be notified to all Agents in the relevant BSPs, and incorporated in the relevant provisions of the applicable BSP Manual for Agents.

1.7(c) for the purposes of this Paragraph, where the Agency Administrator issues:

- a demand for payment or
- immediate payment, or
- a demand for immediate reporting

and/or

- accounting and settlement,

the deadline for the Clearing Bank's receipt for such from the Agent is the close of business on the first day it is open for business following the day of the Agency Administrator's demand.

1.7(d) A Notice of Irregularity or declaration of default will be in writing and set out the specific circumstances giving rise to the Notice of irregularity or default.

1.7.1 Charges

The Conference may, subject to the provisions set forth in this Resolution and following local consultation, (which

includes receiving comments from the local Joint Agency Liaison Working Group), implement a programme of cost-recovery charges to be levied on Agents under the following circumstances:

1.7.1(a) Administrative Charges

- (i) for excessive voiding of Standard Traffic Documents, as established from time to time by ISS Management, in consultation with the airlines participating in the local BSP and the respective Agency Programme Joint Council; and published in the BSP Manual for Agents,
- (ii) for any other failures to comply with BSP procedures and instructions, which generate additional cost to airlines;

1.7.1(a)(i) the levels of such charges shall be determined by the Conference or, where applicable, the Assembly from time to time and, then notified by ISS Management to all Agents subject to the Plan and published in the BSP Manual for Agents;

1.7.1(b) Clearing Bank Charges

Clearing Bank Charges, which shall be in the amount debited to ISS Management by the Clearing Bank as a result of the Agent's failure to remit as prescribed. These will be increased, if applicable, by an amount to compensate for any extra efforts incurred by ISS Management in relation to such failure; and

1.7.1(c) Billing and Settlement of Charges

such charges debited to Agents shall, except as may, wise specified, be included by ISS Management in its first subsequent Billing to the Agent/Location concerned and shall be due and payable by the Agent by the Remittance Date applicable to such Billing. Such charges shall, for the purpose of Subparagraph 1.10.2(b), be deemed to be part of all amounts owing by the Agent;

1.7.1(d) Notification of Charges

when ISS Management is required under any of the provisions of this Section to debit an Agent for charges, it shall simultaneously notify the Agent and Location concerned.

1.7.2 Overdue or Dishonoured Remittance

1.7.2.1 if the Clearing Bank does not receive a remittance due by: the Remittance Date, or immediately on receipt by the Agent of a delayed Billing, a remittance in respect of a shortage as provided for in Subparagraphs 1.6.2, or if an instrument of payment received by the Clearing Bank to effect such remittance is dishonoured on or after the Remittance Date, the Agency Administrator who shall thereupon demand payment from the Agent including any Clearing Bank charges incurred and shall then:

1.7.2.1(a) send to the Agent a Notice of Irregularity in respect of the Location concerned (or, where the Agent has been authorised to remit through one designated office under the provisions of Subparagraph 1.6.2.1(e) or

1.6.2.4 in respect of all Approved Locations covered by such authorisation).

1.7.2.1(b) If payment is not received on demand, the Agency Administrator shall immediately notify ISS Management and the Agent, and shall take Default Action with respect to all Locations of the Agent in accordance with Paragraph 1.10.

1.7.2.1(c) in addition to any action prescribed in this Subparagraph, the Agency Administrator shall debit the Agent for costs incurred as a consequence of the late or dishonoured payment;

1.7.2.1(d) if it is established that such non-payment or dishonouring is due to a bona fide bank error, as provided for in Paragraph 1.7.5, and settlement of all amounts due is received on demand, the Notice of Irregularity shall be rescinded;

1.7.2.1(e) if it is subsequently established that such non-payment or dishonouring is due to a bona fide bank error, as provided for in Paragraph 1.7.5, and settlement of all amounts due is received, but after Default Action has been taken, the Agency Administrator shall immediately withdraw such Default and the Notice of Irregularity, if recorded in accordance with Subparagraph 1.7.3.1;

1.7.2.1(f) if, subsequent to an Agent's relinquishment of its accreditation, that Agent fails to remit any monies due, it shall be held to be in default, and the provisions of Paragraph 1.10 shall apply. The Agency Administrator shall thereby cause the termination to be amended to one of default.

1.7.3 Failure to Remit in Billing Currency

if the Clearing Bank does not receive a remittance in the same currency as billed to the Agent in the correct amount, the Clearing Bank shall immediately so advise the Agency Administrator who shall thereupon demand immediate payment from the Agent to the correct value of the ticketed currency, including any Clearing Bank charges incurred and shall then;

1.7.3.1(a) send to the Agent a Notice of Irregularity in respect of the Location concerned (or, where the Agent has been authorised to remit through one designated office under the provisions of Subparagraph 1.6.2.1(f) in respect of all Approved Locations covered by such authorisation).

1.7.3.1(b) if payment is not received on demand in the billed currency, the Agency Administrator shall immediately notify the Agent, and shall take Default Action with respect to all Locations of the Agent in accordance with Paragraph 1.10,

1.7.3.1(c) in addition to any action prescribed in this Subparagraph, the Agency Administrator shall debit the Agent for costs incurred as a consequence of the late or dishonoured payment,

1.7.3.1(d) if it is established that such non-payment or dishonouring is due to a bona fide bank error, as provided for in Paragraph 1.7.7 and settlement of all amounts due

is received on demand, the Notice of Irregularity shall be rescinded,

1.7.3.1(e) if it is subsequently established that such nonpayment or dishonouring is due to a bona fide bank error, as provided for in Paragraph 1.7.7, and settlement of all amounts due is received, but after Default Action has been taken, the Agency Administrator shall immediately withdraw such Default and the Notice of Irregularity, if recorded,

1.7.3.1(f) if, subsequent to an Agent's relinquishment of its accreditation, that Agent fails to remit any monies due, it shall be held to be in default, and the provisions of Paragraph 1.10 shall apply. The Agency Administrator shall thereby cause the termination to be amended to one of default;

1.7.4 Bona Fide Bank Error

a bona fide bank error taking place under the following circumstance, which is substantiated by evidence acceptable to the Agency Administrator as provided for in Paragraph 1.7.6.3; may be accepted by IATA for a maximum of four instances in a period of 12 consecutive months. This limit excludes instances where the Agent's bank has suffered from a disruption of service due to circumstances outside of its control and resulting in its inability to provide the required services to an Agent.

1.7.4.1 Credit Arrangement or Automatic Transfer of Funds

when on the date the cheque or other method of payment was presented to the Bank for payment, sufficient funds should have been available in the account on which the cheque or other method of payment was drawn by virtue of a valid written line of credit or other written arrangement, dated and executed between the bank and the Agent prior to the Reporting Period involved, and the bank erroneously fails to honour such line of credit or other arrangement, or

1.7.4.2 Sufficient Funds

if the bank erroneously fails to honour a valid cheque or other method of payment when sufficient collected funds are in the Agent's account on which the cheque or other method of payment was drawn and available for immediate withdrawal at the time the cheque or other method of payment was presented to the bank for payment;

Note: *'uncollected funds' shall not be considered funds available for immediate withdrawal;*

1.7.4.3 Evidence Acceptable to the Agency Administrator

In all cases a bank letter must be provided to IATA:

- (i) The original bank letter must be sent to IATA within 10 working days by registered post or courier, stating the nature of the error and reason for the delay in remittance
- (ii) A copy of the bank letter may be sent to IATA via fax or as a scanned copy via email

- (iii) The bank letter must be signed by a Manager including name, job title or designation
- (iv) The bank letter must stipulate that the Agent had sufficient available funds on Remittance Date in the stipulated bank account(s), stating the account name and the account number(s).

1.7.5 Accumulated Irregularities

The provisions of this Paragraph govern the procedures that shall apply when an Agent accumulates Notices of Irregularities. Accumulated Irregularities may, ultimately, lead to an Agent being placed in Default.

1.7.5.1 after each Remittance Date, or Settlement Date, the Agency Administrator shall compile and publish to BSP Airlines a list containing the names of all the Agents (and the addresses of the Approved Locations concerned) that have been sent Notice of Irregularity under any of the provisions of these Rules since the preceding Remittance Date.

1.7.5.2 if four (4) instances of Irregularity are recorded on such lists in respect of a Location during any 12 consecutive months, the Agency Administrator shall immediately advise ISS Management and he/she shall take Default Action with respect to all Locations in accordance with Paragraph 1.10;

1.7.6 Agent in Default as an IATA Cargo Agent

if an Agent which is also registered as an IATA Cargo Agent under the IATA Cargo Agency Rules is declared in Default under those Rules in connection with its cargo activities (other than by reason of accumulated irregularities) such Agent shall also be deemed in Default under this Section, and Default Action with respect to all Locations of the Agent shall be taken in accordance with the provisions of Paragraph 1.10 of this Section;

1.7.7 Other Defaults

if an Agent is in Default under another Section either of these or of other IATA Passenger Sales Agency Rules, Default Action shall be taken in accordance with the provisions of Paragraph 1.10 with respect to all Locations of the Agent;

1.7.8 Accounting Irregularity Safeguards

1.7.8.1 in the event an audit or other investigation reveals such irregularities on the part of an Agent as:

- (i) failure to submit all Standard Traffic Documents issued during the Reporting Period,
- (ii) falsely reporting Standard Traffic Documents as having been sold against UATP or other Cards,
- (iii) post-validating Standard Traffic Documents,
- (iv) permitting alteration, omission or other falsification of Card data or other required information of the original Standard Traffic Documents or on any reissues thereof,
- (v) issuing or reissuing single or multiple Standard Traffic Documents reflected as Card sales having an aggregate face value exceeding the established 'floor limit' without full disclosure to and the authority of the

pertinent Card company; or complicity in the issuing or reissuing of Standard Traffic Documents reflected as Card sales to circumvent credit or reporting procedures,

- (vi) falsification of reports or documents,
- (vii) violation of Standard Traffic Document exchange or refund procedures as specified in the applicable IATA Resolutions and their Attachments, or as published in carriers' tariffs, instructions or elsewhere, and provided to the Agent, or
- (viii) failure to prevent the unauthorised or fraudulent use of computer-generated document numbers for issuance of Standard Traffic Documents,
- (ix) falsification and/or manipulation of issued Standard Traffic Documents, such that data reported differs from data provided to the carrier whose Standard Traffic Documents has been issued,
- (x) failure to comply with Card sales instructions provided by BSP Airlines, as prescribed in the Travel Agent's Handbook, the BSP Manual for Agents and [Resolution 890](#),
- (xi) persistent failure to comply with the format and the instructions of ISS Management in the calculation of the sales settlement authorisation amounts, resulting in the frequent and regular issuance of Shortage Notices,
- (xii) persistent failure to settle amounts properly owing against Agency Debit Memos (ADMs).

1.7.8.2 under circumstances which lead the Agency Administrator to believe that the Agent is attempting to circumvent the reporting and settlement requirements of this Section, with the result that Members' or Airlines' ability to collect for Standard Traffic Documents sold is seriously prejudiced.

1.7.8.3 the Agency Administrator, shall

- (i) instruct the Ticketing System Provider to prevent further use of Standard Traffic Documents removing of ticketing authority from the Agent,
- (ii) demand an immediate accounting and settlement of all amounts owing by the Agent, whether or not the Remittance Date for payment thereof has arrived,
- (iii) account for any monies received and
- (iv) notify all airlines participating in the local BSP of the action taken.

1.7.8.4 and in circumstance where the Agency Administrator is notified by a BSP Airline of irregular activity by the Agent, which causes chargeback under [Resolution 890](#), to immediately invoke default action as described under paragraph 1.10 of these rules.

1.7.8.5 thereupon, the Agency Administrator shall request the Travel Agency Commissioner, except in cases described under paragraph 1.7.10.4, to review and re-determine the approval of the Agent or Approved Location. Pending this review, the Agent may request an interlocutory review of the Agency Administrator's action by the Travel Agency Commissioner. Before granting an interlocutory order under this Subparagraph, the Travel Agency Commissioner shall require the Agent to provide

a bank or other financial guarantee to IATA in accordance with [Resolution 820e](#)

1.7.9 Disputed Agency Debit Memo

The provisions of this paragraph should be read in conjunction with the provisions concerning ADMs as provided in [Resolution 850m](#).

1.7.9.1 An Agent may for reason dispute an ADM.

1.7.9.2 An Agent shall have a minimum of 14 days in which to review and dispute an ADM prior to its submission to BSP for inclusion in the billing.

1.7.9.3 When an ADM is disputed prior to it being submitted to the BSP for processing, it will be recorded as disputed, and will not be included in the Billing.

1.7.9.4 if an Agent disputes an ADM within the minimum dispute period it shall be suspended from the BSP process and settlement of the dispute will be for resolution between the Agent and Airline concerned.

- (i) in the event an Agent disputes an ADM and after agreement between the Airline and the Agent, it is determined that the purpose of that ADM was correct, the Airline will advise the Agent and the BSP accordingly and the ADM as originally submitted will be processed;
- (ii) if as a result of an Agent dispute it is determined after agreement between the Airline and the Agent that the ADM needs adjustment, the Airline will submit to the Agent and the BSP the adjusted ADM, in the form of a new ADM, in which case only the new ADM shall be processed.

1.7.9.5 An ADM that has been included in the BSP Billing will be processed for payment.

1.7.9.6 If after 60 days of receipt of a disputed ADM by an Airline the dispute has not been resolved, despite consultation between the Airline and the Agent, such ADM will no longer be suspended and will be withdrawn from the BSP process.

1.7.9.7 Such ADM dispute is now for bilateral resolution between the airline and the agent.

1.8 PREJUDICED COLLECTION OF FUNDS

The provisions of this Paragraph govern the procedures for the protection of BSP Airlines' monies in situations where the ability, or intent, of an Agent to pay them are in doubt.

1.8.1 in the event that the Agency Administrator receives written information, which can be substantiated, leading to the belief that Members' and Airlines' ability to collect monies for Standard Traffic Documents may be prejudiced, the Agency Administrator may remove all Ticketing Authorities from the Agent's possession,

1.8.2 the Agency Administrator shall so advise ISS Management and, thereupon, the Agency Administrator shall

request an immediate review by the Travel Agency Commissioner;

1.8.3 the Travel Agency Commissioner shall review such written information and other factors and shall commence a review under the terms of Review by Travel Agency Commissioner of the applicable Passenger Sales Agency Rules within three working days from receipt of such a request.

1.9 NOTIFICATION OF IRREGULARITY

The provisions of this Paragraph govern the procedures when the Agency Administrator is required under any of the provisions of Paragraph [1.7](#) to send to an Agent a Notice of Irregularity.

1.9.1 he/she shall immediately send the Agent a registered letter, or certified letter with return receipt, or in countries where registered/certified mail is not available by use of regular postage and e-mail as appropriate in the form prescribed from time to time.

1.9.2 the Notice of Irregularity shall be in respect of the Approved Location concerned, except that a Notice of Irregularity resulting from overdue Remittance by an Agent authorised to remit through one designated office shall be in respect of all Approved Locations covered by the authorisation.

1.9.3 the Agency Administrator shall at the same time send a copy of the letter to the Approved Location concerned, to ISS Management.

1.9.4 such Notice of Irregularity shall be recorded against the Location concerned by the Agency Administrator on the list maintained pursuant to Subparagraph [1.7.6](#) of this Section.

1.10 DEFAULT ACTION

The provisions of this Paragraph govern the procedures if Default Action is required to be taken in accordance with any of the provisions of Paragraph [1.7](#), when the procedures prescribed below shall be followed:

1.10.1 the Agency Administrator shall immediately advise all BSP Airlines and ISS Management that the Agent is in Default at all Locations or at the Location concerned. Airlines and Members which have appointed the Agent shall be notified by e-mail or similar fast method of communication;

1.10.2 the Agency Administrator on declaring an Agent in Default or receiving Notice from a Member that an Agent is in Default shall immediately take the following action:

1.10.3 on establishing that an Agent is in default, the Agency Administrator shall immediately take the following action:

- (i) establish an up-to-date statement of indebtedness for each of the Approved Locations concerned and bill the Agent for charges incurred as a result of the Agent's failure to make complete settlement by the Remittance Date,
- (ii) establish from its records the ticket serial numbers held at each of the Approved Locations concerned,
- (iii) check any accounting and remittance obtained from the Agent and identify any discrepancies,
- (iv) distribute any monies obtained from the Agent among the BSP Airlines concerned, subject to sub-section [1.10.4](#),
- (v) notify the relevant credit reporting agencies and the Airlines Reporting Corporation of any outstanding amounts owed due to the default.

1.10.4 Encashment of Bank Guarantee, Insurance Bond or Other Form of Guarantee

In the event that an Agent's BSP bank guarantee, insurance bond or other form of guarantee, if applicable, is insufficient to provide a full settlement to each of the BSP Airlines concerned listed in the Billing which has been subject to the Agent's default, each such BSP Airline shall be provided with a prorated amount of the bank guarantee, insurance bond or other form of guarantee in proportion to its percentage share in Billing subject to the default; such calculation shall be without regard to specific Accountable Transactions. In the event that an Agent has provided a separate bank guarantee, insurance bond or other form of guarantee in favour of a specific BSP Airline for Accountable Transactions, such BSP Airline shall not be entitled to any payment under the Agent's BSP bank guarantee, insurance bond or other form of guarantee until all outstanding indebtedness of the Agent to other BSP Airlines shall be discharged.

