Exams on-Demand
for Online Exams with Remote Supervision (OERS)

Every class is different, which is why we offer our Exams on-Demand (EoD) program for organizations

AUTHORIZED TRAINING CENTER
IATA

An education tailored **just for you!**

Schedule OERS **exams when you need them**

Giving you **greater flexibility**

Giving you the convenience to **plan exams around your schedule**

Get **faster certificate processing** for your students

Conditions

- Minimum purchase is 10 students per EoD
- Only available for Authorized Training Centers (ATCs) and companies
- EoD fees: USD50 per student per exam attempt
- EoD cannot be scheduled within a regular exam session
- Students must have an available exam attempt within the course validity period

Please send your requests to our Operations Team through the **IATA Customer Portal** and include the following information in your request:

- Number of students
- Date of the EoD OERS examination

Please note

- Requests must be submitted **4 weeks** before the intended examination date.
- Once your request is approved, the full payment should be made within **3 business days**.
- Registration for all students must be completed **3 weeks** before the intended examination date. No change can be made after the EoD order is confirmed.
- If an organization fails to register students on time, the organization forfeits the EoD and the payment made for the exam.