1.10.5 Disputes and Withdrawal of Defaults

1.10.5(a) an Agent may register the existence of a dispute with the Agency Administrator over a billing of a specified amount as part of its billing. Provided written evidence of such dispute is provided by the Agent to the Agency Administrator the Agency Administrator will ensure that no irregularity or default action will be applied, except where notification is received that the Agent has failed to comply with the provisions of [Resolution 890](#) and action as proscribed under Paragraph [1.7.9](#) of these rules is being taken by the Agency Administrator;

1.10.5(b) if the Agency Administrator becomes aware, through any source, that there exists between a BSP Airline and the Agent any dispute arising solely from amounts due or claimed to be due to such Airline from the Agent, or vice versa, in respect of the Reporting/Billing Periods for which the Agent was declared in

Default, he/she shall withdraw the declaration of Default. In the event that the BSP Airline does not admit the existence of such a dispute, the Agency Administrator shall require the Agent either, to submit documented evidence demonstrating the existence of the dispute or, to pay the amount of the short payment to the BSP. Provided that either of such conditions is met, the Agency Administrator shall withdraw the declaration of Default;

1.10.5(c) pending resolution of the dispute between the BSP Airline and Agent, and where the Agent has remitted the disputed amount to the BSP, the Agency Administrator shall hold such amount for 60 days. If after 60 days the dispute has not been resolved the Agency Administrator shall return the disputed amount to the Agent;

1.10.5(d) thereafter the dispute shall be for bilateral resolution between the Airline and Agent outside the BSP.

1.10.5.1 if the Default is withdrawn, the Agency Administrator shall, also

- (i) reinstate the Agent and notify the Agent, all BSP Airlines accordingly. Any prior debits to the Agent for Clearing Bank charges incurred as a result of the overdue remittance shall be cancelled (and, in Philippines, the instance of late remittance shall be deleted from the record maintained pursuant to the provisions of [1.7.2](#)), and BSP Airlines shall pay any commission withheld from the Agent.
- (ii) remove the Notice of Irregularity, if any, giving rise to the withdrawn declaration of Default from the list maintained pursuant to the provisions of Subparagraph [1.7.6](#);

1.10.5.2 thereafter, if the Default is not withdrawn pursuant to Subparagraph [1.10.5](#) the provisions of Section [3](#) of this Resolution shall apply.

1.11 REMITTANCE AND SETTLEMENT DELAYED BY OFFICIAL GOVERNMENT ACTION

notwithstanding any other provision contained in this resolution an Agent shall not be sent a Notice of Irregularity, debited for administrative or Clearing Bank charges, nor declared in Default with respect to all or any part of a remittance to the extent that the Agent is unable to make full settlement because of official Government action which directly prevents such settlement; provided that the Agent demonstrates that the amount has been made available for Remittance at a recognised bank but cannot be remitted owing to such official Government action.

1.12 RESPONSIBILITY FOR SETTLEMENT OF CREDIT AND CHARGE CARD ('CARD') TRANSACTIONS MADE AGAINST A CARRIER'S MERCHANT AGREEMENT

The provisions for Credit Card and Charge Card transactions are provided for by [Resolution 890](#).

Section 2—Reporting and Remitting Directly to Members in Non-BSP Countries

This Section is applicable to all Approved Locations reporting sales transactions directly to Members in non-BSP countries only.

2.1 MONIES DUE ON ISSUE OF TRAFFIC DOCUMENTS

The provisions of this Paragraph govern the issue of Members' Traffic Documents by Agents, and the monies due to Members.

2.1.1(a) monies for any sales against which an Agent issues its own Transportation Order or a Member's Traffic Document shall be deemed due by the Agent to the Member when it is issued and shall be settled in accordance with the provisions of this Section.

2.1.1(b) in the event that the Agent is declared bankrupt, placed in receivership or judicial administration, goes into liquidation or becomes subject to any other similar legal process affecting its normal operation, then, notwithstanding the normal remittance provisions set out in this Section, all such monies shall become immediately due and payable.

2.1.1(c) in circumstances where a Member determines that its ability to collect monies for Traffic Documents may be prejudiced by the Agent's financial position such Member may demand immediate settlement of all such monies;

2.1.2 in circumstances where an Agent collects full or part payment for transportation in respect of which reservations have been made on the services of a Member, such Agent shall issue an appropriate Traffic Document. Monies for such sale shall then be deemed due and settlement shall be made in accordance with the provisions of Subparagraph 2.1.1;

2.1.3 the Member may, subject to applicable currency regulations, designate the currencies in which remittances may be made;

2.1.4 where an Agent requests a Member to issue a Traffic Document on its behalf, monies for such sale shall be due and settled by the Agent when the document is issued.

2.1.5 when a Member incurs a loss of revenue attributable to an Agent's failure to apply the correct fare, rules and conditions applicable to the sale of transportation, for which the Agent issued the Member's Traffic Document, the Member shall invoice the Agent for the amount of the undercollection.

2.1.6 settlement of the invoice shall be due and payable by the Agent by the Remittance Date applicable to the Reporting Period in which the invoice was issued and shall be subject to the Irregularity and Default provisions set out in Paragraph 2.5 for Irregularities and Defaults.

2.1.7 should the Agent be able to demonstrate that the fare, for which the Traffic Document was issued and accounted for, was the subject of either a fare quotation obtained from an applicable airline tariff or reservation system, it will be deemed correct within the context of these Rules.

2.2 SALES REPORTS AND REMITTANCES

The provisions of this Paragraph govern the procedures in which Traffic Documents are reported by Agents, and the monies for them remitted to Members.

2.2.1(a) Agents appointed by the Member may be supplied with such Member's Traffic Documents and such Agents shall provide Sales Reports as well as the remittance due, and all supporting documents. Remittances shall be made at a frequency and date as prescribed by the Member and Sales Reports shall be submitted with the same frequency and by the same date as Remittances.

2.2.1(b) the provisions governing Irregularities and Defaults are as set out under [Section 2.5](#) of this Resolution. If there were no transactions during the Reporting Period, the Agent shall submit a written 'no sales' report in lieu of a Sales Report;

2.2.2 Sales Reports shall cover the Reporting Period so prescribed or permitted, and Sales Reports and Remittances shall be furnished, so as to reach the Member by the respective times set forth in the applicable provisions of Subparagraph 2.2.1.

2.3 AGENTS ON BILLING BASIS

The provisions of this Paragraph govern the procedures for Members to bill Agents for the Transportation Orders issued by them in Members' names.

2.3.1 Agents that have been authorised by the appointing Member to issue their own Transportation Orders drawn on the Member shall be billed by the Member for them at the end of the Remittance Period, as prescribed by the Member, in which the Orders were accepted by the Member.

2.3.2 the Billings shall be issued so as reasonably to permit settlement by Agents by the Remittance Date prescribed by the Member for the relevant Remittance Period. Any Agent which is billed on this basis shall have been required by the Member to draw all such Orders only on the appointing Member's office nearest to the Agent's Approved Location where they are issued. The Member shall require the Agent to forward them to that office without delay.

OR

2.3.3 Remittances shall be made by the Agent to reach the Member not later than:

2.3.3(a) when a frequency greater than once a month is prescribed the Remittance shall be made by the Agent to

reach the Member not later than the fifteenth day after each such Billing Period;

OR

2.3.3(b) notwithstanding anything above, with respect to its own Billings and/or Remittances a Member may establish a greater frequency than that prescribed herein in which case such Member may elect to use the shorter reporting and Remittance Period which results as a basis for determining the Agent's irregularities pursuant to Paragraph 2.5.

2.4 THE REMITTANCE DATE

The provisions of this Paragraph govern and define as the dates by which Remittances shall reach Members. As used in this Section, the term 'Remittance Date' shall designate either:

2.4.1 the day by which Sales Reports (or 'no sales' reports) and Remittances shall reach the Member as specified in Paragraph 2.2 or 2.3; or

2.4.2(a) when such day falls on a Saturday, Sunday or public holiday, the first working day thereafter,

OR

2.4.2(b) in countries where the recognised weekly holiday is not a Saturday and/or Sunday, the Remittance Date shall be the first working day after the recognised weekly holiday.

2.5 IRREGULARITIES AND DEFAULT

The provisions of this Paragraph govern failures by Agents to adhere to the Reporting, Remitting and settlement payment procedures. These can include:

- Overdue Sales Report
- Overdue Remittance
- Dishonoured cheque or payment
- Failure to include sales
- Accumulation of the above Irregularities.

For the purpose of this Paragraph, submission and payment on demand means submission and payment received by the Member before the close of business of its office on the first day such office is open for business following the day of the demand;

2.5.1 Overdue Sales Report/Remittance

2.5.1.1 if a Sales Report and full remittance, or where applicable a 'no sales' report, has not been received by a Member by the Reporting Date or Remittance Date as applicable, the Member shall immediately send to the Agent a Notice of Irregularity in respect of that Location with a copy to the Agency Administrator, as a registered letter, or certified letter with return receipt, or in countries where registered/certified mail is not available by use of regular postage, fax and e-mail as appropriate, in the form prescribed from time to time.

2.5.1.2 the Member shall simultaneously demand immediate submission of the overdue Sales Report and payment of the amounts due, if any. If submission and payment are not made by the Agent on demand, the Member shall immediately declare the Agent in Default by e-mail or similar fast method of communication (and confirming in a full report by registered mail or in countries where registered/certified mail is not available by use of regular postage and e-mail as appropriate) to the Agency Administrator, and Default Action shall be taken with respect to all Locations of the Agent in accordance with Paragraph 2.6.

2.5.1.3 at the end of each Reporting Period, the Agency Administrator shall compile a list of all Approved Locations in respect of which such notices were sent during the previous Reporting Period, and shall send a copy of such list to all Members.

2.5.1.4 if 2 (two) Notices of Irregularity (including Irregularities reported under these Rules) are recorded on such lists in respect of a Location during any 12 consecutive months, Default Action shall be taken with respect to such Location of the Agent in accordance with Paragraph 2.6;

2.5.2 Dishonoured Cheque or Other Method of Payment

2.5.2(a) if a cheque or other method of payment in settlement of amounts due by an Agent hereunder is dishonoured after the Remittance Date by a non-payment by the drawee bank, the Member shall without delay send to the Agent a Notice of Irregularity in the form prescribed and demand immediate payment from the Agent. Such Notice shall count as two listed instances of Irregularity for the purposes of the lists provided for in Subparagraph 2.5.3.

2.5.2(b) if payment is not received on demand or is so received, but more than ten calendar days after the Remittance Date, the Member shall immediately declare the Agent in Default by e-mail or similar fast method of communication to the Agency Administrator, and by sending a registered letter, or in countries where registered/certified mail is not available by use of regular postage, fax and e-mail as appropriate, to the Agent (with copy to the Agency Administrator) in the form prescribed from time to time and Default Action shall be taken with respect to all Locations of the Agent in accordance with Paragraph 2.6.

2.5.2(c) for the purpose of this Paragraph submission and payment on demand means submission and payment received by the Member before the close of business of its office on the first day such office is open for business following the day of the demand;

2.5.2.1 provided that the Member's actions described herein in respect of the non-receipt of Settlements or Remittances by the due dates shall not apply when the Member or the Agency Administrator determines from factual evidence that the Agent or location had arranged for the payment or remittance of monies, in due time to reasonably ensure receipt by the Member by the submission date or by the Remittance Date as the case may

be, and that such non-receipt had been caused by extraneous factors or bona fide bank error;

2.5.2.1(a) if it is established that non-payment by the drawee bank of such cheque or other debit is due to a bona fide bank error or was caused by extraneous factors, and settlement of all amounts due is received on demand, the Notice of Irregularities so recorded above shall be rescinded by the Agency Administrator;

2.5.2.1(b) if it is subsequently established that non-payment by the drawee bank of such cheque or other debit is due to a bona fide bank error or was caused by extraneous factors and settlement of all amounts due is received, but after Default Action has been taken, the Agency Administrator shall immediately withdraw the Default and Notice of Irregularities so recorded above and shall notify all Members;

2.5.2.2 Bona Fide Error

a bona fide bank error is one of the following circumstances substantiated by evidence acceptable to the Agency Administrator:

(i) **Credit Arrangements or Automatic Transfer of Funds**

When on the date that the cheque or other debit was presented to the bank for payment, sufficient funds should have been available in the account on which the cheque or other debit was drawn by virtue of a valid written line of credit or other written arrangement, dated and executed between the bank and the Agent prior to the Reporting Period involved, and the bank erroneously fails to honour such line of credit or other arrangement, or

(ii) **Sufficient Funds**

when sufficient collected funds were in the Agent's account on which the cheque or other debit was drawn and available for immediate withdrawal at the time the cheque or other debit was presented to the bank for payment, and the bank erroneously fails to honour the cheque or other debit,

Note: *'uncollected funds' shall not be considered funds available for immediate withdrawal.*

2.5.3 Accumulated Irregularities

2.5.3.1 at the end of each Reporting or Billing Period, the Agency Administrator shall compile a list of all Approved Locations in respect of which such Notices were sent during the previous Reporting/Billing Period, and shall send a copy of such list to all Members.

2.5.3.2 if 2 (two) Notices of Irregularity are recorded on such lists in respect of an Approved Location during any twelve consecutive months, Default Action shall be taken with respect to such Location of the Agent in accordance with Paragraph 2.6.

2.5.4 Agent in Default as an IATA Cargo Agent

if an Agent which is also registered as an IATA Cargo Agent under the IATA Cargo Agency Rules is declared in Default under those Rules in connection with its cargo activities (other than by reason of accumulated

irregularities), such Agent shall also be deemed in Default at all Locations under these Rules and Default Action shall be taken with respect to all Locations of the Agent in accordance with Paragraph 2.6 of this Section;

2.5.5 Failure to Include Sales—Subsequent Detection/Discovery

2.5.5.1 if an Agent fails to include on its Sales Report any of the Traffic Documents issued by the period covered by it, and to remit monies due and such failure is detected after the Remittance Date applicable to the Reporting Period, the following provisions shall apply:

- (i) on learning of such failure, the Member shall immediately send to the Agent by registered mail, or in countries where registered/certified mail is not available by use of regular postage, fax and e-mail as appropriate, a Notice of Irregularity in the form prescribed from time to time, with a copy to the Agency Administrator, for the Reporting Period in which such failure was detected/discovered.

- (iii) such Irregularity shall be recorded by the Agency Administrator against the Location concerned on the list maintained pursuant to Subparagraph 2.5.3,

2.5.5.2(a) if payment is not received from the Agent on demand, the Member shall immediately declare the Agent in Default and Default Action shall be taken with respect to all Locations of the Agent in accordance with Paragraph 2.6 or

2.5.6 Notice of Default

the Agency Administrator's notice to Members advising of an Agent's Default shall be sent by appropriate communication medium, immediately upon discovery of the Default.

2.6 DEFAULT ACTION

The provisions of this Paragraph govern the procedures that shall be taken if Default Action to be taken in accordance with any of the provisions of Paragraph 2.5. The procedures prescribed in this Paragraph shall be followed:

2.6.1 the Agency Administrator shall immediately:

- (i) advise all Members that the Agent is in Default at all Locations or at the Location concerned, and

- (iv) notify the relevant credit reporting agencies and the Airlines Reporting Corporation of any outstanding amounts owed due to the default;

2.6.3 if at any time, the Agency Administrator becomes aware that there exists between the declaring Member and the Agent any dispute arising solely from amounts due or claimed to be due to the Member from the Agent or vice versa in respect of the Reporting/Billing Period for which the Notice of Irregularity was sent, and/or in respect of previous Reporting/Billing Periods, he shall

- (i) withdraw the declaration of Default,

2.7 INDEMNITY

if a Member sends a Notice of Irregularity to an Agent or declares an Agent in Default and such action is found subsequently to have been wrongly taken, the Member taking such action shall indemnify IATA, its officers and employees and other Members against all claims (including legal costs) arising from acts performed in reliance on such action; provided that in case of an out of court settlement such indemnifying Member shall have approved the terms of the settlement;

2.8 REMITTANCE AND SETTLEMENT DELAYED BY OFFICIAL GOVERNMENT ACTION

notwithstanding any other provision contained herein an Agent shall not be sent a Notice of Irregularity, debited for administrative or Clearing Bank charges nor declared in Default with respect to all or any part of a remittance to the extent that the Agent is unable to make full settlement because of official Government action which directly prevents such settlement; provided that the Agent demonstrates that the amount has been made available for remittance at a recognised bank but cannot be remitted owing to such official Government action.

Section 3—Consequences of Default to BSPs and to Members

3.1 DETERMINATION OF AGENT'S INDEBTEDNESS TO MEMBERS/AIRLINES

The provisions of this Paragraph govern the procedures that shall be implemented when an Agent declared in Default owes monies to BSP Airlines.

3.1.1 When Settlement has been made

when the Agency Administrator has determined that an Agent declared in Default under any of the provisions of these Rules has effected settlement of amounts due, if any, as provided for in Default Actions (Subparagraphs 1.10.2(ii) and/or 2.6.2(ii)), the provisions of Paragraphs 3.3 through 3.5 inclusive shall apply;

3.1.2 When Settlement has not been made

3.1.2(a) when the Agency Administrator has determined that an Agent declared in Default under any of the provisions of these Rules has failed to settle amounts due as provided for in Default Actions (Subparagraphs 1.10.2(ii) and/or 2.6.2(ii)), he/she shall give the Agent notice of termination of the Sales Agency Agreement; Paragraph 3.2 below provides for the settlement of monies due, including minimum repayment amounts and a schedule for the balance. Provided that the Agent effects settlement agreed under Paragraph 3.2, the termination will not take place.

3.1.2(b) if an Agent dishonours a repayment schedule the original termination notice will be deemed valid even though the termination may occur at a date other than that specified originally, and the provisions for this in the applicable Passenger Sales Agency Rules shall apply.

3.2 SETTLEMENT OF AMOUNTS DUE

The provisions of this Paragraph govern the settlement of monies due by an Agent declared in Default.

3.2.1 when an Agent declared in Default is able to demonstrate to the Agency Administrator prior to the termination date specified in his notice of termination that:

- (i) either all outstanding amounts, if any, have been settled, or
- (ii) when IATA holds a Financial Security from the Agent, at least 30% of the outstanding amount has been settled and a firm schedule for repayment by installments of the balance plus interest at the official (prime) bank rate plus two percent has been agreed between IATA and the Agent, within six months or up until the expiry of the Financial Security held by IATA, whichever is earlier.

During the period as established within the agreement, IATA shall not encash any Financial Securities held from the Agent, until the Agent fails to honour its instalments; or

- (iii) when IATA does not hold a Financial Security from the Agent, at least 30% of All Amounts Owed have been remitted and a firm schedule for repayment by instalments within twelve months of the balance plus interest at the official (prime) bank rate plus two percent has been agreed between IATA and the Agent; or
- (iv) an alternative repayment schedule and conditions have been agreed between the Agent and IATA, not less than 30% of such amount has been settled and a firm schedule for repayment by instalments over an agreed period of the balance plus interest at the official (prime) bank rate plus two percent has been agreed between the Agency Administrator and the Agent; such alternative repayment schedule shall extend over no more than 12 months if IATA does not hold a Financial Security from the Agent, or 6 months if IATA holds a Financial Security from the Agent;
- (v) During the period as established within the agreement, if the Agent already has a Financial Security held by IATA, IATA shall not encash any Financial Securities held for the Agent, until the Agent fails to honour its instalments, or up until the expiry of the Financial Security, whichever is earlier.

3.2.2 the Agency Administrator shall notify Members, Airlines and ISS Management accordingly.

3.3 REVIEW BY THE AGENCY ADMINISTRATOR

3.3(a)–3.3.2 Agents able to demonstrate financial qualification

3.3(a) when the Agency Administrator is satisfied that the Agent has effected settlement of all outstanding amounts, he/she shall require the Agent to furnish a bank guarantee or an approved insurance guarantee or bond equivalent to sales at risk;

3.3.1(a) (Canada & Bermuda only) if the Agent has previously supplied to the Agency Administrator a temporary financial security under any provisions of these Rules, the Agent shall be required to demonstrate to the Agency Administrator that its financial and credit standing meet the requirements specified within the applicable Passenger Sales Agency Rules by the submission of satisfactory financial statements. When the Agent satisfies those requirements the Agency Administrator shall so notify BSP Airlines;

3.3.1(b) provided the Agent satisfies the qualifications set forth in **3.3(a)** and furnishes a bank or insurance guarantee and, in the case of Default resulting from accumulation of Notices of Irregularity demonstrates it has taken adequate measures to prevent recurrence of such irregularities, the Agency Administrator shall so notify BSP Airlines;

3.3.1(c) following reinstatement the Agency Administrator shall conduct a financial review of the Agent to determine if the Agent is still required to furnish a guarantee. Such review will only be conducted based on the financial position and audited accounts of the Agent dated

following the reinstatement and full settlement of all previous outstanding amounts. He/she may, by letter to the Agent, request that documents be provided by a specific date which date shall be no earlier than seven days from the date of the request.

3.3.1(d) if the results of the financial review detailed in **3.3.1(c)** above determine that the Agent's financial situation is sufficiently secure the Agency Administrator may remove the requirement for the Agent to continue furnishing a guarantee.

3.3.1(e) after reinstatement Agents may be required to continue to provide a guarantee subject to the results of any financial review.

AND (All Countries)

3.3.2 Agents not able to demonstrate financial qualification

if the Agent having settled all outstanding amounts, if any, is unable to demonstrate to the Agency Administrator by a specified date that its financial and credit standing satisfies the qualifications set forth in the applicable Travel Agent's Handbook or Passenger Sales Agency Rules and, in the case of Default resulting from accumulation of Notices of Irregularity, that it has taken adequate measures to prevent recurrence of such irregularities, the Agency Administrator shall give the Agent notice of termination of the Sales Agency Agreement or of removal from the Agency List as the case may be. If, prior to the date of termination or removal, the Agent eliminates the grounds for such termination or removal to the satisfaction of the Agency Administrator, the termination or removal shall not take effect.

3.4 EFFECTS OF RETENTION AFTER DEFAULT

a Defaulting Agent whose Agreement has not been terminated shall be cleared of all irregularities recorded against all its Locations prior to the Default. For the purposes of Subparagraphs **1.7.6**, the commencement of the 12-month period (or 6-month period for the Philippines) shall be the date of the Agency Administrator's notification pursuant to Subparagraph **3.3.1**.

3.1.3 when the effect of reissue would be to change the type of fare (e.g. normal fare into excursion fare) or grant a reduction (e.g. normal fare into youth fare) for an itinerary involving a sector already flown;

3.2 in all other cases, an Agent may reissue a Traffic Document, provided authorisation to do so has been requested from and given by the issuing airline shown on the Traffic Document presented for reissuance, or by the airline shown in the 'Original Issue' box. Such authorisation is not required if a Traffic Document is reissued, without changing the routing, only to change the carrier named for transportation to become the carrier shown in the 'Original Issue' box of the ticket;

3.3 the reissued Traffic Document shall be issued only in the name of the carrier which issued the Traffic Document presented for reissue, or the carrier shown in the 'Original Issue' box;

3.4 any restrictive remark shown on the Traffic Document, presented for reissue, must be carried forward on the new Traffic Document;

3.5 an Agent shall not issue a miscellaneous document against an unused or partly used document;

3.6 when authorisation to reissue is required, written evidence of such authorisation shall be obtained and made available on request by the respective carrier, except where Electronic Ticketing processes are used.

4. INVOLUNTARY REROUTING

(change due to special airline operational circumstances)

4.1 in the case of involuntary rerouting, reissuance of Traffic Documents and change of reservations data on the Traffic Document are restricted to air carriers;

4.2 reissuance of involuntarily rerouted Traffic Documents and change of reservations data on such tickets are also restricted to air carriers.

△ WHEREAS [Resolution 812](#) will be applicable in those countries currently under the 800 set of Sales Agency Rules, and will replace [Resolution 800](#);

WHEREAS the Passenger Agency Conference recognises that specific parameters must be met before [Resolution 812](#) becomes effective in a market; it is

RESOLVED that,

1. The Agency Administrator will establish the date upon which a market/region is migrated to [Resolution 812](#) with consideration of the following parameters:

- △ (a) Readiness of the carriers participating in the market;
- △ (b) Readiness of the Ticketing System Providers (TSPs);
- △ (c) IATA's internal operational readiness;
- △ (d) Readiness of the existing IATA Accredited Agents in the market;
- (e) Compliance with any local laws or other regulatory requirements.

2. Notwithstanding, where the above conditions cannot be met, the Agency Administrator may, in consultation with and with the approval of the PSG, establish the date upon which a market/region will be migrated to [Resolution 812](#).

3. Notwithstanding, the Agency Administrator may, in consultation with and with the approval of the PSG, establish an earlier date for the implementation of Alternative Transfer Method rules in a market in accordance with the provisions of [Resolution 896](#). Notification will be given to all BSP Airlines and to all Accredited Agents of the implementation date in the respective market no later than 60 days before such date.

4. Notwithstanding the above, upon implementation of [Resolution 812](#) in a market, the Agency Administrator may, in consultation with and with the approval of PSG, delay the implementation of [Resolution 812a](#). In such cases, the consent for use of Alternative Transfer Methods will be managed bilaterally between individual BSP Airlines and Agents. Notification will be given to all BSP Airlines and to all Accredited Agents of the implementation of [Resolution 812a](#) in the respective market no later than 60 days before such date.

5. Prior to implementation of [Resolution 812](#) in a market:

5.1 Notification will be given to all BSP Airlines and to all Accredited Agents of the implementation date in the respective market no later than 90 days before such date

□ 5.2 No later than 60 days before such date, IATA will:

- (i) Conduct a revalidation process for all existing IATA Accredited Agents in accordance with the provisions under [Resolution 812 section 3.2.4.1 \(b\)](#). IATA Accredited Agents with any unreported changes identified during this process will not incur any Risk Events per [Resolution 812 section 4.2](#), nor will any actions as described under section 10.11 apply if the changes are declared during this process. If IATA becomes aware of such changes after this exercise is concluded, all provisions under [Resolution 812](#) shall apply.
- (ii) Determine the minimum Financial Security required for each existing IATA Accredited Agent using the Local Financial Criteria or [Resolution 800f](#) where such criteria are absent and inform all Agents on the necessary requirements in accordance with [Resolution 812 section 2.5.6](#) and [2.5.7](#).
- (iii) Revalidate any Financial Security it has on hand to assure that they are in an acceptable format and compliant with [Resolution 850p](#).

5.4 IATA will assess the Risk Status of all Agents and assign a Remittance Holding Capacity, in accordance with the provisions of [Resolution 812 section 5](#). The assignment of the Risk Status will include a Risk History Assessment, and will consider any events incurred by the Agent which constitute Risk Events per [Resolution 812 section 4.2](#) and which have not expired on the day [Resolution 812](#) becomes effective in that market.

5.5 IATA will distribute to all Agents in the market any relevant information in relation to their operation in the BSP under [Resolution 812](#), including but not limited to applicable Financial Security requirements, Risk Status and Remittance Holding Capacity.

△ 6. Upon implementation of [Resolution 812](#), [Resolution 800](#) will no longer apply in that particular market.

7. In the event that the Local Financial Criteria of a market/region conflicts with the provisions of [Resolution 812](#) once implemented in a market, [Resolution 010](#) will be referenced and the Hierarchy of Sources applied.

RESOLUTION 848

IATA EASYPAY

PAC(56)848(except USA)

Expiry: Indefinite
Type: B

WHEREAS IATA will pilot the IATA EasyPay payment method in a selected number of BSPs during 2017;

It is RESOLVED that the following provisions are adopted for application in any market where the IATA EasyPay payment method is launched, until superseded by [Resolution 812](#).

1. DEFINITIONS

1.1 "IATA EASYPAY PAYMENT METHOD" (sometimes referred to as "IEP") means a pay-as-you-go payment system provided by IATA enabling Accredited Agents to issue Standard Traffic Documents on behalf of BSP Airlines.

1.2 "IATA EASYPAY ACCOUNT" (hereafter referred to as IEP ACCOUNT) means an account opened by the Agent in accordance with the instructions provided by IATA.

1.3 "IATA EASYPAY SYSTEM" (IEP System) means the system operated by a provider on behalf of IATA for the processing of Agents' remittances and refunds using the IEP Payment Method.

1.4 "IATA EASYPAY NUMBER" (hereafter referred to as IEP NUMBER) means a number generated by the IEP System for use by the Agent for the issuance and processing of Standard Traffic Documents.

2. ACCEPTANCE

2.1 In each market/region where this Resolution is implemented, all BSP Airlines will accept IEP unless a BSP Airline has notified IATA that it does not wish to accept IEP in a market.

3. IEP ACCOUNT

3.1 In order to use IEP, the Agent must open an IEP Account using the IEP System.

3.2 The Agent may have more than one IEP Account.

3.3 Before the Agent can issue Standard Traffic Documents using IEP, the Agent must first ensure funds have been made available in the IEP Account.

3.4 Once the Agent has opened an IEP Account and made funds available, the IEP System will generate an IATA EasyPay Number.

3.5 There is no maximum or minimum amount of funds required to be held in an IEP Account.

3.6 The Agent may transfer funds to its IEP Account at any time.

3.7 The Agent may withdraw any available funds in its IEP Account at any time, subject to the terms and conditions applicable to the IEP Account.

3.8 The Agent may close its IEP Account at any time using the IEP System, subject to the terms and conditions applicable to the IEP Account, provided that:

- (a) there are no amounts in the IEP Account which have been blocked in accordance with [section 4.1](#); and
- (b) the Agent has first withdrawn all available funds in the IEP Account.

4. ISSUANCE OF STANDARD TRAFFIC DOCUMENTS USING IEP

4.1 If there are sufficient available funds in the Agent's IEP Account for the issuance of a Standard Traffic Document, then:

- (a) that amount will be blocked in the IEP Account pending remittance and will no longer be part of the available funds in the IEP Account;
- (b) the IEP System will provide the GDS with an authorisation to proceed with the transaction; and
- (c) the GDS will issue the Standard Traffic Document upon receipt of the authorisation to proceed with the transaction from the IEP System.

4.2 If there are insufficient available funds in the Agent's IEP Account, the IEP System will reject the transaction.

5. BILLINGS AND REMITTANCE OF MONIES BY AGENTS USING IEP

The Agent using IEP will receive Billings incorporating Accountable Transactions, for which the remittance procedures and other provisions in Resolution 818g Attachment 'A' will apply.

6. WAIVER AND INDEMNITY

6.1 The Agent waives any and all claims or causes of action against any BSP Airline or IATA and any of their officers, employees and other appointees for any loss, liability or damage of any kind (including liability for legal cost) arising out of the Agent's use of IEP, including, without limitation, any loss or deficit in the IATA EasyPay Account opened by the Agent.

RESOLUTION 850

BILLING AND SETTLEMENT PLANS

△ PAC(59)850/(Mail A662)(except USA) Expiry: Indefinite
Type: B

WHEREAS IATA Settlement Systems Management is a functional area of IATA Customer, Financial and Digital Services responsible to the IATA Board of Governors for the management and efficient operation of the IATA Settlement Systems (hereafter referred to as “ISS”), and

WHEREAS the Passenger Agency Conference exercises authority and responsibility over the IATA Passenger Agency Programme, including the relationship between BSP Airlines and Agents, and

⊗ WHEREAS Members have introduced Billing and Settlement Plans (BSP).

It is hereby RESOLVED that,

1. DEFINITIONS

The definitions of terms and expressions used in this Resolution are contained in [Resolution 866](#).

2. IATA RESPONSIBILITIES

IATA is responsible for all ISS administration and operational functions, such as:

- budgets (cost and revenues)
- staffing
- contracts (service agreements) to include signature authority
- office management and administration, and

IATA shall operate in accordance with the Resolutions of the Conference, which describe the provision of services in the operating BSPs.

3. CONFERENCE RESPONSIBILITIES

3.1 The Conference is responsible for setting operational standards, and for the rules and procedures for IATA Accredited Agents, as provided in the Sales Agency Rules and other Resolutions of the Conference.

3.2 The Conference is responsible for establishing the standard forms necessary for the operation of the BSP.

4. CONSULTATION WITH BSP AIRLINES

4.1 Where necessary under the Resolutions, or at any time in its discretion, IATA shall accomplish consultation with airlines participating in a given BSP through either (i) in an emergency, through immediate communication with the airline representatives of the relevant APJC, or (ii)

otherwise through the creation of an ad-hoc task force reporting to the PSG and comprised of representatives of the APJC airlines and the other airlines participating in that BSP. The creation of and terms of reference for such task force is hereby delegated to the PSG. Airlines not participating in such task force shall remain eligible to provide any relevant feedback to IATA directly.

5. BUSINESS CASE—IMPLEMENTATION OR EXTENSION OF A BSP

5.1 The Head Office of any Member or group of Members that has an interest in a specific market, may request IATA to initiate a study by identifying the circumstances that should warrant the implementation or extension of a BSP.

5.2 In the absence of a request for a study from a Member or group of Members, if IATA considers that there are business opportunities in implementing a BSP in a market, it shall consult Members operating in that market prior to commencing a business case.

5.3 IATA shall be responsible for conducting a business case to finality, including consultation with Members operating in that market, to determine whether to implement a BSP or to extend an existing BSP to include another market(s)/region(s).

6. PARTICIPATION BY MEMBERS

Participation by Members in any BSP is voluntary. Members may join at the inception of a BSP, or may join at a later date, by notifying IATA and paying the joining fee and its continued participation in a given BSP will be dependent on the following requirements. The Member must:

6.1 operate scheduled passenger services.

6.2 have and maintain a valid designator and accounting code assigned by IATA.

6.3 sign a Counterindemnity Agreement with IATA as prescribed in [Attachment “C”](#) to this Resolution.

6.4 In order to enable the BSP to settle funds, the Members:

- (i) must have and maintain an open valid bank account in the BSP in the allowed currency(s) established by the BSP, or
- (ii) have signed an ICCS agreement with IATA.

6.5 The Member must settle any amount due, in a BSP settlement, to the BSP by the Remittance Date. This may include amounts due for BSP fees and charges applicable for its participation in the BSP. Payment of amounts outstanding shall be due on the Remittance Date of the period in which they were included in the billing. IATA shall have the right to deduct such fees and charges at any time prior to making a settlement to a Member.

6.6 The Member must not have any outstanding balances with IATA.

6.7 At least ninety percent (by number) of worldwide ticketed transactions using the Member's validation must involve air transportation.

- ☐ **6.8** IATA must not be prohibited from doing business with the Member or reasonably consider that doing so would pose an undue risk to IATA under applicable legal or regulatory requirements.

6.9 Members reporting transactions through the BSP that result from an Offer must ensure that their system is capable of the following functions:

- ☐ **6.9.1** the ability to provide IATA with the data required to comply with applicable legal and regulatory requirements (in a reasonably available data format as agreed with IATA and including the documentation demonstrating the identity of the Standard Traffic Documents) represented by an individual transaction, including the counterparties to that transaction. The Member shall not be required to provide any information to IATA pursuant to this clause which it is prohibited from providing under applicable law, or to provide information at an unreasonable frequency or scope considering IATA's legal and regulatory obligations.
- ☐ **6.9.2** the ability to prevent any transactions which are not for the issuance of Standard Traffic Documents, or which are not issued by the relevant Member airline, from being submitted to the BSP.

7. PARTICIPATION BY AGENTS

7.1 Where a BSP is implemented, the IATA shall so advise all Agents in the area and shall inform the Agents of how their participation in the BSP affects their work methods.

7.2 Only IATA Accredited Agents normally participate in a BSP. However, IATA may allow domestic-only non-IATA Agents to use the accounting and other technical facilities of a BSP as discussed in subparagraph 12.1 of this Resolution, provided a business case has been conducted, as provided in Paragraph 5 above, and such business case supports such use.

- ☐ **7.3** Domestic-only non-IATA Agents will not be allowed to participate in a BSP (or, if active, their participation will be terminated) if IATA is prohibited from doing business with that domestic-only non-IATA Agent or reasonably considers that doing so would pose an undue risk to IATA under applicable legal or regulatory requirements.

8. PARTICIPATION BY NON-MEMBER AIRLINES

A non-Member airline ("an Applicant") may submit an application to IATA in the form prescribed in [Attachment "D"](#) to this Resolution, to participate in a given BSP. Approval of the application shall be subject to the condition that the Applicant shall execute a Form of Concurrence as prescribed in [Attachment "E"](#) to this Resolution and its continued participation in a BSP

will be dependent on the following requirements. The non-Member airline must:

- 8.1** operate scheduled passenger services.
- 8.2** have and maintain a valid designator and accounting code assigned by IATA.
- 8.3** sign a Counterindemnity Agreement with IATA as prescribed in [Attachment "C"](#) to this Resolution.
- 8.4** In order to enable the BSP to settle funds, the non-Member airline:
 - (i) must have and maintain an open valid bank account in the BSP in the allowed currency(s) established by the BSP, or
 - (ii) have signed an ICCS agreement with IATA.

8.5 must settle any amount due, in a BSP settlement, to the BSP by the Remittance Date. This may include amounts due for BSP fees and charges applicable for its participation in the BSP. Such amounts due may be submitted for clearance through the IATA Clearing House, at IATA's discretion, if the non-Member airline is active therein. Payment of amounts outstanding shall be due on the Remittance Date of the period in which they were included in the billing. IATA shall have the right to deduct such fees and charges at any time prior to making a settlement to a non-Member airline.

8.6 The non-Member airline must not have any outstanding balances with IATA.

8.7 At least ninety percent (by number) of worldwide ticketed transaction using the non-Member airline's validation must involve air transportation.

- ☐ **8.8** IATA must not be prohibited from doing business with the Member or reasonably consider that doing so would pose an undue risk to IATA under applicable legal or regulatory requirements.

8.9 non-Member airlines reporting transactions through the BSP that result from an Offer must ensure that their system is capable of the following functions:

- ☐ **8.9.1** The ability to provide IATA with the data required to comply with applicable legal and regulatory requirements (in a reasonably available data format as agreed with IATA and including the documentation demonstrating the identity of the Standard Traffic Documents) represented by an individual transaction, including the counterparties to that transaction. The Member shall not be required to provide any information to IATA pursuant to this clause which it is prohibited from providing under applicable law, or to provide information at an unreasonable frequency or scope considering IATA's legal and regulatory obligations.
- ☐ **8.9.2** The ability to prevent any transactions which are not for the issuance of Standard Traffic Documents, or which are not issued by the relevant Member airline, from being submitted to the BSP.

9. PARTICIPATION BY GENERAL SALES AGENTS (GSAs)

- △ Each BSP Airline participating in a BSP shall have the facility to have its non-airline GSAs report its sales through the BSP and to remit either through the BSP or directly to the Principal, subject to the conclusion of an agreement for the provision of BSP services to the BSP airline's GSA, between IATA and the BSP Airline, containing the conditions for such participation. The GSA shall not be allowed to participate (or if active, its participation shall be immediately suspended) if IATA is prohibited from doing business with the GSA or reasonably considers that doing so would pose an undue risk to IATA under applicable legal or regulatory requirements or if the GSA fails to comply with any request from IATA for documentation required to confirm the same.

10. PARTICIPATION BY AIRPORT HANDLING AGENTS

10.1 IATA may approve applications by airport handling agents to be supplied with and issue Standard Traffic Documents if the applicant:

10.1(a)(i) is not an air carrier or,

10.1(a)(ii) is a division of an air carrier operating independently of that air carrier, and is not in possession of, or authorised, to issue that carrier's own Traffic Documents, and

10.1(b) acts as a passenger handling agent for one or more air carriers at an airport,

10.1(c) has secured sponsorship from an IATA Member participating in the BSP concerned,

10.1(d) undertakes to provide satisfactory security arrangements for premises and systems used for the issuance of Standard Traffic Documents,

- ☐ **10.1(e)** If IATA is not prohibited from doing business with the airport handling agent and does not reasonably consider that doing so would pose an undue risk to IATA under applicable legal or regulatory requirements;

10.1(f) agrees to submit Agency Sales Data and effect remittances in respect of Standard Traffic Documents issued in accordance with IATA instructions, and

10.1(g) executes an agreement with IATA governing the terms of its authorization to be supplied with and issue Standard Traffic Documents;

10.2 upon approval, such airport handling agents may be supplied with and issue Standard Traffic Documents.

- ☐ **10.3** The airport handling agent's participation shall be immediately terminated and its ability to be supplied with and issue Standard Traffic Documents immediately removed if IATA is prohibited from doing business with the airport handling agent or reasonably considers that doing so would pose an undue risk to IATA under applicable legal or regulatory requirements or if the airport handling

agent fails to comply with any request from IATA for documentation required to confirm the same.

11. CLOSURE OF A BSP

11.1 Should it be necessary, for whatever reason, to consider closure of an operating BSP, IATA will consult with the BSP Airlines. In the event of closure, IATA will normally give notice of at least 12 months to all participants, including agents, GSAs, airport handling agents, and BSP Airlines, except in situations where it is no longer feasible to continue operating the BSP effectively, the BSP operation will be suspended immediately.

- ☐ **11.2** In the event that IATA is unable to operate the BSP, the operation will be suspended until the market conditions are back to normal and IATA can continue operating the BSP normally.

- ☐ **11.3** In the event a BSP is closed or suspended all accredited Agents in that market will continue with its accreditation under [Resolution 800](#).

All costs relating to the closure incurred during the period of the notice and/or arising after closure, will be apportioned between the BSP Airlines in accordance with the ISS pricing formula.

12. EXTENSION OF BSP SERVICES

12.1 To the extent compatible with the primary purpose of the BSP which is to provide and issue Standard Traffic Documents and to serve as an accounting and settlement system between Agents and participating BSP Airlines, IATA may consider any proposal to make available to third parties the accounting and other technical facilities of a BSP.

12.2 Such proposal shall be such as to render the BSP's operation more cost-effective and shall not be in conflict with IATA Resolutions.

12.3 Where a BSP Airline issues Electronic Tickets on behalf of Agents through their web site, such sales may be reported to BSP for processing. In such case, the BSP Airline shall report such sales to the BSP on a daily basis.

13. RISK COVERAGE FOR SELF-HANDLING OF PROCESSING FUNCTIONS

Where a DPC is operating under the management and supervision of IATA (self-handled processing centre) for a BSP, BSP Airlines participating in that BSP undertake to indemnify IATA, its officers, employees and other appointees against liability (including liability for legal costs) for any action taken or omitted in good faith in the performance of their functions with respect to such operation. Where a separate legal entity has been established to carry a given BSP, such entity shall be deemed to be an "other appointee" in the sense of the preceding sentence, and shall be indemnified accordingly.

14. VOLUNTARY TERMINATION

14.1 A BSP Airline may withdraw from a given BSP by serving written notice of not less than three months, and shall be liable for their share of all costs through to the end of the notice period.

15. SUSPENSION OF BSP AIRLINE

Notwithstanding Paragraph 14 of this Resolution, IATA may immediately suspend (without a notification or other waiting period) a BSP Airline's participation in some or all BSPs under any of the following circumstances:

15.1(a) the BSP Airline fails to pay any amount due in relation to a BSP settlement, as provided for in subparagraphs 6.5 or 8.5 above;

15.1(b) the BSP Airline ceases all scheduled passenger operations, either temporarily (including where such operations are planned for future dates but are not currently being flown) or permanently, due to financial or other reasons, or otherwise no longer meets the requirements for participation in the BSP as described in Paragraphs 6 and 8 of this Resolution; or

15.1(c) the BSP Airline becomes subject to formal bankruptcy, moratorium of debt, reorganization, liquidation, or similar proceedings;

15.1(d) the BSP Airline defaults on a material obligation to the BSP under the Resolutions or other agreements governing its participation in the BSP, or

15.1(e) if the BSP Airline does not have a valid designator/prefix and accounting code assigned by IATA; or

15.1(f) if the BSP Airline is suspended from any of the other settlement systems provided by IATA, including the IATA Clearing House and the Cargo Accounts Settlement System; or

☐ **15.1(g)** if the BSP Airline fails to comply, within a reasonable deadline given the scope and format of the request as notified by IATA (but not less than 14 days unless specifically required by applicable law as demonstrated by IATA), with any reasonable request from IATA for documentation required pursuant to 6.9.1 or 8.9.1; or

☐ **15.1(h)** if the BSP Airline fails to comply with its obligations in Paragraphs 6 or 8 of this Resolution; or

15.1(i) if IATA otherwise determines that there are sufficient financial or legal grounds—including outstanding amounts owed to IATA in connection with its other settlement services or otherwise—to suspend the BSP Airline, in light of the financial or legal risk to the BSP.

15.2 At the discretion of IATA, IATA may elect to refrain from suspending a BSP Airline from some or all BSPs under this paragraph if there are alternatives available to protect the financial integrity of the BSP from the circumstances of the BSP Airline—including from the risk that refunds may exceed sales—and to obtain the immediate payment of outstanding debts of the BSP Airline to IATA. Such alternatives may include, at the discretion of IATA,

the provision by the BSP Airline of a centrally held security deposit, or alternative security acceptable to IATA to be held centrally, and calculated so as to cover funds at risk for a minimum of one month.

15.3 IATA shall follow the procedures outlined in Attachment 'F' to this Resolution upon the suspension of a BSP Airline pursuant to this paragraph.

15.4 If IATA determines that the financial integrity of the BSP is at risk as a result of the circumstances of a BSP Airline, IATA may withhold funds due from the BSP to such BSP Airline in order to secure the potential risk, in advance of any potential suspension of such BSP Airline.

16. SET-OFF RIGHTS

16.1 Set-off applies, and may be invoked by IATA at any time, with respect to any debt or claim owing by a BSP Airline to the BSP in relation to a BSP settlement—including any amount owed by the BSP Airline to IATA for the provision of BSP processing and management fees—against any monies held or owed by IATA or any of its divisions or affiliated entities and which is payable to that BSP Airline.

16.2 In addition, set-off also applies, and may be invoked by IATA at any time, with respect to any debt or claim owing by a BSP Airline to IATA or any of its divisions or affiliated entities against any monies held or owed by IATA or any of its divisions or affiliated entities and which is payable to that BSP Airline.

17. CHANGE OF OWNERSHIP

Where a BSP Airline undergoes a change of ownership which has the effect of transferring ownership to another entity, and wishes to continue participation in one or more BSPs, the BSP Airline shall

17.1 Provide sufficient information to IATA to allow for a review of the legal effect of the proposed change.

17.2 IATA shall review the information provided by the BSP Airline and determine whether the proposed change poses a financial or legal risk to the BSP—including the risk that refunds may exceed sales. If such a risk is identified, IATA shall determine whether there are alternatives available to protect the financial integrity of the BSP from such risk. Such alternatives may include, at the discretion of IATA, the provision by the BSP Airline of a centrally held security deposit, or alternative security acceptable to IATA to be held centrally, and calculated so as to cover funds at risk for a minimum of one month.

17.3 If the BSP Airline does not comply with the obligations under subparagraph 17.1 above, or if any risk to the BSP is identified by IATA and cannot be resolved pursuant to subparagraph 17.2 above, the existing BSP Airline will be terminated from all BSPs and the new carrier shall be processed as a new applicant.

17.4 Where a BSP Airlines ceases or will cease operations and remains indebted financially to IATA, and where the owners of such BSP airline have or will have

an interest in a new applicant airline, IATA may reject such application.

18. FINANCIAL LOSSES INCURRED IN HONOURING STANDARD TRAFFIC DOCUMENTS

In the case of financial losses arising from honouring Standard Traffic Documents where the issuing Agent may go into irredeemable default or where the Standard Traffic Documents have been issued fraudulently, IATA shall take the action outlined in [Attachment "G"](#) to this Resolution.

19. TICKETING AIRLINE SELECTION RULES

BSP Airlines shall follow the ticketing airline selection rules specified in [Resolution 852](#).

20. ELECTRONIC TICKETING AUTHORITY

Where a BSP Airline deposits its Electronic Ticketing Authority with an Agent, it shall simultaneously inform IATA.

21. BSP SETTLEMENT MODELS

21.1 Reported Sales Model

When used in connection with this model, the term "BSP settlement" for a Member or BSP Airline will be the amount of the sales reported for any one period notwithstanding whether all amounts have been received by IATA from the Agent.

21.2 Funds Received Model

When used in connection with this model, the term "BSP settlement" for a Member or BSP Airline will be the amount actually received by IATA from the Agent for any one period.

22. IATA EasyPay (IEP)

22.1 In each market or area where [Resolution 812](#) has been declared effective, all BSP Airlines will accept IEP by default, unless a BSP Airline notifies IATA that it does not wish to accept IEP in a given BSP.

22.2 If a BSP Airline wishes to opt-out of accepting IEP, the Airline must notify IATA through written notice a minimum of 30 days prior to the opt-out taking effect. The Airline will be liable for its share of IATA EasyPay transaction costs through to the end of the notice period.

22.3 Any Airline joining a BSP will accept IATA EasyPay by default unless the Airline has notified IATA of its opt-out in the respective market(s) prior to joining.

22.4 BSP Airlines accepting IEP in a given market undertake jointly and severally to indemnify IATA, its officers, employees and other appointees against any loss, liability, damage or claim of any kind arising out of or in connection with the operation of the IEP system in such market, including without limitation, any amount claimed by or owing to a provider operating the IEP System, as well as any liability for legal cost. The provisions of the Counterindemnity Agreement found in [Resolution 850 Attachment 'C'](#) apply mutatis mutandis to the present indemnity.

23. Accelerated Settlement

23.1 In some circumstances, Agent Remittances may be paid into the BSP prior to the Agent's ordinary Remittance Date and thereafter settled to the BSP Airline(s) prior to the ordinary Settlement Date. For the avoidance of doubt, the provisions of the Counterindemnity Agreement found in [Resolution 850 Attachment 'C'](#) apply to indemnify IATA, its officers, employees and other appointees against any loss, liability, damage or claim of any kind arising out of or in connection with such advance settlements to BSP Airline(s), as more fully described in the Counterindemnity Agreement.

☐ 24. System Requirements–Offers

BSP Airlines reporting transactions through the BSP that result from an Offer should ensure that their system is capable of the following functions. Failure to do so shall impact the BSP Airline's recovery from the Agent's Financial Security as set forth in the relevant Passenger Agency Sale Rules provisions.

24.1 The ability to prohibit the issuance of the Standard Traffic Document through real-time information as provided by IATA of an Agent's status:

- (i) an Approved Location is removed from the Agency List, declared in default, or has its Ticketing Authority removed in accordance with the Sales Agency Rules or,
- (ii) the BSP Member has withdrawn its authority from the Approved Locations to issue Standard Traffic Documents on its behalf.

24.2 the ability to activate or restrict a form of payment for any issuance of Standard Traffic Documents using real-time information as provided by IATA of an Agent's status.

24.3 the ability to provide IATA with the data required to enable real-time sales monitoring of Agent's sales of Standard Traffic Documents reported through the BSP.

RESOLUTION 850

Attachment 'F'

PROCEDURES FOR SUSPENSION OF A BSP AIRLINE

1. IMMEDIATE ACTION BY IATA IN THE EVENT OF SUSPENSION

If IATA determines that the BSP Airline should be suspended from BSP operations, IATA shall immediately:

- (a) Inform the BSP Airline concerned and all other BSP Airlines.
- (b) Instruct the Global Distribution Systems, Ticketing System Providers, and Data Processing Centres to suspend immediately the use of the BSP Airline's name and numeric code as ticketing airline, to suspend immediately the use of any automated systems for the processing of refunds or other credit/debit transactions on behalf of the BSP Airline, and to continue to report as usual any outstanding sales, refunds, or other credit/debit transactions made by Agents on behalf of the BSP Airline up to the date of the suspension.
- (c) Instruct all Agents:
 - (i) To suspend immediately all ticketing activities on behalf of the BSP Airline concerned.
 - (ii) To settle all Outstanding Billings and pending sales attributable to that BSP Airline either:
 - (a) with IATA, or
 - (b) with the BSP Airline concerned, in which case Agents must exclude the total amount due to or from the suspended BSP Airline (such as ticket sales or any refunds actually or potentially owing by that airline) from any Outstanding Billing. This exclusion should be made before remittance of the Outstanding Billing to IATA. However, if remittance has already occurred or if applicable law or billing procedure do not permit the necessary changes to remittance, then this exclusion may be made after remittance of the Outstanding Billing to IATA—thereby requiring a supplemental payment by or to the Agent of the amount excluded.
 - (c) The suspended BSP Airline should respond to any refund requests from Agents in a timely manner.
- (iii) Instruct the BSP Airline to download reporting copies of the billing analysis for the current period and any other periods affected by the suspension from BSPlink.
- (iv) Additionally, IATA may take any other actions reasonably necessary to implement the actions in this paragraph, including any actions necessary to comply with local law or local practice in a given BSP region.

2. SUBSEQUENT ACTION BY IATA

Thereafter, IATA shall monitor the situation and shall take any other action, where appropriate, after having sought legal advice, in order to respond to any individual circumstances. This may, where appropriate, include the following:

- (a) The opening of a special account, for the collection and management of monies due to the BSP Airline.
- (b) The immediate withholding of all amounts due to the suspended a BSP Airline. Subject to applicable laws, the BSP Airline or its administrator, receiver, liquidator, monitor, trustee, or similar representative or successor shall have no claim to such funds while retained in accordance with this paragraph.
- (c) The satisfaction of all outstanding debts, after a sufficient time has passed to ensure that all claims from all IATA settlements systems and otherwise have been finalized. The funds withheld from the suspended a BSP Airline's BSP participation, including any funds derived from BSP participation but held at the time of suspension within the IATA Currency Clearance Service, shall generally be used in the following priority:
 - (i) Firstly, for any refunds or other debts owed to the BSP in which such funds originate. Unless Agents were instructed to settle Outstanding Billings directly with IATA pursuant to subparagraph 1(iv)(a) above, or unless an agreement providing for the post-suspension submission of refunds has been agreed between IATA and the BSP Airline, such refunds shall not include any refunds submitted as part of any Outstanding Billings.
 - (ii) Secondly, for any remaining refunds or other debts owed to any other BSPs in which the BSP Airline participates. Again, unless Agents were instructed to settle Outstanding Billings directly with IATA pursuant to subparagraph 1(iv)(a) above, or unless an agreement providing for the post-suspension submission of refunds has been agreed between IATA and the BSP Airline, such refunds shall not include any refunds submitted as part of any Outstanding Billings.
 - (iii) Thirdly, for any other amounts that are due from the BSP Airline to IATA, including without limitations any amounts owing pursuant to the set-off rights as more fully described in Resolution 850 Paragraph 15.
 - (iv) Finally, any remaining amounts shall be returned to the BSP Airline or its administrator, receiver, liquidator, monitor, trustee, or similar representative or successor, as more fully governed by applicable law.
 - (v) In all instances any sales incentives established by the BSP Airline shall be settled directly between the BSP Airline and each Agent.

3. LIFTING OF SUSPENSION

If the BSP Airline resolves the circumstances giving rise to suspension (such as by resuming scheduled operations, curing its defaults, or otherwise), or if the BSP Airline protests the suspension in writing, IATA shall evaluate whether and how the BSP Airline will be reinstated in BSP operations and under what conditions. The BSP Airline shall be given the opportunity to be heard.

Such conditions may in particular require that the BSP Airline compensate the BSPs for any losses incurred as a result of the BSP Airline's default, that the BSP Airline satisfy all outstanding debt to IATA arising under any of its settlement systems or otherwise, and that the BSP Airline place a centrally held security deposit, or alternative security acceptable to IATA to be held centrally, and calculated so as to cover funds at risk for a minimum of one month.

4. SUSPENDED BSP AIRLINE OWING MONEY TO THE BSP

Where a suspended BSP Airline owes money to the BSP on any grounds and for any period, and the debt is considered irrecoverable, the remaining BSP Airlines must bear the loss, excluding any remuneration, if any, owed pursuant to Resolution 824 Section 9, in proportion to their share of the total amount in that Remittance Period. Such remuneration shall be settled directly between the suspended BSP Airline and the Agents.

5. TERMINATION

If, at the discretion of IATA, it does not appear likely that a suspended BSP Airline will be able to meet the requirements for the lifting of its suspension, or as may otherwise be necessary in light of the potential financial or legal risk to the BSP, IATA may terminate the participation of a suspended BSP Airline. Such termination shall not affect the obligation of the BSP Airline to satisfy its obligations to IATA hereunder or under the Resolutions or other agreements governing its previous participation in the BSP.

RESOLUTION 850e

INDUSTRY SETTLEMENT SYSTEMS

PAC(58)850e/(Mail A595)(except USA) Expiry: Indefinite
Type: B

WHEREAS the 1998 IATA Annual General Meeting agreed to restructure the IATA Industry Settlement Systems and has delegated responsibility to IATA Settlement Systems Management (hereinafter "ISS Management") for the management and efficient operation of this business activity and, to that end, has authorized changes in the management and operation of the IATA Industry Settlement Systems (hereinafter "ISS"), and

WHEREAS, it is therefore necessary to recognize the responsibility of ISS Management for all ISS administration and operational functions, such as:

- ISS budgets (cost and revenues)
- ISS staffing
- ISS contracts (service agreements) to include signature authority
- ISS office management and administration

and further to recognize that ISS matters will be supervised by the IATA Board of Governors, now it is

RESOLVED that upon this Resolution becoming effective:

1. All authority and responsibilities previously delegated by the PAConf to the BSPC and through the BSPC to the BSP Panels and their Steering Panels are subject to the condition that no such authority or responsibility shall be exercised with respect to the administrative and operational functions to be performed by ISS Management on ISS matters at the direction of the IATA Board of Governors, who shall act on the advice of the IATA Financial Committee.

2. This condition is without prejudice to, and shall not limit, all other authority and responsibilities currently exercised by the PAConf including the relationship between airlines and agents, provided, however, that PAConf shall take action to identify and amend the Passenger Sales Agency Rules and other PAConf Resolutions as required to implement the condition imposed in Paragraph 1.

RESOLUTION 850m

ISSUE AND PROCESSING OF AGENCY DEBIT MEMOS (ADMS)

△ PAC(56)850m/(Mail A662)(except USA) Expiry: Indefinite
Type: B

WHEREAS the Passenger Agency Conference ("the Conference") wishes to promote a consistent and standard set of rules for BSP practices,

It is RESOLVED that the following principles will be followed,

1. INTRODUCTION

1.1 The ADM serves to notify an Agent that unless there is some justification to the contrary, the Agent owes the issuing BSP Airline the amount shown on the ADM for the reasons indicated.

1.2 ADMS are a legitimate accounting tool for use by all BSP Airlines to collect amounts or make adjustments to Agent transactions in respect of the issuance and use of Standard Traffic Documents issued by the Agent. Alternative uses of ADMS may exist provided that consultation has taken place either individually with the Agent or a local representation of Agents, or through the applicable local joint consultative forum.

1.3 ADMS are to be specific in their detail as to why a charge is being made.

1.4 BSPLink (ASD in China) is mandated as the exclusive medium through which ADMS must be billed and disputed.

2. AIRLINE POLICY

2.1 Airlines are required to publish, and maintain their ADM policies to Agents through BSPLink (ASD in China), which will send a system alert of any changes to ADM policies to the Agents in advance of implementation.

2.2 Where possible the model shown in the Attachment to this Resolution should be applied.

3. BSP PROCESSING OF ADMS

3.1 ADMS shall only be processed through the BSP if issued within nine months of the final travel date. ADMS referring to refunds made by the Agent shall be processed through the BSP if issued within nine months after such refund has been made by the Agent. Any debit action initiated beyond this period shall be handled directly between the BSP Airline and the Agent.

3.2 ADMS/ACMS may be processed through the BSP, for a maximum period of 30 days following default action taken against an Agent in accordance with [Resolution 812 Section 6.9](#).

4. ISSUANCE PRINCIPLES

4.1 Airlines should consider establishing policies for a minimum value for the issuance of a single ADM. Where such minimum is established it may be published to Agents.

4.2 In principle ADMS should not be raised for the collection of administration fees.

4.3 If there is an administrative cost associated with the raising of an ADM it should be incorporated in the same ADM document raised for the adjustment. The inclusion of the administration fee must be communicated to the agent.

4.4 Airlines shall provide Agents with the phone or fax number and email address of a person or department that has knowledge of the concerned ADM.

4.4.1 Whenever applicable, a BSP Airline will provide the Related Document Number (RTDN) to which the ADM relates in order for BSPLink (ASD in China) to display the values of Fare Calculation Mode Indicator (FCMI) or Data Input Status Indicator (DISI) for Refund transactions.

4.5 An Agent shall have a maximum of 15 days in which to review and dispute an ADM prior to its submission to BSP for processing.

4.6 all disputes are to be settled by the Airline within 60 days of receipt.

4.7 If it is established that an ADM is not valid it must be cancelled.

4.8 Where erroneously issued ADMS are withdrawn by BSP Airlines or refunded to the Agent, any administration fee that may have been levied will be withdrawn, or refunded to the Agent. In the event the ADM is withdrawn or the amount is reduced due to any reason other than it was issued by mistake, the application of an administration fee shall be agreed between the Agent and the BSP Airline concerned.

4.9 Following consultation and if both parties agree a disputed ADM may be referred to the Travel Agency Commissioner to be resolved pursuant to [Resolution 820e Section 3.3](#).

4.10 An ADM that has been included in the BSP billing will be processed for payment. Any subsequent dispute of such ADM, must be dealt according to the applicable Passenger Sales Agency Rules.

RESOLUTION 850m

Attachment 'A'

MODEL ADM INDUSTRY PROCEDURES

1. DESCRIPTION

1.1 ADMs are a legitimate accounting tool for use by all BSP Airlines and should only be used to collect amounts or make adjustments to agent transactions in respect of the issuance and use of Standard Traffic Documents issued by or at the request of the Agent.

1.2 Alternative uses of ADMs may exist provided that consultation has taken place either individually with the Agent or through the applicable local joint consultative forum.

1.3 ADMs are to be specific in their detail as to why a charge is being made.

1.4 Any ADM relates to a specific transaction only, and may not be used to group unrelated transactions together, however, more than one charge can be included on one ADM if the reason for the charge is the same, and a detailed supporting list is provided with the ADM.

1.5 In the event an airline decides to apply a charge for under-collection or incorrect ticketing on a sale or for the adjustment of a refund issued incorrectly or incorrectly calculated, such charges must be clearly explained in the carriers published ADM policy or must be agreed with Agents bilaterally in writing.

1.6 No more than one ADM should be raised in relation to the same original ticket issuance. When more than one ADM is raised in relation to the same ticket it shall be specified for a different adjustment to previous issues.

1.7 All rejected or disputed ADMs must be handled by BSP Airlines in a timely manner.

1.8 Except where otherwise agreed in a market ADMs should not be used to collect third party costs not directly associated with the initial ticket issuance of a passenger journey.

1.9 When ADMs are raised for administration fees the level of such fees should be commensurate with the cost of the work incurred.

1.10 When the Agent has used an automated pricing system to generate the total ticket price including fare, tax, fees and charges specific to the purchase, and subsequent issuance, of a ticket for a journey, and there has been absolutely no manipulation by the Agent, on such price the ticketing systems shall send a Fare Calculation Mode Indicator (FCMI) to the airline, in accordance with the provisions of IATA PSC Resolutions 722f and 722g, to identify automated pricing has been used. The airline shall ensure the FCMI indicator is passed to an Agent in the event an ADM is issued.

2. ELIGIBILITY OF PERSON TRAVELLING

2.1 have been in the service of the said Accredited Agent continuously and without interruption for not less than 12 months immediately prior to the date of such Application; provided that a period of not less than three months' service with the Agent shall suffice where the person travelling was in the service of another Accredited Agent not more than 60 calendar days before commencing his present employment and was eligible under this Resolution; and

2.2 devote in a full-time capacity all or substantially all of his time directly to the promotion and sale of travel, including air transportation, on behalf of the Accredited Agent making such application, either at an Approved Location of the Agent or at the Agent's listed Administrative Office within the same country; and

2.3 be salaried and/or paid on a commission basis and be shown on appropriate disbursement records of the Agent; and

2.4 in the case where he is an employee whose full-time employment is not on the premises of the Approved Location or the listed Administrative Office of the Agent:

2.4.1 work hours not less than those normal for other eligible staff at such Agent's Approved Location, and he must be assigned to such Approved Location or listed Administrative Office and report there in person at least once a month, and have no other gainful employment. Additionally he must be carried regularly and in good faith on the payroll or other relevant disbursement records of the Agent, or

3. SUBORDINATES OF ELIGIBLE PERSONS

the eligibility of a person shall not in itself render eligible such person's subordinates who shall be eligible only if they meet all the applicable requirements of this Resolution.

4. FARE REDUCTION FOR SPOUSE

the spouse of a person travelling under the provisions of this Resolution may also be granted reduced fare transportation provided that;

4.1 the couple travel together from the point of origin to the point of destination in case of one way trips, or to the point of turnaround in case of round trips, or to the highest rated point in case of circle trips;

4.2 the discount granted is not greater than 50% of the applicable fare; provided that the discount shall only be applied to fares on which the discount for Agents provided for in this Resolution also applies;

4.3 under this Paragraph no person shall receive more than one reduced fare ticket per calendar year from any one Member;

4.4 such ticket shall not be deducted from the Agent's annual allotment described below;

4.5 nothing herein shall preclude a spouse who is independently eligible for reduced fare transportation under the provisions of Paragraph 2 from applying and travelling in accordance with the provisions of this Paragraph.

5. ANNUAL ALLOTMENT AND DISCOUNT

5.1 an annual allotment of two tickets, for one way, round or circle trip transportation in respect of each Approved Location of the Agent may be issued by each Member per calendar year at a discount of not more than 75% of the applicable air fare for the class of service used; provided that notwithstanding any conditions governing special fares, such tickets may not be issued using special inclusive tour basing fares. Where the charge for air transportation consists of a fare and a surcharge, e.g. weekend, business class, the discount shall be based on the fare and such surcharge, but shall not be applied to excess baggage charges or to any surcharge specifically excluded by the Member from the application of the discount. Any tickets issued to an eligible person attached to an Agent's listed Administrative Office shall not increase the total number of tickets permitted by this Resolution;

5.2 ICELAND ONLY notwithstanding Subparagraph 5.1 of this Paragraph, Members operating services to and from Iceland may provide Accredited Agents having one or more Approved Locations in that country with an unlimited number of tickets at a 50% discount over their lines between Iceland and UK/Scandinavia; provided this shall apply as long as there are not more than three Members serving Iceland.

6. APPLICATION FORM AND PROCEDURE

6.1 when applying for reduced fare transportation the responsible official of the Agent shall fully complete and sign the Application Form prescribed in Attachment 'A' to this Resolution and submit it in advance to all air carriers participating in the itinerary. All such carriers shall be responsible for granting approval and for the arrangements for issuance of their own Traffic Document on their own services and on the services of another air carrier, if applicable. In the latter instance the Agent, if so required by the ticketing Member, shall obtain and submit to the ticketing Member the written concurrence of all other air carriers participating in the itinerary;

6.2 whereas only a Member or where applicable the Member's General Sales Agent having duly appointed the Agent pursuant to the Passenger Sales Agency Rules may issue or cause to be issued reduced fare tickets under the provisions of this Resolution, other Members participating in the transportation need not have so appointed the Agent. The Member receiving the Application shall not grant the reduced fare transportation if it knows or reasonably should have known that the eligibility requirements or other requirements have not been met.

7. ACCEPTANCE PROCEDURE

the Member to which the Application is made need not accept it for processing. The Member may accept the Application if, in the Member's opinion, it covers travel by a person qualified to benefit under the provision of this Resolution.

8. TICKET ALLOTMENT—DEDUCTIONS

8.1 a deduction shall be made by each Member participating in the transportation granted from the Approved Location's annual allotment with such Member. However, where a reduced fare ticket is issued, in whole or in part over a line which is operated in pool the deduction pertaining to the pool sector shall be made by the pool partner Member issuing the ticket, whether or not that Member operates the actual pool service used; furthermore, where in an interchange service the aircraft of one Member operate a through service from points on its routes to points on another Member's routes, under charter to such other Member, the deduction shall be made only by the Member operating the flight, when the person travels exclusively on the interchange service;

8.2 irrespective of the actual Approved Location or listed Administrative Office where the passenger works, upon agreement between the Member and the Agent the deduction may be made from the annual allotment of any Approved Location of the Agent in the same country, as long as the aggregate number of tickets which the Member may grant the Agent pursuant to Subparagraph 5.1 of this Resolution is not exceeded;

8.3 an Agent shall not be allowed to reimburse a Member for a reduced fare ticket(s) issued and used for the purpose of reinstating any of its annual allotment for other reduced fare transportation.

9. ISSUANCE, REPORTING AND REMITTANCE OF REDUCED FARE TICKETS

the ticket issuing Member may either issue the reduced fare ticket directly or instruct the Agent to issue it. Commission or other remuneration shall not be claimed or retained by the Agent nor paid by a Member in respect of the reduced fare transportation provided in accordance with this Resolution. The reporting and remitting procedures applicable under the Passenger Sales Agency Rules shall apply in respect of reduced fare tickets; provided that:

9.1 where the Member issues the ticket a billing shall be promptly sent to the Agent and shall be settled directly by the Agent with the Member within 15 days of billing; or

9.2 where the Agent is instructed to issue the ticket such ticket shall be included in the next Agency sales report under Billing and Settlement Plan reporting procedures and remittance shall be made accordingly; or

9.3 where the Agent is instructed to issue the Member's Traffic Document the Agent shall report the issue in the

next Sales report due to the Member and remit the amount due in accordance with the remitting provisions set forth in the applicable Passenger Sales Agency Rules.

9.4 the ticket must be issued in the calendar year of application; and

9.5 in no case shall the ticket validity be more than three months from date of issue.

10. BILLING WHERE ISSUANCE PRECEDES CONCURRENCE(S) OF PARTICIPATING AIR CARRIERS

notwithstanding the provisions of Paragraph 8 of this Resolution where one or more participating air carriers' concurrences have been requested by a Member but have not been received prior to departure date, such Member may cause the ticket to be issued, subject to the following conditions:

10.1 the ticket is issued not earlier than ten days after the Application for the reduced fare transportation has been received; the Agent gives a written guarantee he will pay, within 15 days of billing to the issuing Member, the full applicable fare for each sector for which a concurrence has been refused; the Member must render such billing within 30 days of the date of receipt of any such refusal;

10.2 the Agent must, within 15 days of the Billing Date, settle the remittance due directly with the issuing Member to be passed to the respective air carrier concerned. If the Agent does not remit within such 15 day period, the irregularity and/or default procedures otherwise applicable to the Agent under the provisions of the Passenger Sales Agency Rules shall apply.

11. CHANGE IN ELIGIBILITY

if at any time prior to the commencement of the travel there is a change affecting the eligibility of the person travelling, either as a consequence of a change in status of such person (e.g. discontinued employment) or of the status of the Agent or Approved Location (e.g. the Agent or Approved Location comes under notice of default) the Agent shall immediately so notify the Member whose ticket is used and shall immediately return the ticket to that Member. The travel approval granted by the Member shall no longer be valid; provided that the Member shall be responsible for cancelling the reduced fare transportation only if it knows or reasonably should have known of the changed eligibility.

12. RETROACTIVE APPLICATION

notwithstanding the Application in advance requirement in Paragraph 6 of this Resolution it shall be permissible for a Member to accept an Agent's retroactive Application where there were exceptional and compelling reasons why the Agent was unable to make Application in advance; such retroactive acceptance may be granted if an Application is submitted not later than three months after date of purchase of the full fare ticket, in which case

it must be deducted from the annual allotment of the year when the full fare ticket was issued; provided (i) that the Agent is in all other respects eligible for such reduction; and (ii) that the Member accepting such retroactive Application shall obtain from the Agent and maintain on file for at least two years a letter explaining the exceptional and compelling reasons for such retroactive Application.

13. RECORDS

each Accredited Agent shall maintain, for not less than two years from the date of Application and hold immediately accessible, adequate records to substantiate the Agent's certification that a person named in any Application qualifies for reduced fare transportation. Such records shall be open to inspection by a Member to which an Application is made and shall include the following:

13.1 payroll ledger and cancelled cheques, money orders or other proof of payment of salary, wages and/or commissions as well as all deductions for taxes and social security (or equivalent) in the case of an employee;

13.4 copies of all Applications accepted by the Member to which the Application was made.

14. LIABILITY FOR ACCURACY OF APPLICATION

the Agent shall be solely responsible for the accuracy of each and every Application. In the event that the Agency Administrator receives a complaint in writing that the Agent, in an Application for reduced fare transportation under the provisions of this Resolution, has made a material misrepresentation, and the Agency Administrator finds that a prima-facie case has been established, he shall initiate a review by the Travel Agency Commissioner. If the Commissioner determines that the Agent did make a material misrepresentation in its application, the Agent in respect of its Approved Locations in the country concerned shall be deemed to have forfeited all reduced fare transportation privileges available under the provisions of this Resolution for a period of two years commencing 30 days after the date of the Commissioner's decision. For purposes of this Paragraph a material misrepresentation is any statement in or omission from an Application which conveys or implies that the Agent, or the person on whose behalf the reduced fare transportation is requested, is eligible for the grant of such reduced fare transportation when in fact either the Agent or such person is not so eligible.

RESOLUTION 890

CUSTOMER CARD SALES RULES

△ PAC(57)890/(Mail A469, Expiry: Indefinite
A662)(except USA) Type: B

WHEREAS Members/Airlines wish to grant authority to Agents to conduct Customer Card sales against their card acceptance merchant agreements, and

WHEREAS Members/Airlines and Agents seek to establish a defined series of procedures in order to ensure compliance with card industry rules and to eliminate or substantially reduce their exposure to fraud,

IT IS RESOLVED that the following conditions will apply, and the following provisions will be complied with for the sale of passenger air transportation and Ancillary Services for which payment is made by a Customer Card that is accepted by the Agent on behalf of a Member/Airline in the market/region concerned.

1. DEFINITIONS

The definitions of terms and expressions used in this Resolution are contained in [Resolution 866](#).

2. CUSTOMER CARD SALES RULES

The purpose of this Resolution is to provide the authority and related compliance requirements with card industry rules for Agents to make use of the card acceptance merchant agreements of Members and Airlines, collectively referred to in this Resolution as Member(s)/Airline(s), when accepting payment for the sale of passenger air transportation and Ancillary Services.

3. CUSTOMER CARD ACCEPTANCE

3.1 The Agent may accept Customer Cards as payment for the sale of passenger air transportation and Ancillary Services on behalf of the Member/Airline whose Traffic Document is being issued, subject to the provisions of this Resolution and the BSP Manual for Agents, as applicable.

3.2 The Agent will ensure that the type of Customer Card being processed during the sale is accepted for payment by the Member/Airline whose Traffic Document is being issued. The acceptance of any type of Customer Card is set individually by each Member/Airline and nothing in this Resolution will be interpreted as interfering with such independent business decision. If necessary, the Agent may seek clarification by contacting the concerned Member/Airline directly.

3.3 In the event of the Agent accepting a type of Customer Card which is not accepted by the Member/Airline whose Traffic Document is being issued, the Member/Airline will charge the non-payment from the card company to the Agent by means of an Agency Debit Memo (ADM), or, in non-BSP countries, a subsequent

adjustment will be made by the Member whose Traffic Document was issued.

3.4 This Resolution gives authority to accept only a Customer Card when using the card acceptance merchant agreement of the Member/Airline to collect payment for the sale of passenger air transportation and Ancillary Services. The Agent may not accept any other card or payment method that uses the Member/Airline's card acceptance merchant agreement, including any card issued in the name of the Agent or any Person permitted to act on behalf of the Agent, unless specifically authorised by such Member/Airline. A failure to comply with the present paragraph **3.4** will be undertaken under the sole responsibility and liability of the Agent toward the Member/Airline concerned.

3.5 When issuing and reporting Traffic Documents, the Agent must ensure to use the dedicated form of payment code and/or sub-code applicable to the payment method being accepted, as instructed by IATA.

4. SALES MADE WITH CUSTOMER CARDS

4.1 Authority

The Agent is authorised to accept sales using Customer Cards only:

4.1.1(a) when the Customer Card and the Card Holder are simultaneously present at the time of the transaction ("Face-to-Face Transaction"), or

4.1.1(b) for a Signature-on-File Transaction, and any other form of Customer Card sales in which a Customer Card and Card Holder are not simultaneously present, (a "Non-Face-to-Face Transaction"), which will be made under the sole responsibility and liability of the Agent.

4.1.2 No authority for sales for which payment is made by a Customer Card over the internet is included in this Resolution. The Agent must therefore contact Members/Airlines for specific instructions.

4.1.3 Charges against a Member/Airline's card acceptance merchant agreement are not permitted in respect of the Agent's own fees or charges.

4.1.4 A Member/Airline, in its sole discretion, has the right to cancel its authority to use its card acceptance merchant agreement, by notifying the Agent in writing.

4.2 Procedures

In BSP countries, Customer Card sales are subject to the rules and procedures in the BSP Manual for Agents as well as those in this Resolution, provided, that in case of any conflict or inconsistency between the BSP Manual for Agents and this Resolution, then this Resolution will prevail.

4.3 Approved Credit Card Charge Form

When issuing a Traffic Document using a Customer Card, the Agent will raise an approved Universal Credit Card Charge Form (UCCCF), or other signed authority, as

specified in the BSP Manual for Agents or, in non-BSP countries, as specified by the individual Member.

4.4 Customer Card Authorisation

4.4.1 The Agent must obtain an authorisation approval code from the card company for each transaction, and subsequently record it in the assigned space on the UCCCF or any other authority as referenced in Paragraph 4.3.

4.4.2 Such an authorisation approval code must be generated through the GDS system and without any manual interference by the Travel Agent, unless otherwise specified in the BSP Manual for Agents or, in non-BSP markets, as specified by the individual Member.

4.4.3 The Agent recognises that receipt of an approval code from the card company does not guarantee the transaction, and that any such approval code or other authorisation does not (and will not be deemed to) guarantee that the charge will not be disputed. In the case of a rejected transaction, an ADM will be issued by the Member/Airline, or, in non-BSP markets, a subsequent adjustment will be made by the Member whose Traffic Document was issued

4.5 Reporting

The Agent must comply with the local reporting procedures, as contained in the BSP Manual for Agents or, in non-BSP countries, as specified by the individual Member.

4.6 Records

4.6.1 The Agent, in order to demonstrate its compliance with the procedures contained in this Resolution regarding a rejected transaction, must retain all supporting documentation relating to any Customer Card transaction for a minimum period of thirteen (13) months.

4.6.2 As the principal to the card acceptance merchant agreement, the Member/Airline remains the rightful owner of all such supporting documentation.

4.6.3 In the event of material changes to the status of the Agent including, without limitation, the ceasing of operation, there is a continuing obligation on the part of the Agent to ensure that supporting documentation is retained, and can subsequently be made available to Members/Airlines as required.

4.7 Disputed Customer Card Transactions

4.7.1 If the ticketing Member/Airline receives a notice of a dispute relating to a transaction submitted to the card company, the Member/Airline will notify the Agent within 7 days and request appropriate supporting documentation and information, and the Agent will promptly comply with any such request within 7 days.

4.7.2 In the event of a disputed transaction and its subsequent rejection by the card company, the relevant Member/Airline will pass the loss to the Agent which issued the Traffic Document by means of an ADM or adjustment (as provided in Paragraph 3.3 above).

4.7.3 Failure by the Agent to settle any ADM or, in non-BSP countries, any individual Member's adjustment, resulting from any transaction will be dealt with in accordance with Resolution 832 sections 1.7.2 and 1.7.8, or Resolution 812 section 6.9.

4.7.4 The Member/Airline must make all reasonable efforts to ensure that only valid chargebacks are transacted, and must provide all reasonable supporting documentation requested by the Agent. Any error made by the Member/Airline or arising from BSP processes must not be passed back to the Agent.

5. FACE-TO-FACE TRANSACTIONS

5.1 The Agent must verify the expiry date, and, where appropriate, the effective date, of the Customer Card.

5.2 The Agent must capture the Customer Card details (Customer Card number, Card Holder, expiry date and, where applicable, effective date) by use of a card imprinter, or electronic "Point of Sale chip terminal" as defined by the card industry. If demanded by the terminal, a PIN may be entered into the terminal by the Card Holder. In addition, in BSP-countries, Customer Card details may, in addition, be entered into the GDS system by the Agent for the purpose of card authorisation, and for submission to the BSP.

5.3 The Agent must obtain an authorisation approval code generated through the GDS system from the card company for each transaction as specified in section 4.4 and without any manual interference by the Travel Agent, unless otherwise specified in the BSP Manual for Agents or, in non-BSP markets, as specified by the individual Member.

5.4 When Customer Card details of first time or unknown customers are entered into the GDS system for the purpose of card authorisation, the Agent (in order to reduce its own exposure to fraud), will obtain from the customer the "Card Verification Value" (which is the 3-digit code printed on the back of the Customer Card, or the 4-digit code printed on the front of American Express cards) and include it in the card authorisation request. The Agent will verify, upon receipt of the authorisation approval code, the result of the "Card Verification Value" check. In case of a MISMATCH notice, the Agent must consider the transaction as rejected and request a different form of payment.

5.5 Storage of the "Card Verification Value" for any reason whatsoever is strictly prohibited at all times.

5.6 The signature of the Card Holder on the validated UCCCF must be witnessed by the Agent and matched against the signature on the reverse of the Customer Card.

5.7 The Agent will not be held liable for payment to the Member/Airline for a Face-to-Face Transaction, provided that the provisions of sections 4 and 5, and, in BSP-countries, any other rules and procedures contained in the BSP Manual for Agents, have been complied with by the Agent.

6. NON-FACE-TO-FACE TRANSACTIONS

6.1 The Agent may, subject to the provisions of this section 6, choose to accept Non-Face-to-Face Transactions including, but not limited to, Signature-on-File Transactions and other card-not-present transactions.

6.2 Signature-on-File Transaction

6.2.1 For a Signature-on-File transaction, where the Card Holder empowers the Agent to issue a Traffic Document with a Customer Card, whereby the charge form bears the remark Signature-on-File in the place of the signature, a clear written arrangement between the Card Holder, the card company and the Agent must exist. Disputes between the Card Holder and the Agent do not release the Card Holder from its liability towards the card company.

6.2.2 A Signature-on-File agreement enables the Agent to sign the UCCCF on behalf of the Card Holder. The agreement must include the following information:

6.2.2(i) definition of the duration of the agreement;

6.2.2(ii) provision for termination by both parties;

6.2.2(iii) requirement for changes to be made in writing;

6.2.2(iv) the number and expiry date of the Customer Card(s);

6.2.2(v) name(s) and sample signature(s) of all parties authorised to make purchases under the agreement

6.3 The Agent must obtain an authorisation approval code generated through the GDS system from the card company for each transaction as specified for in section 4.4 and without any manual interference by the Travel Agent, unless otherwise specified in the BSP Manual for Agents or, in non-BSP markets, as specified by the individual Member.

6.4 When Customer Card details of first time or unknown customers are entered into the GDS system for the purpose of card authorisation, the Agent (in order to reduce its own exposure to fraud), will obtain from the customer the "Card Verification Value" (which is the 3-digit code printed on the back of the Customer Card, or the 4-digit code printed on the front of American Express cards) and include it the card authorisation request. The Agent will verify, upon receipt of the authorisation approval code, the result of the "Card Verification Value" check. In case of a MISMATCH notice, the Agent must consider the transaction as rejected and request a different form of payment.

6.5 Storage of the "Card Verification Value" for any reason whatsoever is strictly prohibited at all times.

6.6 When available and relevant, the Agent will conduct the transaction using any secure protocol as may be mandated by applicable law or as may be applied by the payment card industry.

6.7 Although Card details may have previously been verified by the Agent, the payment of passenger air transportation and Ancillary Services for a Non-Face-to-Face Transaction will be undertaken under the sole responsibility and liability of the Agent.

7. COMPLIANCE WITH PAYMENT CARD INDUSTRY DATA SECURITY STANDARDS (PCI DSS)

7.1 Compliance

To protect the customer's data, the Agent must ensure its full compliance with the Payment Card Industry Data Security Standards (PCI DSS) with respect to the issuance of Traffic Documents for which payment is made by a Customer Card that is accepted by the Agent on behalf of a Member/Airline. Should the PCI DSS be amended or modified, the Agent will, at the Agent's sole expense, promptly adjust its processes and policies to remain in full compliance. The Agent assumes full and sole responsibility for the security of any Card Holder data obtained by or provided to the Agent, including, but not limited to, secure handling, storage, transmission, and destruction of any such Card Holder data.

7.2 Requirement for PCI DSS compliance as an Accredited Agent

7.2.1 The Agent must comply with the requirements of the Passenger Sales Agency Rules with respect to PCI DSS.

7.2.2 Unauthorised access, loss, or disclosure of customer data

7.2.2.1 Notification of unauthorised access, loss, or disclosure of customer data

Within 24 hours of discovery, the Agent must notify the Member/Airline of any of the following:

- (i) its non-compliance with any part of the PCI DSS or any claims related to its non-compliance;
- (ii) any unauthorised access to, or unauthorised acquisition, misuse, disclosure or loss of, identifiable customer information obtained by or provided to the Agent, or any related claims;
- (iii) claims related to PCI DSS non-compliance, as described in section 7.3, no later than 24 hours after such access, acquisition, misuse, disclosure or loss, or the Agent's notice of such claim.

7.2.2.2 Assisting in the investigation of unauthorised access, loss, or disclosure of customer data

The Agent will, upon request by a Member/Airline, make all relevant documentation and the individuals responsible for implementing, maintaining, and monitoring the Agent's PCI DSS compliance available to Quality Security Assessors (QSAs), forensic investigators, consultants, or attorneys retained by a Member/Airline to facilitate the audit and review of a Member/Airline's PCI DSS compliance, as well as to a Member/Airline's staff responsible for information technology (IT) audits.

7.3 Indemnification

The Agent, to the extent not addressed in sections [7.1](#) and [7.2](#) and to the fullest extent permitted by applicable law, assumes full and sole responsibility and liability for, and agrees to indemnify, defend and hold harmless a Member/Airline, its directors, officers, employees and agents for, any and all claims, loss, injury, damage and related costs (including, but not limited to, reasonable attorneys' fees, expert fees and court costs), whether direct, indirect, consequential or punitive, resulting or arising from, or relating to, non-compliance with the PCI DSS, or the unauthorised access to, or unauthorised acquisition, misuse, disclosure or loss of, identifiable customer information obtained by or provided to the Agent, including, but not limited to, Card Holder data in physical or electronic form, except to the extent that such claims, loss, injury or damage are caused or contributed to by the gross negligence or wilful misconduct of the Member/Airline, its directors, officers, employees or agents.

8. RESPONSIBILITY FOR SUBMISSION OF CUSTOMER CARD TRANSACTIONS

8.1 The Agent is not responsible for the settlement from the card company to Members/Airlines of amounts payable under sales made by Customer Cards approved for such sales by the Members/Airlines whose Traffic Document is issued, provided the Agent complies with all applicable rules and procedures for handling Customer Card sales, including, but not limited to, the reporting actions specified within the BSP Manual for Agents, or in non-BSP countries, the instructions of the specific Member.

8.2 Notwithstanding Paragraph [8.1](#) above, the Agent must provide reasonable assistance to a Member/Airline that may have difficulty in receiving the settlement due to it.

8.3 When a sale is made by the Agent operating in a BSP market, the Agent must, without delay, ensure that the Customer Card transactions are submitted to the Data Processing Centre or submit the UCCCF described in Paragraph [4.3](#) of this Resolution, in accordance with the local rules and procedures specified in the BSP Manual for Agents as applicable. If, as a result of any failure by the Agent to comply with all applicable rules and procedures, the Member/Airline is unable to collect the transaction amount due, the Member/Airline will charge the loss to the Agent that issued the Traffic Document by means of an ADM.

9. REFUNDS

9.1 When effecting refunds for sales it has made with a Customer Card, in addition to the obligations described under its Passenger Sales Agency Agreement, the Agent must comply with the rules as detailed in the BSP Manual for Agents, or, in non-BSP countries, by the specific Member.

9.2 Refund amounts of totally unused and partly used Traffic Documents must only be applied to the Customer Card number originally used for payment if the Traffic Document being refunded was solely paid by a Customer Card. In the event that the Traffic Document being refunded was paid by more than one form of payment, the refund will be executed in accordance to [Resolution 824r Section 1](#).

RESOLUTION 890x

PAYMENT FRAUD LIABILITY IN TRANSACTIONS RESULTING FROM AN OFFER

PAC(Mail A336)890x(except USA) Expiry: Indefinite
Type: B

WHEREAS Members/Airlines seek to establish a defined series of procedures to ensure compliance with payment industry rules and to eliminate or reduce their exposure to fraud under the framework of transactions that result from an Offer;

WHEREAS those payments shall be conducted using a payment instrument owned by the customer and are not remitted as cash transactions by the Agent through any BSP;

IT IS RESOLVED that the following conditions will apply, and the following provisions will be complied with, for the sale of passenger air transportation and Ancillary Services for which the payment transaction is entirely conducted by the Member/Airline.

1. AGENT DIRECTS CUSTOMER TO PROVIDE PAYMENT INFORMATION DIRECTLY TO THE AIRLINE

1.1 When the Agent is not party to the processing of the payment transaction related to an Order, the customer shall conduct his payment directly on the Member/Airline's own payment page.

In such instance, the Member/Airline is entirely responsible for the outcome of the payment transaction.

1.2 The Agent will not be held liable for any fraud or disputed transaction occurring on a payment conducted by the customer directly on the Member/Airline's own payment page.

2. AGENT ACCEPTS CUSTOMER PAYMENT INFORMATION ON BEHALF OF THE AIRLINE

This section is applicable when the Member/Airline initiates and conducts the collection of funds through customer payment information provided by the Agent.

2.1 Customer Card as a Form of Payment

2.1.1 The Agent collects from the customer and forwards to the Member/Airline all relevant card and cardholder details, so that the Member/Airline can initiate and conduct the card transaction in its own payment acceptance system.

2.1.2 When requested by the Member/Airline, the Agent initiates customer authentication as specified in secure protocols defined by the card payment industry and forwards the results of the authentication attempt to the Member/Airline.

2.1.3 The Agent is liable for the fraud chargeback risk the Member/Airline is exposed to in building a card transaction out of the customer card payment data provided by the Agent.

2.1.4 When the transaction is subject to card fraud chargeback, as per the applicable rules of the relevant card scheme, the Member/Airline will pass the loss to the Agent in accordance to [Resolution 890, Section 4.7](#).

2.1.5 When the transaction is not subject to card fraud chargeback, as per the applicable rules of the relevant card scheme, the Agent will not be held liable for any fraud or disputed transactions occurring on a payment; by way of example, using any secure protocol as defined by the payment card industry removes the risk of card fraud chargeback.

2.1.6 When the transaction is subject to a commercial chargeback invoking any aspect of the sales process, as per the applicable rules of the relevant card schemes, the Member/Airline and Agent will attempt jointly to resolve the issue in accordance to [Resolution 890, Section 4.7](#).

2.1.7 The Agent is never liable for any dispute regarding the delivery of the product or service purchased by the customer.

2.1.8 To protect the customer's data, the Agent must ensure its full compliance with the payment card Industry Data Security Standards (PCI DSS) in accordance with the provisions published in [Resolution 890, Section 7](#).

3. AGENT REMITTING TO THE AIRLINE WITH CARD AS AN ALTERNATIVE TRANSFER METHOD

3.1 When the Agent wishes to make use of the Agent card as an Alternative Transfer Method to pay for an Order, it must seek the Member/Airline prior consent in accordance with the provisions published in [Resolution 812a](#).

3.2 The ensuing card transaction must follow the rules defined in [Section 2](#) above.

1. ALTERNATIVE TRANSFER METHODS RULES

1.1 The purpose of this Resolution is to provide the authority for Agents to make use of Alternative Transfer Methods for the sale of Standard Traffic Documents on behalf of BSP Airlines, and to provide the requirements for Alternative Transfer Method Providers to enrol their products with IATA.

2. DEFINITIONS

2.1 ALTERNATIVE TRANSFER METHOD means a Payment Method, other than the Cash Payment Method and IATA EasyPay Payment Method, used by the Agent to transfer monies collected from the customer for passenger air transportation or Ancillary Services to the BSP Airline, in accordance with the provisions of this Resolution. This may include a physical or virtual card or account number that is issued in the name of the Agent, any Person permitted to act on behalf of the Agent, or one of the Agent's contracted suppliers.

2.2 ALTERNATIVE TRANSFER METHOD PROVIDER means a supplier of an Alternative Transfer Method.

2.3 STANDARD TRAFFIC DOCUMENTS for the purposes of this Resolution, includes Electronic Miscellaneous Documents (EMDs) and BSP Airlines' own Traffic Documents.

2.4 CUSTOMER CARD PAYMENT METHOD (sometimes referred to as 'Card Sales') means a Payment Method where a Customer Card is used against a BSP Airline's card acceptance merchant agreement as detailed in [Resolution 890](#).

2.5 PAYMENT METHOD is a means to pay monies due for passenger air transportation or Ancillary Services to BSP Airlines, as established by the Passenger Agency Conference. Payment Method refers to both customer payment methods, whereby a BSP Airline receives payment of the monies due from the customer, as well as Agent payment methods, whereby a BSP Airline receives payment of monies due from the Agent via the BSP or an alternative mechanism. Any monies which are collected by the Agent from the customer must be held in trust pending payment to a BSP Airline, in accordance with the provisions of [Resolution 824](#).

3. ENROLMENT OF ALTERNATIVE TRANSFER METHODS BY ALTERNATIVE TRANSFER METHOD PROVIDERS

3.1 Alternative Transfer Method Providers must enlist with IATA prior to enrolling their products as Alternative Transfer Methods for use in a BSP.

3.2 Once enlisted with IATA, the Alternative Transfer Method Provider may enrol their products as Alternative Transfer Methods for use in a BSP in accordance with the criteria detailed in [Attachment 'A'](#) to this Resolution. If a product is not enrolled with IATA as an Alternative Transfer Method, the Agent must not use the product for the issuance of Standard Traffic Documents through the BSP.

3.3 IATA will notify BSP Airlines and Agents of Alternative Transfer Methods that are enrolled in accordance with this Resolution.

3.4 In the case of the Agent wishing to use its own card, or a card issued in the name of a Person acting on behalf of the Agent, or in the name of the Agent's officer, partner or employee, the Agent must enrol the card with IATA as an Alternative Transfer Method prior to its use for the issuance of Standard Traffic Documents in accordance with Resolution 896 [Attachment 'A', section 5](#), except in BSP countries where such functionality has not been made available by IATA. In such cases the Agent is not required to enrol the card as an Alternative Transfer Method.

4. USE OF ALTERNATIVE TRANSFER METHODS BY AGENTS WITH INDIVIDUAL AIRLINE CONSENT

4.1 An Alternative Transfer Method may be used by the Agent to effect payment of monies due by the Agent to a BSP Airline for the sale of Standard Traffic Documents, subject to the individual consent of the BSP Airline whose Standard Traffic Documents is being issued. Such consent must be obtained by the Agent prior to usage of the Alternative Transfer Method.

4.3 A failure to comply with sections [4.1–4.2](#) will be undertaken under the sole responsibility and liability of the Agent toward the BSP Airline concerned.

5. AIRLINE CONSENT TO USE AN ALTERNATIVE TRANSFER METHOD

5.1 A BSP Airline will notify IATA of its default consent policy by BSP market. If the Airline does not provide its default consent policy, IATA will set the BSP Airline's default consent policy to automatically not accept any new Alternative Transfer Method enrolled in that BSP market.

5.2 A BSP Airline may give its consent to the Agent for the usage of an Alternative Transfer Method in a BSP by notifying the Agent in writing or, where possible, by updating the relevant information through BSPlink (ASD in China).

5.3 A BSP Airline may remove its consent for the usage of an Alternative Transfer Method from an Agent by notifying the Agent in writing or, where possible, by updating the relevant information through BSPlink (ASD in China).

5.4 Nothing in the present Resolution shall be interpreted as a systemic bias or a preference to the detriment of any Alternative Transfer Method, including in favour of any other Payment Method.

6. ISSUANCE AND REFUNDING OF ELECTRONIC TICKETS USING ALTERNATIVE TRANSFER METHODS

6.1 When issuing a Standard Traffic Document using an Alternative Transfer Method, the Agent must issue and report the transaction in accordance with the instructions provided by IATA.

6.2 When applicable, the Agent must ensure to obtain the authorisation approval code from the relevant card company and include such code at the time of Standard Traffic Document issuance.

6.3 When effecting refunds of sales issued with an Alternative Transfer Method, the Agent must refund amounts of totally unused and partly used Standard Traffic Documents to the same Alternative Transfer Method number as originally used for payment.

7. MONITORING OF AGENTS' USAGE OF ALTERNATIVE TRANSFER METHODS BY IATA

7.1 IATA has the right to conduct a review or other investigation of the Agent's Customer Card Payment Method and Alternative Transfer Method transactions in the BSP to verify the Agent's compliance with the applicable Resolutions and consent(s) given by individual BSP Airline(s) for specific Alternative Transfer Methods. If a situation of potential non-compliance is detected by IATA, the Agency Administrator may notify individually the BSP Airline(s) concerned and make this information available to the Agent. This notice shall be unsubstantiated and no further details will be provided by IATA.

△ **7.2** In the event a review or other investigation reveals a persistent failure by the Agent to comply with this Resolution, the Agency Administrator may request in writing an immediate review by the Travel Agency Commissioner in accordance with Resolution 832 [section 3.5](#).

To obtain a satisfactory evaluation, the applicant may be required to provide additional financial support in the form of recapitalization or a financial guarantee of an approved type.

Late extension requests or incomplete submission of such financial statements may attract a penalty as determined by the Conference from time to time.

1. NOTES OF FINANCIAL EVALUATION**1.1 Definition of Share Capital and Reserves**

The Share Capital and Reserves shall be determined as follows according to the type of the applicant's entity:

1.1.1 Company having a share capital — the sum of:**Paid-up Share Capital**

Minimum of \$10,000 paid-up ordinary share capital (forming part of the minimum share capital and reserves) regardless of existence of other reserves (e.g. issued share capital of \$5,000 and capital profits reserve of \$5,000 would not be acceptable). If less than \$10,000 a financial guarantee for the shortfall will be required.

Realized Capital Profits Reserve

Asset Revaluation Reserve (only if supported by a written valuation from an independent licensed valuer; i.e. Director's valuation will not be accepted),

Share Premium Reserve

Accumulated Profits

- Less:
1. Accumulated Losses,
 2. Provision for future losses,
 3. Intangibles including Goodwill, Future Tax Benefits, etc.

1.1.2 Sole Trader/Partnership

Statement(s) of assets and liabilities of the principal(s), verified by their solicitor, auditor or bank manager from their own personal knowledge of their clients' affairs or from documentary evidence supplied must be submitted for consideration.

1.1.3 Trust

Corporate Trustee

Either the settled sum of the Trust or the paid-up capital of the Corporate Trustee adjusted by those items detailed in Subparagraph 1.1.1 above.

Note: *The total of settled sum or units and paid-up capital of the corporate trustee must be a minimum of \$10,000 forming part of the minimum share capital and reserves regardless of existence of other reserves. If less than \$10,000 a financial guarantee for the shortfall will be required.*

Unincorporated Trustee

The settled sum of the Trust adjusted by those items detailed in Subparagraph 1.1.1 above. Where the required minimum is not met the statement of personal assets and liabilities of the Trustee(s) as detailed in Subparagraph 1.1.2 above will be reviewed to determine the net worth.

1.1.4 Company Limited by Guarantee

Accumulated Funds and Reserves (as detailed in Subparagraph 1.1.1 above). Total guarantees available in the event of a winding up, i.e. the liability of each member multiplied by the number of members at balance date.

1.1.5 Incorporated Association, Cooperative, etc.

Accumulated Funds and Reserves (as detailed in Subparagraph 1.1.1 above).

1.2 Definition of a Related Party

A Related Party is an individual or company and includes shareholders, directors, trustees, partners, proprietors or their immediate family.

Loans from a Related Party. If the Agent provides satisfactory documentary evidence that the loan is in the form of a long-term commitment to the agency, such loan may be deducted from the liabilities of the Agent. If such evidence is not available loans from a Related Party will be considered a liability of the agency.

Loans to and investments in a Related Party will not be considered as assets of the agency for the purposes of the financial evaluation.

However, if the Agent is able to provide satisfactory documentary evidence that:

- the Loan or Investment is readily able to be converted to cash, and
- will be repaid should the working capital position of the Agent decline, such assets may be considered.

1.3 Encumbrances

Should any Balance Sheet assets of an applicant be used as security for loans which do not appear on the Balance Sheet 1 (e.g. third-party loan to directors) those loans will be deducted from assets, up to the maximum amount of the liability secured by the applicant's assets. Details of such encumbrances will require disclosure in the "Annual Financial Review".

All charges over an applicant's assets, both fixed and floating, require immediate disclosure to the Board at the time of their creation. Failure to notify the creation of a charge will be regarded as a serious departure from these financial requirements. Creation of and retirement of all charges during the year should also be notified to the Board.

2. FINANCIAL STANDARDS

The financial assessment is based on four Tests and the allocation of applicable points to each Test. Maximum points are 20 and a total of 10 points or more is considered satisfactory provided the applicant maintains the minimum level of share capital and reserves (refer Test 1).

2.1 Test 1 — Minimum Net Capital & Reserves (2 points)

All applicants must maintain a minimum level of share capital and reserves (as defined in Paragraph 1.1 hereof) dependent on the scale of operations of each enterprise as measured by the annual turnover (both travel and non travel).

Turnover	Minimum Share Capital	
	2 Points	1 :Point
Less than \$750,000	\$20,000	\$15,000
\$750,000 to less than \$1.5 million	\$30,000	\$25,000
\$1.5 million to less than \$4 million	\$50,000	\$40,000
\$4 million to less than \$10 million	\$80,000	\$60,000
\$10 million to less than \$50 million	\$100,000	\$80,000
\$50 million or greater	\$150,000	\$120,000

A minimum of 1 point must be obtained from this test regardless of the overall point score achieved from other Tests. A Bank Guarantee or capital injection for any Shortfall will be required. Minimum capital may be expected to increase from time to time.

2.2 Test 2 — Client Travel Account (2 points)

A Client Travel Account is a bank account maintained by the applicant to separately receipt all client funds and the subsequent disbursement of those funds to travel principals.

2.2.1 Two points will be allocated for a properly maintained Client Travel Account. To be eligible for these points the applicant must comply with all of the following:

2.2.1.1 All money received from clients, in advance of the issue of tickets, must be banked within two days of receipt into a separate account in the name of the applicant – suitably titled “Client” or “Trust” Travel Account.

2.2.1.2 Interest bearing or term deposits may be opened with any recognized financial institution.

2.2.1.3 Any such account as mentioned in 2.2.1.1 and 2.2.1.2 must be used exclusively for clients’ funds.

2.2.1.4 Any such account must not be subject to a right of set off or any encumbrance, including any floating charge.

2.2.1.5 All deposits to the Client Travel Account must remain in the account until:

- they are paid to the principals on whose behalf they have been received; or
- they are refunded to the client who paid.

2.2.1.6 Commission earned is not to be withdrawn until the balance has been paid to principals on whose behalf it has been received.

2.2.1.7 Disbursements from the Clients Travel Account on behalf of a customer who has not lodged funds (e.g. sale on credit) is not permitted. These should be made from the “General” or “Working” account of the Agent.

2.2.1.8 Use of clients funds to finance loans or advances to Related Parties or others, does not comply with the conditions of maintaining a Client Travel Account.

2.2.1.9 The Client Travel Account and liability for client deposits should be clearly identified on the Balance Sheet or Notes to the Accounts.

2.3 Test 3 — Working Capital Available to Meet Overheads (8 points)

This test is the ratio of working capital in dollars to average monthly overheads. An applicant should have sufficient working capital in dollar terms to meet overhead expenditure. This requirement is necessary to ensure the applicant has adequate working capital commensurate with the size of their operations and sufficient to meet seasonal fluctuations.

Should the Agent have experienced trading losses in the most recent financial year, provision for continued losses will be calculated unless the Agent provides satisfactory documentary statements that action has been taken to bring the agency to a satisfactory trading position.

Months Coverage	Points
Greater than 2 months	8
1 to 2 months	5
Less than 1 month	2
Deficiency in working capital	- 3

2.4 Test 4 — Net Tangible Assets to Turnover Ratio (8 points)

This ratio equates the net tangible assets of the applicant with its turnover and recognizes that the greater the turnover of an organization the greater should be its tangible net worth. Whereas a tangible net worth of \$30,000 may be adequate for an applicant with a turnover of \$1 million, it may be totally inadequate for a \$10 million or even \$5 million applicant. This test recognizes that a ratio of 1.5% is adequate and allocates the majority of the available points (5 out of 8) for this ratio. However, in recognition of the greater margin of safety afforded by a higher ratio, maximum points are allocated for a ratio of 3%.

All tangible assets of the applicant together with long term and current liabilities are considered in assessing net worth. Accordingly, assets such as goodwill, formation costs, etc. which may only be realized on sale of the applicant's business, and which may be open to subjective valuations are excluded from the tests.

Should the Agent have experienced trading losses in the most recent financial year, provision for continued losses will be calculated unless the Agent provides satisfactory documentary statements that action has been taken to bring the agency to a satisfactory trading position.

Ratio (as a %)	Points
Greater than 3%	8
1.5% to 3%	5
0 to 1.5%	2
Deficiency in Net Tangible Assets	- 3

2.5 Points Summary

Test 1 Minimum Share Capital & Reserves	2
Test 2 Client Travel Account	2
Test 3 Working Capital to Meet Overheads	8
Test 4 Net Tangible Assets to Turnover Ratio	8
TOTAL:	20

3. FINANCIAL DISCRETION

It is recognized that different interpretations of financial accounts are possible and do occur. Accordingly, the General Assembly shall have absolute discretion as to the most appropriate accounting classification for all items included in Financial Statements or Annual Financial Reviews.

4. FINANCIAL GUARANTEE

Where a financial guarantee is required to meet the above criteria, the General Assembly will require an amount equivalent to the percentage share of airline sales to total turnover (e.g. if the criteria requires pro- vision of a bond or \$100,000 and 60% of the applicant's turnover is for air travel, then the Board will require a bond for \$60,000). Such bond amount however, shall be not less than the amount required by the applicant to meet the minimum level of Share Capital and Reserves in [Paragraph 2.1](#) of Section 2 hereof.

FINANCIAL STANDARDS

Definitions

1. Turnover

Calculation of the turnover to be taken into account shall be determined as follows:

- Total of:
- turnover excluding sales of BSP airlines;
 - commission on sales of BSP airlines.

The total amount for sales made on behalf of BSP airlines is hence not integrated; while only the commissions on such sales are included.

2. Overhead Expenses

Overhead expenses to be taken into account shall be calculated exclusive of BSP invoices.

3. Capital

Capital resources shall include:

- the share capital increased by reserves;
- the balance brought forward; and
- the result of the fiscal year.

However, and this during an adaptation period of three (3) years, current accounts of associates having been the object of a fund blocking agreement according to the terms of Law 83-1179 dated 29th December 1993, shall be integrated for the calculation of capital resources.

4. Financial Costs

The financial costs to be taken into account shall be the short-term financial costs assessment.

5. Summary

Financial evaluation is based on a series of five tests with points awarded against a total of 20. A minimum of 10 points is considered satisfactory, provided the amount of capital resources (exclusive of intangible fixed assets) complies with the minimum level taken into account for the first test.

1st Test — Minimum Capital Resources (4 points):

CA	Minimum Capital Resources	
	4 Points	2 Points
Total CA < 20 MCFP	2 MCFP	1 MCFP
20 MCFP < CA < 40 MCFP	4 MCFP	2 MCFP
40 MCFP or >	8 MCFP	4 MCFP

(Above are the French abbreviations)

When a loss equal to half of the share capital appears in the Balance Sheet, the minutes of the Extraordinary General Assembly showing the decision to continue the applicant's activities must be produced.

For this test, a minimum of 2 points will need to be achieved, regardless of the total number of points obtained under the other tests. Failing this, a bank guarantee may be requested. An increase in the minimum capital resources may also be requested.

2nd Test — Specific Bank Account Reserved for Airlines' Monies (4 points):

A specific bank account reserved for airlines' monies to be maintained separately from the Agent's General business bank account; this account is to show all movement of funds in relation to transactions pertaining to the applicant's sales activities (payments from customers, reimbursements, settlement with BSP).

A maximum of 4 points will be awarded to the applicant for adherence to the operational rules of this account as follows:

1. All funds received as a deposit from customers before issuance of tickets must, within two days following the date of collection, be paid into this specific account to be opened in the applicant's name.
2. These funds may be remunerated by the banks within the framework of their investment activities.
3. This account is to function exclusively with the funds received from customers.
4. In no case can this account be used for compensation purposes or blocked.
5. All deposits paid into this account must remain therein pending:
 - (a) their remittance to the beneficiaries to whom the monies are due; or
 - (b) their reimbursement to the customers who made the corresponding remittance.
6. The amount of commissions received may be withdrawn from the account only after the remittance has been made to the beneficiaries to whom the monies are due.
7. Settlement of accounts relating to sales on credit cannot be made by means of this account but must be made through the applicant's general business bank account.
8. The use of deposits received from customers to finance any loan or advance, whatever the reason or purpose, is contrary to the operational rules governing this account.
9. The existence of this specific account and the deposits from customers are to be clearly identified in the applicant's books of account.

3rd Test — Covering of Overhead Expenses by means of Current Assets (4 points):

This test relates to the ratio of the average monthly amount of overhead expenses vis-à-vis current assets translated into number of months.

Current assets equal the long-term capital minus the fixed assets.

Long-term capital represents the capital resources increased by available funds on a long-term basis (loans over more than one year and current accounts of associates having been the object of a fund blocking agreement according to the terms of Law 83/1179 dated 19th December 1993).

The applicant must dispose of current assets sufficient to meet its overhead expenses. This verification is necessary to make certain that the applicant disposes of sufficient current assets and adapted to the volume of transactions so as to meet seasonal fluctuations.

Number of months for Cover	Points
>2 months	4
1 to 2 months	2
0 to 1 month	0
0	0
negative CA	-2

4th Test — Capital/Turnover (4 points):

The ratio of Capital/Turnover means that the higher the turnover, the greater the amount of capital must be.

If capital in the amount of 1 MCFP is adequate for a turnover of 30 MCFP, it may appear totally inadequate for a turnover of 150 MCFP or even 100 MCFP.

A ratio of 1.5% would appear satisfactory and is awarded quite an important amount of points (2.5 out of a total of 4). However, a maximum number of points is awarded for a ratio of 3% taking into account the existence of a large margin of security.

Ratio	Points
>3%	4
1.5% to 3%	2.5
0% to 1.5%	1

5th Test (4 points): Short Term Financial Costs/Turnover

This ratio indicates an applicant's possible difficulties:

Ratio	Points
<2%	4
2% to 4%	2.5
4% to 6%	1
>6%	0

Implementation of Financial Standards

An applicant should establish a financial situation covering one (1) year's trading and complying with the above financial standards. However, to the extent its financial situation does not meet these requirements, the applicant may be considered provided it supplies a bank guarantee in an amount equal to one twelfth of the cash sales made during the previous year on behalf of BSP Participating Airlines.

Where the applicant has provided a Bank Guarantee to A.T.A.F. to cover liability for sales made through the BSP on French national carriers, this may be taken into account in determining the amount of bank guarantee required to cover the total amount of cash sales for all BSP Participating Airlines.

An applicant whose application has been rejected due to imbalance of the structure of its Balance Sheet is eligible, once the necessary steps to restore its financial situation have been taken, to file a new application for accreditation, together with an updated Balance Sheet.

An applicant with less than one (1) year's trading must provide:

- an opening Balance Sheet which must comply with the above financial standards;
- an estimate of its Profit and Loss Account;
- a bank guarantee for an amount equal to the expected sales over 30 days on behalf of IATA Member Airlines.

The bank guarantee shall remain valid until establishment of a Balance Sheet reflecting the applicant's situation after the end of the first fiscal year and meeting the criteria defined above. The amount of guarantee may be required to be adjusted at any time in relation to the monthly turnover achieved on the airlines mentioned above.

GERMANY

(Effective 1 January 2024 – MV/A641)

1. GENERAL RULE — (Accounts/Documents to be provided)

1.1 New Applicants

In addition to a complete application the applicant must, for a minimum of two years from its effective date of accreditation, provide a Financial Security according to chapter 4. The Financial Security provided will determine the Remittance Holding Capacity granted, as per [Resolution 812, section 5](#). In the first 24 months following accreditation the most frequent standard remittance will be applied, i.e. four times per month remittance.

1.2 Accredited Agents

An Accredited Agents holding Standard Accreditation with Cash Facility is required to undergo a financial assessment annually or for cause at any time. An Agent holding a Multi-Country Accreditation is required to undergo a financial assessment quarterly or for cause at any time. For the conduct of financial assessments the Agent must provide the financial statements/documents as stated in chapter 2.

2. ANNUAL FINANCIAL REVIEW

Accredited Agents holding the Standard Accreditation with Cash Facility are required to undergo an Annual Financial Review. The Accredited Agent is obliged to provide either the “Data Collection Sheet for establishing liquidity” or to adjust the Financial Security (“Guarantee Model”) according to the Financial Security Overview within 30 days of IATA’s request.

2.1 Guarantee Model

With the Annual Financial Review request IATA provides a Financial Security Overview, which informs the IATA Accredited Agent:

- which Financial Securities are currently deposited with IATA,
- which Remittance Frequency is currently applied,
- what Financial Security amount is actually required with regard to twice-monthly, four times per month or daily remittance on basis of the most actual cash sales.

If the Financial Security deposited with IATA is sufficiently covering the most actual cash sales, no action needs to be taken by the Agent.

Accredited Agents providing 100% financial security voluntarily are considered to have PASSED the Financial Review. However, the Agent must cover at all times 100% of the amount at risk calculated according to the formula stipulated in chapter 4.3.2, otherwise the financial review is considered to be unsatisfactory.

2.2 Data Collection Sheet

Agents that are accredited for at least 24 months can optionally provide the Data Collection Sheet instead of providing 100% financial security.

The Data Collection Sheet for establishing the liquidity quota contains a list of short-term assets and short-term liabilities. Accredited Agents that achieve a liquidity rate of more than 110% are considered to have PASSED the Financial Review. For liquidity quotas equal or less than 110% (bonus class 5) the Financial Review has been FAILED.

2.2.1 Bonus Class

Agents with a liquidity quota of more than 110% are entitled to a bonus, i.e. the Agent can expect a reduction of the otherwise required Financial Security amount. Please refer to table ‘Financial Security Discount’ in chapter 4.7.

2.3 Agents holding a Multi Country Accreditation are required to undergo a quarterly financial assessment in accordance with the Multi Country Financial Criteria.

3. CRITERIA FOR THE EVALUATION OF AGENT'S ACCOUNT

3.1 The financial criteria for the evaluation of the Agent's Data Collection sheet is the liquidity quota.

3.2 Formula for calculating the liquidity quota:

$$\frac{\text{Assets realizable in short-term (+ current loan agreement or Financial Security if considered)} \times 100}{\text{Short-term liabilities}}$$

The Agent may include—in relation to the amount of BSP turnover and the share of BSP cash turnover- in the short-term assets either a loan agreement or a Financial Security deposited with IATA.

3.3 Prerequisites for acceptance of loan agreements

Required Financial Security (in EUR)	Requirements for loan agreement
<500.000,00	Loan agreement valid at least until last day of following year, provided the agreement is not older than 2 months and has not been cancelled.
≥500.000,00 <2.000.000,00	Loan agreement with the following details: <ul style="list-style-type: none"> • Commitment restricted for covering the BSP cash turnover • Validity at least until last day of following year • Bank undertakes to notify IATA immediately of notice of termination of the loan agreement (relevant clause contained in loan agreement)
≥ 2.000.000,00	*loan cannot be taken into account

* The IATA Agent must reach a liquidity rate of more than 110% by its own financial strength. Taking a loan agreement into account is not permitted.

3.4 Remittance Period

The remittance period, i.e., the number of days between the end of the billing period and the remittance date, for four times per month remittance is 10 days.

Effective 1 January 2025 the number of days between the end of the billing period to remittance date will be 5 working days for all agents remitting four times per month.

4. FINANCIAL SECURITY

4.1 An Agent will not be accredited or will not continue to be accredited until any Financial Security required to be provided to IATA has been received by IATA and confirmed to IATA by way of written confirmation received directly from the third party supporting the Financial Security that the Financial Security was issued by that third party and is valid.

4.2 Financial Securities will be subject to a minimum notice of termination period on the part of the Financial Security Provider of ninety (90) days and ideally be valid for an unlimited period but will be expected to be valid for a minimum of at least one year.

4.2.1 The following types of Financial Securities are accepted

- (i) Bank Guarantee payable on first demand according to IATA sample
- (ii) Guarantee by an insurance company payable on first demand according to IATA sample
- (iii) Assignment of fixed deposit or saving account according to IATA sample
- (iv) Global Default Insurance

4.3 For the purposes of calculating the amount of a Financial Security the following definitions apply:

4.3.1 "Days' Sales at Risk" means the number of days from the beginning of the Agent's Reporting Period to the Remittance Date in respect of that Reporting Period or Periods, plus a margin of five days.

Remittance Frequency:	Days' Sales at Risk
Twice per month (optional)	35
Four times per month (standard)	24

Remittance Frequency:	Days' Sales at Risk
Twice per month (optional)	35
Four times per month (standard)	19
* Daily (voluntary)	5

4.3.3 “Amount at Risk” is calculated using BSP cash turnover amount equal to the net cash sales in the previous 12 months, as follows:

$$\text{“Amount at Risk”} = \frac{\text{“Days’ Sales at Risk”} \times \text{BSP cash turnover in the most recent 12 months}}{360}$$

4.3.4 The value of the Financial Security will be rounded to the next + 1,000 EUR.

4.4 All Agents must provide a Financial Security with a minimum amount as per 4.5 during the first two (2) years as IATA accredited Agent.

Agents with Risk Status A, bonus class 1 – 4 incl. are required to provide a Financial Security applying the corresponding discount and their Amount at Risk is calculated using BSP cash turnover amount equal to their net cash sales in the previous 12 months, with a minimum amount as per 4.5, whichever is higher.

The cash sales will be remitted from the agent's account 8 days after ticket issuance. On the Remittance Date as defined in the BSP calendar for payments, the total amount according to the Billing must be available for direct debiting.

2. CRITERIA FOR THE EVALUATION OF AGENTS' ACCOUNTS

2.1 The financial standing of an Agent holding a Standard Accreditation with Cash Facility is assessed by IATA annually or for cause at any time, by analysis of its financial statements. 2.1.1 Equity (for limited companies) or Capital account (for partnerships & sole traders)

The Agents' accounts must show positive Net Equity (Capital Accounts for Partnership & Sole Traders). This is based on the annual BSP turnover of cash reported sales (net to be paid) calculated using the BSP sales figures for the most recent 12 months period available (being 12 full calendar months) at the time of the assessment.

Equity for this purpose is capital paid up, reserves, and profit and/or loss carried forward.

There are two levels set – the normal minimum for companies that have traded for less than 2 years as an Accredited Agent, and the traded minimum for companies that have submitted 2 consecutive years' accounts.

	Less than 2 years trading	2 years' Accounts
BSP Cash Reported Sales	Normal Minimum (EUR)	Traded Minimum (EUR)

8 million	160,000	80,000

If an Agent accounts do not show a profit in at least one of the last two accounting periods, the Agent is required to meet one of the following:

2.1.3.1 If the Agent's Net Current Assets meet or exceed 8% of cash sales of their annual BSP turnover (net to be paid), the Agent can remit on the standard remittance frequency.

2.1.3.2 If Agent's Accounts do not meet **2.1.3.1** above and their Net Current Assets meet or exceed 4% of cash sales of their Annual BSP turnover (net to be paid), the Agent must remit four times monthly, unless it provides a Financial Security to continue to remit twice monthly.

2.1.3.3 If Agent's Net Current Assets are under 4 % of their cash sales of their Annual BSP turnover (net to be paid), the Agent must provide a Financial Security and must remit four times monthly.

The Agent's Financial Review will be considered as **PASSED** if the criteria in [Sections 2.1.1 – 2.1.3](#) are met.

3.1 Should bank guarantee be the opted form of Financial Security, it must be issued by a bank authorized by the National Bank of Serbia (NBS) and National Bank of Montenegro (NBCG).

3.2 The BSP currency in Montenegro is EUR. In the case of Serbia, due to the fact that the only BSP currency is the local one (RSD) and that bank guarantee amounts are expressed in EUR currency, the exchange rate applied will be the NBS (National Bank of Serbia) official middle rate valid on the date when the information regarding the bank guarantee amount should be sent to the Agent.

The bank guarantee amount will be rounded up to the nearest 1.000 EUR above the amount resulting from the calculation.

$$\text{"Amount at Risk"} = \frac{\text{"Days' Sales at Risk"} \times \text{BSP cash turnover in applicable 3-month period}}{90}$$

3.3.3 Days' sales at Risk, applicable to the formula above, are 22.

A Financial Security wouldn’t change in cases when turnover growth is not higher than 30% of the turnover.

Agents with Risk Status B are required to provide a Financial Security covering 130% of their “Amount at Risk” calculated as per [Section 3.3.2](#) using BSP cash turnover amount equal to the average of the 3 months’ highest net cash sales in the previous 12 months, or EUR 40,000, whichever is higher.

>1,3	1,10
1,2	1,075
1,1	1,05

Likewise, the external company will perform a creditworthiness analysis and a RAI (Unpaid Receivables Registry) incidents analysis on the Agent.

For the results to be valid, the Agent must have submitted their accounts for the most recent financial year to the Trade Registry by the deadline established by law.

In case of Agents with over one year of activity which has not been required to present its accounts to the Trade Registry, the Agent will have to present audited provisional accounts. Otherwise, the result of the risk and solvency analysis will be considered to be zero (0).

3. CRITERIA FOR THE EVALUATION OF AGENTS' ACCOUNTS

Formulas used for the financial evaluation:

3.1 Equity:

The equity (capital paid-in, reserves, profit and loss carried forward) must not be lower than CHF 100'000. If this requirement is not met, an Agent cannot be accredited or in case of accredited Agents must provide financial securities.

3.2 Liquidity ratio:

$$\frac{\text{Total current assets} - \text{Total Inventory} \times 100}{\text{Total Current liabilities}}$$

The liquidity ratio (quick-ratio) must be above 100%; i.e. short-term assets must cover to 100% all short-term liabilities.

When calculating the liquidity ratio, a safety margin of 5% is deducted from amounts owned by debtors as well as from securities/bonds.

Amounts of doubtful debtors as well as money given to owners and/or managers are not eligible in case company has not been audited.

3.3 Self-financing ratio:

$$\frac{\text{Total equity} \times 100}{\text{Total liabilities}} \geq 15\%$$

The self-financing ratio must reach 15%, i.e. the Equity must cover at least 15% of the total liabilities. Subordinated claims are considered as equity when calculating the Total Equity.

3.4 Fixed Assets Coverage:

$$\frac{(\text{Equity} + \text{Long Term liabilities}) \times 100}{\text{Fixed assets}} \geq 100\%$$

The coverage ratio must attain the factor 1.0, i.e. the Equity + long-term liabilities must cover to 100% all fixed assets.

3.5 Capital Loss:

Total Assets - Total Liabilities $\geq 0.5 \times (\text{Share Capital} + \text{Statutory Capital Reserve})$

The assets less the liabilities must be at least 50% of the sum of the share capital and the statutory capital reserve.

In order to obtain a satisfactory result of the financial assessment, an Agent must pass all tests in 3.1-3.5 of these criteria.

4. FINANCIAL SECURITY

4.1 An Agent will not be accredited or will not continue to be accredited until any Financial Security required to be provided to IATA has been received by IATA and confirmed to IATA by way of written confirmation received directly from the third party supporting the Financial Security that the Financial Security was issued by that third party and is valid.

4.2 Financial Securities will be subject to a minimum notice of termination period on the part of the Financial Security Provider of ninety (90) days and ideally be valid for an unlimited period but will be expected to be valid for a minimum of at least one year.

4.3 For the purposes of calculating the amount of a Financial Security the following definitions apply:

4.3.1 "Days' Sales at Risk" means the number of days from the beginning of the Agent's Reporting Period to the Remittance Date in respect of that Reporting Period or Periods.

Remittance Frequency:	Days' Sales at Risk
Twice per month	35
Four times per month	27
Daily	5

4.3.2 "Amount at Risk" is calculated using BSP cash turnover amount equal to the net cash sales in the previous 12 months, as follows:

$$\text{"Amount at Risk"} = \frac{\text{"Days' Sales at Risk"} \times \text{BSP cash turnover in the last 12 month period}}{360}$$

4.3.3 For Agents that are required to provide a Financial Security the following minimum amounts are applicable:

- twice per month remittance: CHF 25.000
- four times per month remittance: CHF 20.000
- daily remittance: CHF 5.000

4.4 For Agents with Risk Status A no Financial Security is required.

Agents with Risk Status B

4.5 For Agents with Risk Status B the amount of the Financial Security required must cover at a minimum the Amount at Risk calculated as per [Section 4.3](#) using the BSP cash turnover amount equal to the net cash sales in the previous 12 months, or the minimum amount of financial security as per [4.3.3](#), whichever is higher.

Agents with Risk Status C
